75

00:11:14.730 --> 00:11:28.080

76

00:11:29.160 --> 00:11:35.220

Village of Parish: Running terribly terribly slow and it's just because it's an old machine, although we already decided to get her.

77

00:11:35.340 --> 00:11:36.900

Jacque Murphy: I thought we did also.

80

00:12:03.270 --> 00:12:14.760

Village of Parish: Well, because I think you go down on his voted on you're looking for one we had from the look forward, and we have \$1 amount of under just to get it.

81

00:12:16.470 --> 00:12:17.220

Jacque Murphy: i'm sure we did.

82

00:12:19.320 --> 00:12:28.380

Village of Parish: yeah oh i'm pretty sure we can probably bring in under 500 So what are you looking for like a desktop for yeah probably another death desktop less the mayor wants a laptop.

83

00:12:32.130 --> 00:12:37.470

tend to be a little bit less expensive in that way will reuse monitor and bring bring all the possible that way.

84

00:12:39.360 --> 00:12:40.770

Village of Parish: A little bit more computers for the money.

85

00:12:42.660 --> 00:12:44.460

Village of Parish: And you put them into small dogs.

86

00:12:48.630 --> 00:12:55.350

Village of Parish: Oh yes, did you bring that up or you want to bring that up a lie last month's meeting I.

87

00:12:56.010 --> 00:13:03.750

Village of Parish: talked to the Mayor of earlier today, when she is working hundred agenda and last month's meeting I mentioned that at the November meeting of the seminar Council of governments.

88

00:13:04.410 --> 00:13:08.610

Village of Parish: We have a new inner municipal agreement that creates the sounders here remember up.

89

00:13:09.300 --> 00:13:19.980

Village of Parish: And it's exactly the same agreement that are under right now, except it's got a new term attitude it's dated November of 2020 rather than back in 2015 when I was adopted.

90

00:13:20.460 --> 00:13:32.520

Village of Parish: What time because they have a five year lifespan on and, basically, so I brought that up at the December meeting and the mayor is has has a copy of it, but like it's basically the same agreement that here under now and it.

91

00:13:33.870 --> 00:13:37.830

Village of Parish: defines you know who are the Members are and often me.

92

00:13:38.880 --> 00:13:47.550

Village of Parish: Just the basic ground rules stuff like that, so that is something that the village i'd like to ask the privilege to be adopted.

93

00:13:49.980 --> 00:14:04.560

Village of Parish: In boy or Wall and the commentary, the other participants have already signed up to it so you're the you're the last piece of the puzzle, so we need a resolution to just I think just pass it by emotion.

94

00:14:05.940 --> 00:14:06.690

Village of Parish: emotion.

95

00:14:16.350 --> 00:14:16.770

Jacque Murphy: high.

96

00:14:20.400 --> 00:14:21.960

Village of Parish: On this computer right yes.

97

00:14:23.400 --> 00:14:25.440

Village of Parish: Yes, guys fight is obviously quick.

98

00:14:26.610 --> 00:14:29.610

Village of Parish: Right, probably for yeah.

99

00:14:34.830 --> 00:14:35.940

Jacque Murphy: that's what we get into but.

100

00:14:37.320 --> 00:14:38.490

Village of Parish: See that's what.

101

00:14:41.220 --> 00:14:42.480
that's what's in the budget yeah.

102

00:14:45.600 --> 00:14:53.100
Village of Parish: All right, thank you, thank you, when I sent the title times out to everybody, I don't know if you're interested in that, but they.

103

00:14:53.160 --> 00:14:53.670
Jacquie Murphy: didn't have.

104

00:14:54.240 --> 00:14:54.600
Something.

105

00:14:55.770 --> 00:14:57.030
Jacquie Murphy: That they could change.

106

00:14:58.530 --> 00:15:01.260
You get that too I don't need to know about this.

107

00:15:16.140 --> 00:15:17.010
Village of Parish: Holmes report.

108

00:15:19.980 --> 00:15:22.200
Village of Parish: That we accept report.

109

00:15:23.790 --> 00:15:24.420
Village of Parish: On favor.

110

00:15:27.450 --> 00:15:29.310
Jacquie Murphy: Can you hear me, yes, I can hear you.

111

00:15:33.000 --> 00:15:43.440
Village of Parish: See all right, I have an update I had sent information about to eat up regarding the end, and so I had talked with.

112

00:15:44.790 --> 00:15:53.700
Village of Parish: Urgency management from the county Tennessee Terry Bennett when she said that the county had gone with so and I was in contact with matt.

113

00:15:54.720 --> 00:15:58.650

Village of Parish: let's see swidler and he's joined us with.

114

00:15:59.730 --> 00:16:00.720

Village of Parish: With the zoom.

115

00:16:02.040 --> 00:16:05.580

Village of Parish: To do give us some information regarding ED.

116

00:16:07.170 --> 00:16:08.430

Village of Parish: And are you there Max.

117

00:16:09.600 --> 00:16:13.170

Max Sweedler: hi yes i'm here, yes, yes okay good.

118

00:16:14.940 --> 00:16:17.130

Village of Parish: good to have you with us this evening appreciate it.

119

00:16:17.550 --> 00:16:19.290

Max Sweedler: yeah, thank you for letting me join you you're.

120

00:16:21.330 --> 00:16:36.930

Village of Parish: Looking at the idea of a team within the building and just need some information regarding what you have to offer your system and how how involved, it is and how expensive it so we had some point of comparison.

121

00:16:37.350 --> 00:16:37.890

Max Sweedler: There we go.

122

00:16:42.060 --> 00:16:49.950

Max Sweedler: So now, there we go I can share my video the so you guys are looking for ad units, the way I was.

123

00:16:51.240 --> 00:17:00.990

Max Sweedler: informed that you were looking for some mobilized like trauma first aid units, but you're actually looking for ad wall units in your facilities correct.

124

00:17:03.000 --> 00:17:14.100

Max Sweedler: Okay, so I will I will have to go back to the drawing board a little bit on this, but um basically we sell a base ad and a wall cabinet together um.

125

00:17:14.700 --> 00:17:25.260

Max Sweedler: they're pretty simple units and any of the ad units will when they turn on they walk you through each step the cabinet has an alarm like you know it's been opened.

126

00:17:25.860 --> 00:17:39.390

Max Sweedler: On the cost usually I believe runs between 12 and 1800 dollar maybe around 2000 at the most, I have to, I have to go back and look at the prices, because I was looking at the trauma kits.

127

00:17:39.900 --> 00:17:40.320

Max Sweedler: But.

128

00:17:40.650 --> 00:17:43.620

Max Sweedler: This is all information I can pass on to the mayor.

129

00:17:46.920 --> 00:17:51.990

Max Sweedler: So if there's any questions about eds or what what you guys need and how many you think you need.

130

00:17:54.330 --> 00:17:56.010

Max Sweedler: please feel free to share no.

131

00:17:57.240 --> 00:18:01.230

Village of Parish: difference in the wall universe, is the global unit and.

132

00:18:02.340 --> 00:18:18.420

Max Sweedler: So, so that information I say you those are those are trauma kits So those are for for field like if someone was hurt in an emergency there to walk you through and a medical situation and that's what told this old REP told me you guys were interested in but.

133

00:18:18.420 --> 00:18:20.520

Obviously ad units.

134

00:18:21.540 --> 00:18:34.770

Max Sweedler: So I can I can pass that all the information along to you, we make it super simple with the DS will come in and check on make sure

they're good um that way you guys don't have to worry about them, they just need a yearly look at so.

135

00:18:37.020 --> 00:18:39.570

Village of Parish: Is there much training involved, or is it just.

136

00:18:39.870 --> 00:18:50.100

Max Sweedler: Know like I said one yeah if you guys buying from us, I could have this whole rap go through a whole DEMO we could come in, we could do a DEMO with you guys it's they're pretty simple they the.

137

00:18:50.790 --> 00:18:58.080

Max Sweedler: The actual units pretty automated so it walks you through step by step, on what you're supposed to do so, but we can still have this whole rap do some training as well.

138

00:19:01.140 --> 00:19:01.890

Village of Parish: As kyle.

139

00:19:03.300 --> 00:19:11.130

Max Sweedler: kyle is the manufacturer's REP and i'm also in contact with the the soul REPS as well and actual is all manufacturer.

140

00:19:12.240 --> 00:19:20.160

Max Sweedler: So we've got very good connections with them and they make a great unit and it's probably it's probably the number one unit in the country.

141

00:19:25.500 --> 00:19:30.810

And had him at school and they were kind of off limits, and if you didn't have a training.

142

00:19:31.980 --> 00:19:32.340

touch them.

143

00:19:34.050 --> 00:19:34.350

yeah.

144

00:19:35.850 --> 00:19:36.090

and

145

00:19:37.680 --> 00:19:39.570

that's what he's telling me.

146

00:19:41.760 --> 00:19:46.800

Village of Parish: How much is the mobile unit with all the other stuff that you're talking about they're just like.

147

00:19:48.990 --> 00:19:57.840

Max Sweedler: I think the unit itself is probably around 1800 bucks and then though the the cabinets probably like two 300 bucks.

148

00:19:59.850 --> 00:20:01.320

Max Sweedler: I have to check on well.

149

00:20:03.030 --> 00:20:07.260

Village of Parish: I was, I went to mobile units and after the you know trauma unit something like that.

150

00:20:08.430 --> 00:20:10.800

Max Sweedler: Oh, the the mobile trauma units are.

151

00:20:12.210 --> 00:20:17.820

Max Sweedler: Those run about 2000 those come with like an iPad in an APP that basically.

152

00:20:18.990 --> 00:20:28.710

Max Sweedler: it'll open up it'll tell you it'll ask you, where the wound is it'll it'll run you through step by step, a situation that has everything, like all the first day items labeled.

153

00:20:29.250 --> 00:20:30.510

Max Sweedler: And it'll walk you through.

154

00:20:30.570 --> 00:20:31.980

Max Sweedler: Everything, step by step.

155

00:20:34.020 --> 00:20:36.570

Village of Parish: But also have the unit.

156

00:20:39.030 --> 00:20:40.680

Max Sweedler: I don't believe so, no.

157

00:20:44.880 --> 00:20:45.960

I wasn't sure if it had bought.

158

00:20:47.880 --> 00:20:48.510

me.

159

00:20:49.590 --> 00:20:57.840

Village of Parish: The kids that has to be updated annually in terms of apparatus materials or is it just a kitten right.

160

00:20:59.280 --> 00:21:09.330

Max Sweedler: yeah there's some first aid supplies in it so i'm assuming, you will have to you'd have to up those as well, let me, let me get with kyle ask him about that as well.

161

00:21:28.380 --> 00:21:29.070

Village of Parish: The office.

162

00:21:31.950 --> 00:21:32.430

Village of Parish: Maybe.

163

00:21:39.720 --> 00:21:46.680

Village of Parish: All right, any other questions, no, no, all right, well, thank you Max appreciate that hopefully we'll be in touch.

164

00:21:47.190 --> 00:21:48.600

Max Sweedler: Before so proud, thank you very much.

165

00:22:02.670 --> 00:22:05.190

Jacquie Murphy: I guess with the idea in prison.

166

00:22:08.550 --> 00:22:09.570

Village of Parish: Water project.

167

00:22:12.690 --> 00:22:16.800

Village of Parish: I haven't heard anything we got Jackie and day, both on the committee for the village.

168

00:22:17.610 --> 00:22:18.480

Jacquie Murphy: and never heard.

169

00:22:21.750 --> 00:22:29.820

Village of Parish: you're supposed to be a boat Cameron all coming out that nobody's calling anybody about right, but he couldn't be done at every station.

170

00:22:30.420 --> 00:22:45.960

Village of Parish: And as far as I know, it's going to be valid i'm not 100% sure yeah there's gonna be a valid down there, I guess, I don't know if they figured all that out yet, but I know there's also me along the mail and mail it for people be nice if they keep the comedian formed anywhere else.

171

00:22:47.070 --> 00:22:49.380

Village of Parish: And we know what I seen the failure when it comes around.

172

00:22:49.950 --> 00:22:50.250

Jacque Murphy: hope.

173

00:22:51.000 --> 00:22:51.570

Everything is.

174

00:22:52.740 --> 00:22:55.320

Village of Parish: Originally that's not happening either.

175

00:22:55.800 --> 00:22:57.240

Jacque Murphy: gonna be the first tomorrow.

176

00:23:02.160 --> 00:23:02.520

Jacque Murphy: Right.

177

00:23:08.760 --> 00:23:09.270

Village of Parish: Okay.

178

00:23:12.060 --> 00:23:12.990

Ken Scherrieble: hey i'm here.

179

00:23:23.100 --> 00:23:26.220

Village of Parish: To report and Thomas with us so anything you'd like to add.

180

00:23:26.310 --> 00:23:28.410

Ken Scherrieble: um no.

181

00:23:31.470 --> 00:23:32.370

Ken Scherrieble: Sorry i'm late.

182

00:23:33.780 --> 00:23:34.410

186

00:23:46.560 --> 00:23:49.320

Village of Parish: We can meet at six and Kendall join us at 630.

187

00:23:49.620 --> 00:23:50.400

188

00:23:51.540 --> 00:23:52.110

Okay, great.

189

00:23:53.310 --> 00:23:57.450

Ken Scherrieble: Thank you so much, then until then have a lovely evening.

190

00:24:00.030 --> 00:24:02.880

191

00:24:07.530 --> 00:24:08.520

192

00:24:08.970 --> 00:24:09.750

Ken Scherrieble: Okay, thanks.

193

00:24:11.430 --> 00:24:13.110

Ken Scherrieble: good night, thank you.

194

00:24:17.280 --> 00:24:20.310

Village of Parish: We usually have quarterly so we're meeting.

195

00:24:21.600 --> 00:24:22.350

Village of Parish: Every.

196

00:24:23.580 --> 00:24:29.850

Village of Parish: night we usually meet at six but he said he has a commitment so i'm going until 630 well that'd be.

197

00:24:31.440 --> 00:24:34.140

Village of Parish: A good weekend go through the paperwork before you get there.

198

00:24:34.440 --> 00:24:35.280

Jacque Murphy: We should be done.

199

00:24:36.390 --> 00:24:37.350

Village of Parish: To kind of questions.

200

00:24:39.240 --> 00:24:45.000

Village of Parish: All right, water library construction Jackie has gone looks like it's still.

201

00:24:46.470 --> 00:25:00.270

Jacque Murphy: Along then um they got they the snow foundation donated \$10,000 as long as they could receive matching grants and they met that goal, and they just received another grant so they're doing pretty well.

202

00:25:03.600 --> 00:25:05.130

Jacque Murphy: looks good, from what I can see.

203

00:25:06.960 --> 00:25:08.040

Jacque Murphy: that's about all I know.

204

00:25:10.710 --> 00:25:11.790

Village of Parish: That inside yeah.

205

00:25:13.740 --> 00:25:13.980

Jacque Murphy: they're not.

206

00:25:20.340 --> 00:25:20.910
Jacquie Murphy: Okay.

207
00:25:23.940 --> 00:25:24.930
All right, well, thank you.

208
00:25:37.530 --> 00:25:41.370
Village of Parish: For sitting there taking up space, so he wasn't going to.

209
00:25:45.180 --> 00:25:48.030
Village of Parish: be able to get back to the plant without a problem.

210
00:25:49.440 --> 00:25:50.100
Village of Parish: To be able to.

211
00:25:51.360 --> 00:25:51.720
Village of Parish: hear.

212
00:25:56.100 --> 00:26:01.170
Village of Parish: That and then and get that advertised and that's all to be good at.

213
00:26:06.540 --> 00:26:16.380
Village of Parish: It I found them, we do have a sign up at the pizza shop, but they still insist on parking beyond that sign well.

214
00:26:17.640 --> 00:26:25.410
Village of Parish: That sounds quite a ways back that's where it's supposed to be apparently no call no other signs the other signs only about.

215
00:26:28.050 --> 00:26:32.430
Village of Parish: Five feet wide it become this way okay.

216
00:26:33.750 --> 00:26:37.170
Village of Parish: The one size is no park near the corner is a car.

217
00:26:38.580 --> 00:26:49.590
Village of Parish: And same with me as energy and same, on the other one coming this way, the one where they got that one is almost Sri car.

218

00:26:50.760 --> 00:26:54.570

Village of Parish: Things away from the corner you wanna call of duty and tell.

219

00:26:56.400 --> 00:26:56.670

Village of Parish: You.

220

00:26:58.500 --> 00:27:01.470

Village of Parish: Why should I tell them, you know, like where's this put this line.

221

00:27:04.980 --> 00:27:08.160

Village of Parish: know what they do I think probably what happened was.

222

00:27:11.790 --> 00:27:15.600

Village of Parish: The people were there, so they just put the same wherever they could.

223

00:27:19.980 --> 00:27:20.070

Village of Parish: Not.

224

00:27:23.040 --> 00:27:23.430

Village of Parish: You know.

225

00:27:24.990 --> 00:27:25.530

i'm sure.

226

00:27:26.910 --> 00:27:44.220

Village of Parish: So the sinus and effective any way to present time I call them regarding the crosswalks here and they were supposed to put flashing lights in and I haven't progressed progress marks are the one right here in front of the building getting the Cross and being that 16.

227

00:27:46.170 --> 00:27:47.520

Village of Parish: flashing lights on crosswalk.

228

00:27:50.370 --> 00:27:53.130

Village of Parish: Yes or no see in places around.

229

00:27:54.240 --> 00:27:55.920

A little holes in them, they.

230

00:28:00.960 --> 00:28:01.890

Village of Parish: were supposed to put them up.

231

00:28:03.210 --> 00:28:05.220

Village of Parish: Right, so he is.

232

00:28:07.590 --> 00:28:25.770

Village of Parish: awesome as I call them, they said they for a bad week, so I again if i'm getting a response from them, but this one is to get across here and make traffic is, this is not what they're watching for a crosswalk here and they were one of the post office, where there is traffic but.

233

00:28:28.260 --> 00:28:33.630

Village of Parish: Right now you're at risk across here, even though it is that a corner.

234

00:28:35.790 --> 00:28:41.910

Village of Parish: Going on Christmas decorations Neil sale flyer yeah.

235

00:28:43.200 --> 00:28:45.150

Village of Parish: I think I give them the same place, I got.

236

00:28:46.800 --> 00:28:58.110

Village of Parish: One don't don't call him up he's they're doing any sales running well after Christmas yeah but not only here, I may order so now and then people after the.

237

00:28:59.550 --> 00:29:07.980

Village of Parish: Budget year, but I still got I still got almost 1000.

238

00:29:09.630 --> 00:29:15.750

Village of Parish: I found I found a little thousand so I got another thousand left so about two signs.

239

00:29:16.890 --> 00:29:27.150

Village of Parish: There were 11 some so I can buy two more scientists to get one and bring it down to one of the phrases bring it down a little bit actually what I want to do you know.

240

00:29:28.230 --> 00:29:29.250

If you guys are.

241

00:29:30.990 --> 00:29:34.740

Village of Parish: Is some more up, but not the same thing just something different.

242

00:29:35.760 --> 00:29:36.030

You know.

243

00:29:37.110 --> 00:29:43.230

Village of Parish: migrate in for the summer i'm going to ask them if they have any any any.

244

00:29:45.330 --> 00:29:46.140

With a banner.

245

00:29:47.310 --> 00:29:52.830

Village of Parish: And what I want to do is I will go to the vfw American legion.

246

00:29:53.910 --> 00:29:55.950

Village of Parish: and see we give people.

247

00:29:57.840 --> 00:30:03.090

Village of Parish: A little bit for putting their name on the sinuses veterans veteran so so.

248

00:30:04.230 --> 00:30:06.180

Village of Parish: It is a day we serve.

249

00:30:08.550 --> 00:30:12.390

Village of Parish: And what I have to talk, talk to him and how that all.

250

00:30:14.280 --> 00:30:16.560

Village of Parish: But I think that good good for our veterans.

251

00:30:20.430 --> 00:30:20.610

Oh.

252

00:30:21.900 --> 00:30:36.870

Village of Parish: Thank you so so we'll see what happens with that backing up a little bit on our road signs, I have a flyer here versatile and affordable they some of the communities have the speech on here, these are just.

253

00:30:38.130 --> 00:30:46.110

Village of Parish: Advertising type things but just for your information if we're interested \$5,000 to this kind of stuff what is it.

254

00:30:47.490 --> 00:30:55.710

Village of Parish: Going informs what everyone on to our most sense of community Center grand opening, so the Community town speed science.

255

Village of Parish: A lot.

256

00:30:58.680 --> 00:31:10.980

Village of Parish: roadwork maybe tell you the dates and the road work so to put on the sun, whatever we want to be just have to stop here that we put something out there that crumbles and bubbles in.

257

00:31:12.960 --> 00:31:15.720

Village of Parish: It do a lot of drama.

258

00:31:17.670 --> 00:31:21.090

Village of Parish: Here we are the voice goes put up a nice signer.

259

00:31:22.620 --> 00:31:23.040

Village of Parish: They might.

260

00:31:24.840 --> 00:31:32.790

Village of Parish: feel a bit, but it was put up there by the boy scout we didn't pay per penny of it and then taking down a couple years later.

261

00:31:33.630 --> 00:31:42.780

Village of Parish: Because they didn't want to put in another part where they could put it, the advertiser and the print was small enough, the real soon as you go by anyway, so that was proud of well.

262

00:31:44.190 --> 00:31:50.700

Village of Parish: I mean Community for Community part and there were supposed to be put on the corner.

272

00:32:58.260 --> 00:32:58.800

00:34:27.780 --> 00:34:30.390

Village of Parish: Well, correct, with neither self Defense.

287

00:34:33.990 --> 00:34:43.350

Village of Parish: repurposed to do that by giving your sega were up in and doing whatever they were doing, and they should they get came down around about three o'clock or two o'clock I don't know what I never hear.

288

00:34:44.400 --> 00:34:47.280

Village of Parish: me just put them in the past yeah.

289

00:34:50.370 --> 00:34:54.180

Village of Parish: All right, anything else for the unfinished business know.

290

00:34:56.490 --> 00:34:56.760

Some.

291

00:34:58.590 --> 00:34:59.460

Village of Parish: New business.

292

00:35:01.530 --> 00:35:06.480

Village of Parish: Preventative maintenance quote request apart, to sign and return did we get them.

293

00:35:11.520 --> 00:35:17.850

Village of Parish: to sign a return Dr generator six years old, major place in part, without possible failure to age.

294

00:35:19.200 --> 00:35:20.160

Village of Parish: Tom are you there.

295

00:35:26.820 --> 00:35:28.260

Tom Bullard: Yes, I am can you hear me.

296

00:35:30.990 --> 00:35:31.500

Jacquie Murphy: Yes.

297

00:35:32.970 --> 00:35:33.420

Jacquie Murphy: Okay.

298

00:35:34.590 --> 00:35:35.160

Village of Parish: That had to be.

299

00:35:37.020 --> 00:35:37.410

done.

300

00:35:39.930 --> 00:35:42.510

Tom Bullard: I saw I saw we did the I think.

301

00:35:43.620 --> 00:35:48.390

Tom Bullard: yeah the contract is signed i'll check with Dan tomorrow morning.

302

00:35:49.800 --> 00:35:51.810

Okay, good Thank you.

303

00:35:54.390 --> 00:35:54.960

All right.

304

00:35:56.220 --> 00:36:00.540

emergency plan public employer mandatory emergency plan is.

305

00:36:03.630 --> 00:36:05.430

supposed to be a team effort, a.

306

00:36:15.420 --> 00:36:16.980

Jacque Murphy: question about that is that.

307

00:36:19.980 --> 00:36:24.810

Jacque Murphy: Then, if governor Cuomo has something else to override anything that we do.

308

00:36:26.190 --> 00:36:26.910

Village of Parish: Probably.

309

00:36:27.990 --> 00:36:29.010

Jacque Murphy: Okay, come up with a.

310

00:36:30.360 --> 00:36:34.320

Anticipating another covert traces typing.

311

00:36:36.300 --> 00:36:46.950

Village of Parish: And all those questions that are in there, we have to the best of our ability, complete those questions and hope keep that plan available in an emergency.

312

00:36:47.490 --> 00:37:00.840

Village of Parish: it's nothing that we have to submit to him right now, this also include those see to train goes by and somehow it gets derailed is that part of this plan, no.

313

00:37:01.740 --> 00:37:03.120

Jacquie Murphy: This is just a healthy.

314

00:37:04.860 --> 00:37:12.960

Village of Parish: employer health emergency plan okay it's always it's does pertain to Coleman, but it also prepares you print the other.

315

00:37:16.560 --> 00:37:16.830

Village of Parish: cool.

316

00:37:20.220 --> 00:37:28.950

Village of Parish: Oh just thinking around how that would be you have a separate emergency does that well, I know I know good and that would be in that.

317

00:37:30.210 --> 00:37:36.720

Village of Parish: And you review that every so often and every five years and that's a good good thing to review and update but that's not what this is.

318

00:37:38.040 --> 00:37:43.140

Village of Parish: Just this is new, that the governor's come up with that we have to develop.

319

00:37:44.670 --> 00:37:45.360

Village of Parish: Coordinated.

320

00:37:46.470 --> 00:37:49.770

Village of Parish: Right so that's to go April 1.

321

00:37:51.600 --> 00:38:03.930

Village of Parish: few minor facilities inspection we had that done on November 30 and we're not needing to install security systems um what kinds of theories.

322

00:38:06.630 --> 00:38:07.410

Village of Parish: And buttons.

323

00:38:08.640 --> 00:38:22.530

Village of Parish: First alert if they're in crisis occurs, the Clarks probably even the judge to be included, did they say anything about the judge a courtroom see anything yeah but that they have that's the time we so.

324

00:38:24.270 --> 00:38:25.200

Village of Parish: In the building, nobody.

325

00:38:29.340 --> 00:38:33.060

Village of Parish: Would you have any suggestions that who would get in touch with to get that completed.

326

00:38:34.170 --> 00:38:48.120

Village of Parish: Not at all Okay, because it is we don't require and from the state, and all this just going to be your insurance company asking for something more than Steve you know recommendation, so any kind of security system or people, we can just give him a.

327

00:38:49.260 --> 00:38:58.590

Village of Parish: call on you know see what other companies have see what I don't even know us looking for, just like panic buttons for the parks and stuff and.

328

00:38:59.640 --> 00:39:05.280

Village of Parish: I just curious like if you have anybody that registers station, they were things around the next those are panic bodies.

329

00:39:07.650 --> 00:39:14.130

Village of Parish: Something like that I don't feel like that would be out there versus actually buying a whole system, we just need.

330

00:39:15.450 --> 00:39:23.280

Village of Parish: To stop sort of skeptic everyone there they're looking to cashiers they've all got necklaces with a little box on those are panic buttons.

331

00:39:24.120 --> 00:39:24.300

It.

332

00:39:28.320 --> 00:39:28.650

Village of Parish: would be.

333

00:39:30.450 --> 00:39:34.230

Village of Parish: Great I don't know how they work exactly I just know that's what they are.

334

00:39:35.310 --> 00:39:40.320

Village of Parish: If I will be I will be automatically will set off the alarm for the fire department.

335

00:39:41.460 --> 00:39:46.290

Village of Parish: It could be, I guess, I don't say there are a gas station and.

336

00:39:47.430 --> 00:39:52.920

Village of Parish: If you go to panic you sure not going to panic over okay somebody walking around robbery.

337

00:39:54.060 --> 00:40:06.390

Village of Parish: robbery oil that you yeah I don't know it's more for like well what the rap seeing them that, how would you do all that just said yes, you see them but they're, also in terms of the current right.

338

00:40:07.680 --> 00:40:15.900

Village of Parish: it's like you walk in you see you walking to the gas station, or something or anywhere, you see security cameras to determine what works and I you don't know that's the time.

339

00:40:23.430 --> 00:40:26.160

Village of Parish: That will be effective okay.

340

00:40:27.270 --> 00:40:27.810

Right.

341

00:40:29.220 --> 00:40:32.940

Village of Parish: need to do that pretty soon, because you may have to put some money in.

342

00:40:34.770 --> 00:40:35.040

Village of Parish: yeah.

343

00:40:36.450 --> 00:40:37.950

Village of Parish: Right right.

344

00:40:42.750 --> 00:40:45.030

Village of Parish: Right somebody keeping an eye on that.

345

00:40:46.110 --> 00:40:46.350

Village of Parish: As.

346

00:40:47.700 --> 00:40:48.300

Village of Parish: I know.

347

00:40:49.980 --> 00:41:01.560

Village of Parish: gonna find very fast, are we gonna sell ivector I haven't heard from him and we detained discussion on until Tom had a chance to look at it you've been in and look down.

348

00:41:02.730 --> 00:41:10.410

Village of Parish: Here right, because I know Mr fuller is going to call you on Monday he's gonna want to know what we decided and.

349

00:41:11.430 --> 00:41:27.390

Village of Parish: I presumably an agreement to get rid of it and receiving inside or beyond beyond beyond our budget, well, I think that just says it's realistically can be outside of anything that we kind of order to anyone or paying the electric anywhere else on realistically just to draw.

350

00:41:27.690 --> 00:41:29.280

Jacque Murphy: I knew support right now so.

351

00:41:30.600 --> 00:41:34.650

Village of Parish: yeah I personally think that we ought to take money out.

352

00:41:34.920 --> 00:41:35.700

Jacque Murphy: yeah I agree.

353

00:41:37.830 --> 00:41:38.340

Jacque Murphy: I agree.

354

00:41:42.090 --> 00:41:42.480

I agree.

355

00:41:45.510 --> 00:41:59.310

Village of Parish: With that too much for him to decide, maybe he's got a buyer maybe a buyer either way back in cash flows post money back in the

village or you know somebody to use it, yet you saw him really committed to that process money or.

356

00:42:00.360 --> 00:42:01.320

Village of Parish: Something back into the.

357

00:42:16.530 --> 00:42:17.730

Village of Parish: monitoring system.

358

00:42:22.200 --> 00:42:24.780

Village of Parish: I can't think of a monitoring system down in Syracuse.

359

00:42:25.950 --> 00:42:27.780

Village of Parish: or something like that something like that yeah.

360

00:42:28.920 --> 00:42:31.980

Village of Parish: So you'd have to pay a yearly cost for.

361

00:42:33.570 --> 00:42:34.590

Village of Parish: Every monitoring.

362

00:42:37.350 --> 00:42:38.370

Village of Parish: Service try.

363

00:42:42.930 --> 00:42:44.400

Village of Parish: This one I just looked up I don't.

364

00:42:52.890 --> 00:42:54.330

Village of Parish: know about.

365

00:42:55.890 --> 00:42:55.980

Jacque Murphy: This.

366

00:43:17.610 --> 00:43:31.260

Village of Parish: Monitoring System 1500 2200 a year to.

367

00:43:37.620 --> 00:43:38.910

take into consideration.

368

00:43:46.830 --> 00:43:49.140

When you're in the bank check to make.

369

00:43:51.390 --> 00:43:52.290

temperatures and.

370

00:43:53.760 --> 00:43:57.240

Only extra damage your water getting in anywhere damage is done but.

371

00:44:00.870 --> 00:44:03.390

Village of Parish: don't fall through the floor is don't walk on all the floor.

372

00:44:04.080 --> 00:44:04.560

Jacque Murphy: One of those.

373

00:44:05.940 --> 00:44:14.280

Village of Parish: One of those offices that supposed to be tread upon well, I think that my opinion so in the circus.

374

00:44:15.600 --> 00:44:16.170

Village of Parish: circus.

375

00:44:17.490 --> 00:44:21.060

Village of Parish: You know they put the put the put the road down they put a piece of.

376

00:44:22.740 --> 00:44:25.860

Village of Parish: claiming it down there and I think it's a laminated home.

377

00:44:27.450 --> 00:44:34.890

Village of Parish: Tonight i've done it and I notice it was after we're done, you can go okay God created you liked it.

378

00:44:36.300 --> 00:44:36.570

Village of Parish: So.

379

00:44:38.220 --> 00:44:40.830

Village of Parish: Take a look at the base and just see what's happening down there.

380

00:44:43.980 --> 00:44:46.710

Village of Parish: Still dry and fighting the ladies.

381

00:44:47.790 --> 00:45:01.530

Village of Parish: Alright, a budget meetings or scheduled for start 25th of January and we'll start with the sewer session in each Monday following weather permitting and this 25th is.

382

00:45:03.660 --> 00:45:05.820

Village of Parish: Planning so we'll meet in the office.

383

00:45:08.070 --> 00:45:08.970

Village of Parish: Come on yeah.

384

00:45:09.990 --> 00:45:11.310

Village of Parish: I got the office.

385

00:45:18.870 --> 00:45:20.310

Village of Parish: Planning board is in here so.

386

00:45:22.650 --> 00:45:24.480

Village of Parish: We made it six.

387

00:45:25.650 --> 00:45:26.940

Village of Parish: Money for about an hour.

388

00:45:28.980 --> 00:45:34.410

Village of Parish: All right, remember 2021 election, we need an amendment to.

389

00:45:36.330 --> 00:45:43.110

Village of Parish: Where do you stand festival alternate polling location do to cover the enclosure.

390

00:45:44.460 --> 00:45:48.120

Village of Parish: And that we have done that we were going to have the election here but.

391

00:45:49.680 --> 00:45:54.450

Village of Parish: You need an alternate site and it's good we can open it up for one day now.

392

00:45:55.710 --> 00:46:12.150

Village of Parish: So we will go on to an auction site, and it is all done, we can advertise for here, but as of right now it's closed and i'll go to dinner yeah the next church, if I can open it up to one movie now people come in, or not.

00:46:35.130 --> 00:46:35.580

church.

396

00:46:40.110 --> 00:46:40.650

Village of Parish: Churches of.

397

00:46:47.940 --> 00:46:59.130

Village of Parish: The voting cycle alright 21 election resolution designating Poland specters Patmos and can't suffer ready honey.

406

00:48:04.470 --> 00:48:09.360

Village of Parish: yeah we might get one for that, but you may have to wait.

407

00:48:10.260 --> 00:48:10.680

Okay.

408

00:48:12.750 --> 00:48:13.800
