19144894127: I just wanted to make sure that you got the email, I sent out regarding.

18

00:11:19.230 --> 00:11:27.000
19144894127: Those two questions we had about the chlorine meter and the blower's additional costs or.

19

00:11:30.180 --> 00:11:36.660
19144894127: installation probably about 1200 dollars per corey meter and about 20 \$500 per blower slash VIP.

20

00:11:38.070 --> 00:11:38.340
19144894127: So.

21

00:11:38.370 --> 00:11:39.540
Jackie Murphy: That was what I wanted to make.

22

00:11:39.540 --> 00:11:40.980
19144894127: sure that added.

23

00:11:46.380 --> 00:11:46.740
Okay.

24

00:11:48.780 --> 00:11:49.410

Jackie Murphy: find the line.

25

00:11:50.460 --> 00:11:53.580

Jackie Murphy: Because I added one line in there and I added the line.

26

00:11:54.780 --> 00:11:59.070

Jackie Murphy: At 134 or five one is the blower's into bfd.

27

00:11:59.190 --> 00:12:01.830

Jackie Murphy: that's going to 7700.

28

00:12:02.850 --> 00:12:03.660

Jackie Murphy: Can you hear him.

29

00:12:04.710 --> 00:12:06.240

19144894127: Yes, okay.

30

00:12:07.920 --> 00:12:09.000

Jackie Murphy: Okay, so I.

31

00:12:10.020 --> 00:12:14.550

Jackie Murphy: thought that was great have 77 100 down that was based on our prior discussions in your little.

32

00:12:17.280 --> 00:12:18.630

Jackie Murphy: spreadsheet piece of paper.

33

00:12:20.520 --> 00:12:24.810

19144894127: Right and so, then when I went back because the question came.

34

00:12:27.090 --> 00:12:32.430

19144894127: I just lost it I just had it I just lost it the question came What about.

35

00:12:35.070 --> 00:12:37.260

19144894127: installation and there was.

36

00:12:39.540 --> 00:12:43.320

19144894127: Oh come on don't you just love when you've got something and then it disappears.

37

00:12:44.130 --> 00:12:44.610

yeah.

38

00:12:50.880 --> 00:12:53.370

Jackie Murphy: Well i'm gonna copy your email.

39

00:12:53.580 --> 00:12:54.750

Jackie Murphy: that's what you're looking for.

40

00:12:54.780 --> 00:12:57.750

19144894127: Okay yeah yeah it says.

41

00:12:58.350 --> 00:13:00.330

Jackie Murphy: Number one with what is the actual cost.

42

00:13:00.330 --> 00:13:03.150

Jackie Murphy: of corn meter, and these are additional costs for escalation answer.

43

00:13:03.600 --> 00:13:04.590

Jackie Murphy: 60 to 50.

44

00:13:04.620 --> 00:13:08.640

Jackie Murphy: Each installation not included, it would be an additional 1200 each.

45

00:13:09.450 --> 00:13:10.350

Jackie Murphy: So security.

46

00:13:11.070 --> 00:13:12.240

Jackie Murphy: Okay, so.

47

00:13:13.590 --> 00:13:25.620

Jackie Murphy: That means that that line if that's where that line is going then 62 and 62 is way under 7700 and definitely 2400 is not there either.

48

00:13:27.030 --> 00:13:27.330

19144894127: Right.

49

00:13:31.680 --> 00:13:34.560

Jackie Murphy: At 134 or five one page.

50

00:13:36.240 --> 00:13:36.570

Jackie Murphy: yeah.

51

00:13:39.630 --> 00:13:39.900

let's.

52

00:13:45.090 --> 00:13:51.150

Jackie Murphy: put it in there, and if you look to your rights it's all zeros across the board, except to get to seven 700 so.

53

00:13:54.510 --> 00:13:55.050

Jackie Murphy: Okay.

54

00:13:55.830 --> 00:13:58.830

19144894127: So that would only handle one of those units, or one of the.

55

00:14:00.060 --> 00:14:02.670

19144894127: Lower actual cost is only discussions just.

56

00:14:02.670 --> 00:14:03.510

19144894127: don't want to hear.

57

00:14:03.750 --> 00:14:05.010

Jackie Murphy: Because it was just too much yeah.

58

00:14:06.390 --> 00:14:08.070

19144894127: yeah exactly.

59

00:14:10.680 --> 00:14:12.870

Jackie Murphy: Right that's why we have 7700.

60

00:14:13.170 --> 00:14:15.060

Jackie Murphy: are just going to be the one okay.

61

00:14:16.470 --> 00:14:18.210

Jackie Murphy: Alright well good to.

62

00:14:18.960 --> 00:14:25.980

Jackie Murphy: See you later we got about 60 to 5500.

63

00:14:27.870 --> 00:14:31.800

Jackie Murphy: I get 7074 50 so 7700 should cover one right.

64

00:14:38.310 --> 00:14:39.870

19144894127: yep okay.

65

00:14:41.400 --> 00:14:43.020

Jackie Murphy: we're putting it in yeah come.

66

00:14:43.230 --> 00:14:44.070

Jackie Murphy: To come under.

67

00:14:45.300 --> 00:14:46.170

Jackie Murphy: know that line item.

68

00:14:47.520 --> 00:14:51.420

Jackie Murphy: associated with that being that line item get pregnant shall come on.

69

00:14:53.490 --> 00:14:53.940

Jackie Murphy: Your spot.

70

00:14:56.400 --> 00:14:56.760

Where.

71

00:15:01.860 --> 00:15:04.680

Jackie Murphy: We wouldn't be if you're installing yeah you're right.

72

00:15:05.850 --> 00:15:11.940

Jackie Murphy: I mean, yes there's peace already there but you're placing a plate you're buying it also put it under.

73

00:15:14.850 --> 00:15:15.300

Jackie Murphy: Building.

74

00:15:18.420 --> 00:15:21.630

Jackie Murphy: yeah down from the plant putting it on the.

75

00:15:24.360 --> 00:15:29.550

Jackie Murphy: Maintenance line, which already has another one there for for upgrading thanks.

76

00:15:33.060 --> 00:15:36.450

Jackie Murphy: Dr improvement but there's another name for.

77

00:15:40.080 --> 00:15:41.070

Jackie Murphy: Capital improvement.

78

00:15:45.570 --> 00:15:47.430

Jackie Murphy: it's not a capital letter right.

79

00:15:48.570 --> 00:16:00.540

Jackie Murphy: Capital improvement would be anything that capital improvement usually come from the capital approval will be like when we put a new roof up here right that's a capital improvement, if you put a new.

80

00:16:03.450 --> 00:16:04.620

Jackie Murphy: furnace downstairs so.

81

00:16:05.970 --> 00:16:08.430

Jackie Murphy: I would say no, as maintenance always happen.

82

00:16:11.010 --> 00:16:18.060

Jackie Murphy: Well we're putting a brand new it's more efficient their parts of Bourbon it's a it's a fine line, but it you.

83

00:16:19.050 --> 00:16:20.280

19144894127: know, but you are okay.

84

00:16:20.310 --> 00:16:22.050

Jackie Murphy: Well there's already 13 it's sort of your.

85

00:16:23.250 --> 00:16:28.650

Jackie Murphy: Well you've got 13,000 people on stage fright means you've got 13,000 but now i'm capital improvements.

86

00:16:29.790 --> 00:16:31.320

Jackie Murphy: We got five.

87

00:16:39.390 --> 00:16:44.250

19144894127: I would definitely put a blower in capital programs because that's going to reduce your energy consumption.

88

00:17:05.970 --> 00:17:06.270

Jackie Murphy: line.

89

00:17:11.610 --> 00:17:20.970

Jackie Murphy: Oh, we got one for the for the general Yes, some things are allowed in the general but not super like yeah you can't ever continues to run over here on the suicide yeah.

90

00:17:23.790 --> 00:17:26.340

Jackie Murphy: The extra money on the lines.

91

00:17:28.410 --> 00:17:30.060

Jackie Murphy: Just can't call it out yeah I.

92

00:17:31.620 --> 00:17:32.730

Jackie Murphy: wouldn't be beneficial.

93

00:17:36.660 --> 00:17:39.600

Jackie Murphy: could be best again provided it's allowed that I can.

94

00:17:41.070 --> 00:17:47.610

Jackie Murphy: If it if it's allowed for me to use it any accounting program to put into the suicide it didn't even happen.

95

00:17:48.750 --> 00:17:49.740

Jackie Murphy: For me.

96

00:17:50.760 --> 00:17:56.970

Jackie Murphy: which I don't understand why they don't do that now they're saying that they want us to have money set aside for improvement.

97

00:17:59.100 --> 00:18:01.440

Jackie Murphy: So we don't go into almost.

98

00:18:02.610 --> 00:18:04.770

Jackie Murphy: Killing me down there that had to be building.

99

00:18:08.280 --> 00:18:08.670
19144894127: Right.

100
00:18:10.350 --> 00:18:10.860
19144894127: Correct.

101
00:18:14.820 --> 00:18:15.150
Jackie Murphy: Correct.

102
00:18:31.350 --> 00:18:32.310
Jackie Murphy: Usually takes us.

103
00:18:37.980 --> 00:18:38.640
Jackie Murphy: expectation.

104
00:18:40.530 --> 00:18:42.690
Jackie Murphy: Was that are reading a second question.

105
00:18:42.690 --> 00:18:44.700
Jackie Murphy: It says, will there be any modification to the.

106
00:18:44.700 --> 00:18:45.360
Jackie Murphy: New blowers and.

107
00:18:45.420 --> 00:18:45.990
19144894127: answer is.

108
00:18:46.440 --> 00:18:53.520
Jackie Murphy: There may be minor modifications, where the blower meets the piping, we expect to cross additional 2500 for blower to do to install.

109
00:18:54.990 --> 00:18:55.560
Jackie Murphy: As far as.

110
00:18:55.680 --> 00:18:57.630
Jackie Murphy: 24 slash be of each.

111
00:18:57.630 --> 00:19:01.110
Jackie Murphy: muscle to do the electrical and piping modification work.

112

00:19:03.900 --> 00:19:04.290
19144894127: Now.

113
00:19:07.230 --> 00:19:07.950
Jackie Murphy: I mean there is.

114
00:19:10.590 --> 00:19:14.880
Jackie Murphy: there's 13,000 on a plant maintenance, obviously, those are at the plant so.

115
00:19:17.760 --> 00:19:18.300
19144894127: What was.

116
00:19:18.810 --> 00:19:19.170
Jackie Murphy: What was the.

117
00:19:20.640 --> 00:19:20.910
Jackie Murphy: What was.

118
00:19:24.390 --> 00:19:24.810
The plan.

119
00:19:28.380 --> 00:19:29.430
19144894127: yeah there was.

120
00:19:30.630 --> 00:19:32.970
19144894127: Some doors and all kinds of good.

121
00:19:33.360 --> 00:19:38.370
Jackie Murphy: yeah \$2 \$2 that I know I know that the other ones they don't look that bad.

122
00:19:39.120 --> 00:19:39.930
Jackie Murphy: But the two.

123
00:19:41.310 --> 00:19:42.870
Jackie Murphy: In the chemical room I guess that's what they.

124
00:19:42.870 --> 00:19:43.200
Call.

125

00:19:44.610 --> 00:19:47.640

Jackie Murphy: yeah we're gonna I looked at those are really rusty on the.

126

00:19:47.640 --> 00:19:47.910

bottom.

127

00:19:49.320 --> 00:19:49.890

19144894127: So.

128

00:19:52.650 --> 00:19:55.260

Jackie Murphy: Tom and I talked about it here about two weeks ago.

129

00:19:56.580 --> 00:19:58.410

Jackie Murphy: You talked to him so you're.

130

00:20:00.780 --> 00:20:04.260

19144894127: Not nothing, nothing changed since you spoke.

131

00:20:08.040 --> 00:20:09.660

19144894127: Nothing different, the only thing.

132

00:20:10.770 --> 00:20:24.000

19144894127: Was each one of those blowers, is about to blow us for 12,006 so explorers about 60 \$300 the fees are about 1400 piece, it looks like.

133

00:20:25.020 --> 00:20:32.520

19144894127: And then you know at them again that was another thing we said, well, we can do one this year possible and then just phase it in over the next couple years.

134

00:20:35.700 --> 00:20:48.930

19144894127: So each a blower and VSE set is going to cost, you probably about that close to 13,000 we're going to 16 to 14 7025 probably about 90 \$500 each total.

135

00:20:51.870 --> 00:20:52.200

Rather.

136

00:20:57.750 --> 00:21:00.150

19144894127: than we had a couple of doors for a couple thousand bucks.

137

00:21:01.980 --> 00:21:02.730
i'm.

138

00:21:05.880 --> 00:21:06.270
19144894127: Already.

139

00:21:06.510 --> 00:21:08.310
Jackie Murphy: door you're already covered under around.

140

00:21:09.510 --> 00:21:11.910
Jackie Murphy: Building maintenance we're actually yeah.

141

00:21:12.000 --> 00:21:12.360
Okay.

142

00:21:15.750 --> 00:21:22.920
Jackie Murphy: So we're buying okay so we're buying a blowers in the VIP
each under this 7700 okay.

143

00:21:24.000 --> 00:21:28.290
Jackie Murphy: But okay that's 40 meters, but we don't have a life before
me meters.

144

00:21:32.340 --> 00:21:33.810
Jackie Murphy: How much are they calling me years ago.

145

00:21:34.620 --> 00:21:35.400
Jackie Murphy: he's got an answer.

146

00:21:37.080 --> 00:21:46.380
Jackie Murphy: installation each I think we decided that we weren't going
to do the corn years because it was just that I remember correctly, it
was conversation we had.

147

00:21:49.620 --> 00:21:54.360
Jackie Murphy: Because at least one i'm just gonna i'm just wondering
what I thought we talked about.

148

00:21:55.650 --> 00:22:04.050
Jackie Murphy: Well, I know I talked about it, he goes this probably by
using the meters you cut back on someone you're.

149

00:22:05.820 --> 00:22:06.210

Jackie Murphy: Right.

150

00:22:07.890 --> 00:22:09.390

Jackie Murphy: that's your mom which chemicals.

151

00:22:12.750 --> 00:22:13.230

Jackie Murphy: I am.

152

00:22:18.600 --> 00:22:23.100

19144894127: yeah I think the conversation we had last time was.

153

00:22:25.260 --> 00:22:31.410

19144894127: You know if we can't do both at rather have a lower than a Korean leader, we will survive without a Korean meter.

154

00:22:32.820 --> 00:22:42.480

19144894127: lowers are really you know it, I said, if you put a gun to my head and says, which can which one can you ask that one which one I said, give me blower so.

155

00:22:42.630 --> 00:22:43.230

19144894127: I think that.

156

00:22:43.800 --> 00:22:48.660

Jackie Murphy: I think that's why we chose to do the blower and the vfw are PhDs and we're a whole lot on the.

157

00:22:49.950 --> 00:22:50.910

Jackie Murphy: examiner yeah.

158

00:22:51.810 --> 00:22:52.800

Jackie Murphy: it's all the next year.

159

00:22:54.150 --> 00:22:54.420

19144894127: Okay.

160

00:22:56.580 --> 00:22:57.780

19144894127: yeah so.

161

00:23:02.610 --> 00:23:13.320

19144894127: And I think that's what we came up with the 7700 but we didn't realize that that the installation was not included so hold on just give me one second.

162

00:23:14.910 --> 00:23:15.990
6300.

163

00:23:19.380 --> 00:23:20.130
Jackie Murphy: See, we were.

164

00:23:20.400 --> 00:23:23.580
Jackie Murphy: Time and I looked at the doors and I looked at the bottom of my pretty rusty.

165

00:23:24.210 --> 00:23:24.720
Jackie Murphy: Because he said.

166

00:23:24.960 --> 00:23:25.410
yeah.

167

00:23:26.580 --> 00:23:31.350
Jackie Murphy: So we're going to replace and then the other doors we're just going to put new hardware on.

168

00:23:31.650 --> 00:23:32.610
Jackie Murphy: To put new ones in there.

169

00:23:32.820 --> 00:23:44.580
19144894127: gotcha so that that 70 \$700 was for a blower, but we have to, we have to increase it by 20 \$500 for installation so 7700 pays for the equipment.

170

00:23:44.610 --> 00:23:45.840
places one image.

171

00:23:47.490 --> 00:23:48.210
19144894127: For installation.

172

00:23:49.230 --> 00:23:49.830
19144894127: Electrical.

173

00:23:51.120 --> 00:23:53.220

19144894127: Electrical typing on occasions.

174

00:23:54.780 --> 00:23:59.400

19144894127: They may come in less than that Neil I don't know i'm just you know given up a.

175

00:24:00.270 --> 00:24:01.650

Jackie Murphy: blurb eft I don't want to.

176

00:24:02.670 --> 00:24:04.440

Jackie Murphy: give no, no, I.

177

00:24:04.740 --> 00:24:06.060

Jackie Murphy: I understand i'm just.

178

00:24:15.420 --> 00:24:17.880

Jackie Murphy: I think we're all I think we're pretty well set for this year.

179

00:24:18.900 --> 00:24:23.130

Jackie Murphy: I think we had some some columns here, just in case.

180

00:24:28.350 --> 00:24:31.320

Jackie Murphy: You got 5000 on equipment maintenance.

181

00:24:44.880 --> 00:24:45.300

Jackie Murphy: spend.

182

00:24:46.560 --> 00:24:47.610

Jackie Murphy: 1000 bucks over.

183

00:24:49.800 --> 00:24:52.800

Jackie Murphy: Here yeah I mean we do have my friend Eric I do.

184

00:24:54.870 --> 00:24:58.770

Jackie Murphy: I think we're good, we should have enough in there to cover that.

185

00:25:01.740 --> 00:25:02.370

Jackie Murphy: Like that one.

186

00:25:04.740 --> 00:25:06.390
Jackie Murphy: A great couple doors.

187
00:25:11.490 --> 00:25:12.180
Jackie Murphy: Down there right.

188
00:25:17.310 --> 00:25:19.980
19144894127: Oh security cameras yeah yeah.

189
00:25:21.660 --> 00:25:26.400
19144894127: We put those are cheap security cameras and put down there that's that's not a big deal.

190
00:25:29.190 --> 00:25:30.810
Jackie Murphy: If you ran a line on.

191
00:25:31.980 --> 00:25:39.270
Jackie Murphy: Be at the glorious and you still got 77 there and then he's got plenty of maintenance itself at 13,000 so over.

192
00:25:39.870 --> 00:25:40.350
Here we.

193
00:25:41.490 --> 00:25:42.540
19144894127: We should be OK.

194
00:25:45.180 --> 00:25:49.680
Jackie Murphy: Now we just take time and put them on hold and people don't think.

195
00:25:58.860 --> 00:25:59.670
Jackie Murphy: thing is ours.

196
00:26:01.500 --> 00:26:02.370
19144894127: Our fundraiser.

197
00:26:09.330 --> 00:26:11.790
19144894127: That was about all I had unless you've got something for me.

198
00:26:16.440 --> 00:26:17.100
Jackie Murphy: yeah I do.

199

00:26:20.520 --> 00:26:21.660

Jackie Murphy: send us a copy.

200

00:26:23.880 --> 00:26:25.860

Jackie Murphy: What we're gonna do change right.

201

00:26:29.940 --> 00:26:35.100

19144894127: We let it warm up a little bit, so I can get into that thing and really examine everything.

202

00:26:35.820 --> 00:26:36.930

19144894127: Okay, get it off to you.

203

00:26:40.500 --> 00:26:41.070

Next month.

204

00:26:47.610 --> 00:26:49.650

Jackie Murphy: Some that they gave me the other day.

205

00:26:51.870 --> 00:26:52.830

19144894127: That part of the sword.

206

00:26:54.390 --> 00:26:54.720

yep.

207

00:26:56.940 --> 00:26:58.050

19144894127: it's gonna be a big project.

208

00:27:01.980 --> 00:27:05.190

19144894127: get into that in the next couple of weeks, probably.

209

00:27:06.390 --> 00:27:06.960

19144894127: April.

210

00:27:08.040 --> 00:27:11.340

19144894127: You know, when I don't have to freeze and.

234

00:29:03.060 --> 00:29:06.660

Jackie Murphy: just say, for his increase.

235

00:29:08.460 --> 00:29:15.120

Jackie Murphy: that when we come up with your point to one yeah because it was 50,000 for me this amazing.

236

00:29:21.480 --> 00:29:30.180

Jackie Murphy: His budget know his his his contract operation you conduct operations to have insufficient was a contract.

237

00:29:32.490 --> 00:29:33.120

Jackie Murphy: specifies.

238

00:29:43.980 --> 00:29:44.070

Jackie Murphy: and

239

00:29:45.690 --> 00:29:50.760

Jackie Murphy: Find \$5 in Israel, I was brought up to 62 right you could calculate it.

240

00:29:52.410 --> 00:29:53.130

Jackie Murphy: anywhere don't worry.

241

00:30:00.150 --> 00:30:01.380

Jackie Murphy: i'll just finished up the contract.

242

00:30:02.550 --> 00:30:03.990

Jackie Murphy: theory I don't know if I brought.

243

00:30:06.660 --> 00:30:08.880

Jackie Murphy: It might have been on a little spreadsheet you can.

244

00:30:09.990 --> 00:30:10.320

Jackie Murphy: Do it.

245

00:30:13.170 --> 00:30:16.050

Jackie Murphy: should probably be an increase of 2% of your.

246

00:30:19.410 --> 00:30:24.450

Jackie Murphy: contract with right but I mean that's i'm just curious contract says, do not.

247

00:30:25.530 --> 00:30:26.970

Jackie Murphy: Get too sorry contract says.

248

00:30:29.670 --> 00:30:29.940

Jackie Murphy: I don't.

249

00:30:49.020 --> 00:30:49.860

Jackie Murphy: contract for nope.

250

00:30:51.780 --> 00:30:56.970

Jackie Murphy: let's see what's next year 22 I think it might be next year.

251

00:31:11.970 --> 00:31:13.230

Jackie Murphy: I mean that it didn't break.

252

00:31:14.310 --> 00:31:18.210

Jackie Murphy: I asked him, you know, every time I go down here I says what's wrong with this.

253

00:31:21.120 --> 00:31:23.550

Jackie Murphy: Air compressor well, they said is broken.

254

00:31:27.210 --> 00:31:28.710

Jackie Murphy: You gotta hope that by working fine.

255

00:31:29.730 --> 00:31:32.190

Jackie Murphy: You mean so so look like a number of open up.

256

00:31:37.380 --> 00:31:41.760

Jackie Murphy: The doors are just like we're just laying there to be you know.

257

00:31:43.560 --> 00:31:48.870

Jackie Murphy: And according to somebody that they broke held a blue SUP mine.

258

00:31:51.090 --> 00:32:01.920

Jackie Murphy: And I said well did that and how come they didn't take it back in the manufacturer, we have one login can argue back and forth about what it was broken or not, who did.

259

00:32:04.140 --> 00:32:08.640

Jackie Murphy: When I was here, what does it look what i've said it wasn't it was never used.

260

00:32:09.930 --> 00:32:17.820

Jackie Murphy: yeah But then what was going on, but it was never hooked up right, I know that, according to what I was told no rain, but they said.

261

00:32:18.870 --> 00:32:19.710

Jackie Murphy: That it was hooked up.

262

00:32:21.390 --> 00:32:21.810

Jackie Murphy: Right and.

263

00:32:24.570 --> 00:32:29.700

Jackie Murphy: And it sounds it was never hooked up well, I believe that right and I forced me to do.

264

00:32:31.140 --> 00:32:35.040

Jackie Murphy: I said we gotta get this Doc we got it it's all good let's get rid of.

265

00:32:36.360 --> 00:32:36.630

Jackie Murphy: It.

266

00:32:39.990 --> 00:32:45.480

Jackie Murphy: Because I figured whatever wrong with that right, but it works yeah.

267

00:32:48.360 --> 00:32:55.710

Jackie Murphy: i'm so tired Thompson didn't work, so they can blow the line dollar bottle bottle but that's what they use this one right this moment looks like crap.

268

00:32:58.770 --> 00:32:59.970

Jackie Murphy: Basically, overall, via.

269

00:33:02.640 --> 00:33:04.950

Jackie Murphy: Your appropriations, but if you look on your page trigger.

270

00:33:10.080 --> 00:33:16.590

Jackie Murphy: The current budget this year that we're currently operating under 177 68 went up to 196 so basically only up 10%.

271

00:33:18.780 --> 00:33:29.460

Jackie Murphy: If you've got a lot of like your principal principal on the depths of and yet on the key bank loan, the principal came down from so principal and interest came down.

272

00:33:30.780 --> 00:33:41.040

Jackie Murphy: To save your your you save some money on the 33% decrease on the inhibitors 100% increase on the permit the hall wastewater.

273

00:33:42.900 --> 00:33:49.650

Jackie Murphy: 100% decrease on each of the three vehicle lines fuel industry insurance i'm.

274

00:33:51.240 --> 00:33:52.860

Jackie Murphy: asking others to sin right there.

275

00:33:54.930 --> 00:33:59.220

Jackie Murphy: But other than that you can see, on your 2% chance on the far right hand column yep.

276

00:34:03.540 --> 00:34:04.770

Jackie Murphy: And you know.

277

00:34:07.470 --> 00:34:08.100

Jackie Murphy: i've been fortunate.

278

00:34:09.690 --> 00:34:09.960

Jackie Murphy: yeah.

279

00:34:13.980 --> 00:34:15.450

Jackie Murphy: Other do you know, the only thing.

280

00:34:20.460 --> 00:34:34.290

Jackie Murphy: Going on the revenue side that we have direct control over the sewer rate so great and that's still keeping it at 155 50 per quarter time or 622 years times 216.75 units.

281

00:34:36.360 --> 00:34:36.720

Jackie Murphy: We know.

282

00:34:38.340 --> 00:34:46.890

Jackie Murphy: We have some reason quite a bit yeah oh hello, I guess you guys might want to do this, put this on the discussion on the Wednesday meeting.

283

00:34:48.090 --> 00:34:52.650

Jackie Murphy: That is there's there's a discrepancy I don't know i'd have to look into civil other figure out why but.

284

00:34:53.820 --> 00:35:04.110

Jackie Murphy: We have two churches in the village right on the sewer and the Presbyterian church isn't one is one unit, the Methodist Church is only afford or you.

285

00:35:05.670 --> 00:35:06.810

Jackie Murphy: know I don't know how I got.

286

00:35:08.610 --> 00:35:21.000

Jackie Murphy: methods in real so in the interest of equity to keep that one, yes, but I made changes since that went through with that one and a quarter.

287

00:35:22.200 --> 00:35:22.980

Jackie Murphy: Many changes.

288

00:35:24.300 --> 00:35:25.230

Jackie Murphy: Each church has.

289

00:35:26.910 --> 00:35:32.610

Jackie Murphy: A gathering home with a bathroom and kitchen or two bathrooms in the kitchen.

290

00:35:33.930 --> 00:35:40.260

Jackie Murphy: This church has their gather your kitchen is downstairs that's up there, what do the Catholic Church work.

291

00:35:45.210 --> 00:35:46.050

Jackie Murphy: one.

292

00:35:47.790 --> 00:36:01.020

Jackie Murphy: Maybe two to i'd have to go back doesn't doesn't make yeah I just want to know why why the Methodist church I don't know it's always it's it's been a quarter and now that we're looking at our sewer units ago.

293

00:36:02.250 --> 00:36:04.350

Jackie Murphy: yeah so does anybody else have.

294

00:36:07.620 --> 00:36:08.010

Jackie Murphy: A couple.

295

00:36:10.290 --> 00:36:11.700

Jackie Murphy: Cheese factory yeah.

296

00:36:13.560 --> 00:36:15.690

Jackie Murphy: You guys have he's either have per quarter.

297

00:36:17.520 --> 00:36:19.140

Jackie Murphy: The Greens building down every.

298

00:36:20.280 --> 00:36:21.900

Jackie Murphy: quarter, a quarter or half.

299

00:36:24.600 --> 00:36:30.870

Jackie Murphy: doesn't have any water, because I have a facilities bathroom yes just during stores.

300

00:36:33.900 --> 00:36:39.600

Jackie Murphy: I have to look for sure why it's in the office I just haven't updated yet, with the loss of these two but.

301

00:36:45.480 --> 00:36:59.100

Jackie Murphy: I mean we adjusted, for we don't run the school clothes and by a search to go, that was a loss of but we already can't be good for that part in the next year's budget, with the loss of them, so now how much are we getting from.

302

00:37:01.770 --> 00:37:08.430

Jackie Murphy: 15 or 25 believe it's 10 minutes exactly exactly thing that used to be 39 well I know.

305

00:37:25.680 --> 00:37:26.130

Jackie Murphy: You know what.

306

00:37:31.380 --> 00:37:33.270

Jackie Murphy: that's not for the public information.

307

00:37:34.410 --> 00:37:35.250

Jackie Murphy: The way we're not.

308

00:37:36.840 --> 00:37:45.840

Jackie Murphy: we're not yeah well he's, even though I will agree with me, oh he's even don't take freaky freaky paranoid.

309

00:37:48.240 --> 00:37:57.090

311

00:38:06.180 --> 00:38:18.780

Jackie Murphy: leery about letting the entire company of firefighters through so they do love the chief is trying to get to at least let the line offices go through, because they're probably going to be the ones going in with a host group yeah legally.

312

00:38:20.730 --> 00:38:25.560

Jackie Murphy: Legally, legally, they shouldn't you shouldn't ever department should have a list of.

313

00:38:30.120 --> 00:38:32.400

Jackie Murphy: Those big companies don't always tell you.

314

00:38:38.550 --> 00:38:40.110

Jackie Murphy: In our facility yeah.

315

00:38:48.240 --> 00:38:49.050

Jackie Murphy: yeah he should.

316

00:38:51.000 --> 00:38:52.950

Jackie Murphy: come upon everything possible yeah.

317

00:38:54.030 --> 00:38:59.910

Jackie Murphy: I worked for one company and they didn't put down after that's dangerous right.

318

00:39:04.260 --> 00:39:07.320

Jackie Murphy: Well, I mean for me, I understood how they didn't.

319

00:39:11.880 --> 00:39:12.300

Jackie Murphy: know what.

320

00:39:14.040 --> 00:39:21.270

Jackie Murphy: he sees he's getting your tea for them again if we're going to get back together when it comes to our weather so we're not checking slopping little.

321

00:39:23.250 --> 00:39:34.650

Jackie Murphy: Areas yeah when he does, which is one reason they don't pole barn in the breezeway come across, and so they didn't have to drive their stuff from the inside, building outside on a forklift put in the back of a semi what I did I did.

322

00:39:36.150 --> 00:39:42.540

Jackie Murphy: yeah I get all that but I mean yeah absolutely you guys should know as well, like I said I think they don't practice.

323

00:39:45.090 --> 00:39:51.630

Jackie Murphy: Certain things can mix with water and blah blah blah ending it I, you have to offer it goes.

324

00:39:52.890 --> 00:40:04.770

Jackie Murphy: right if I guess I know we had tablets, we could throw them into hot no nothing would happen like you throw them into water yeah COM boom and sparks Museum in water right.

325

00:40:10.170 --> 00:40:10.350

Jackie Murphy: Now.

326

00:40:16.410 --> 00:40:17.520

Jackie Murphy: Speaking back, I mean has it.

327

00:40:18.630 --> 00:40:23.550

328

00:40:25.350 --> 00:40:25.680

Jackie Murphy: point.

329

00:40:26.820 --> 00:40:28.830

Jackie Murphy: Because you get flowing down there yeah.

330

00:40:30.510 --> 00:40:35.040

Jackie Murphy: yeah, but they also have the I believe the system up there.

331

00:40:36.270 --> 00:40:44.550

Jackie Murphy: Man I don't want to do, I mean I don't know I i've been i'm not advocating the Faculty come down i'm just asking since we're talking about oh yeah i'm he said no.

334

00:41:06.450 --> 00:41:12.660

Jackie Murphy: Right definitely yeah because I mean because but yeah any event that one of those scoring systems.

335

00:41:13.740 --> 00:41:21.600

Jackie Murphy: Well case in point, when the school district over their head there diesel fuel week from the second floor, which would thanks on the second floor for some reason.

336

00:41:22.050 --> 00:41:29.520

Jackie Murphy: As all went down the drain and the transatlantic in the sewer in the fall that stuff migrated down to the plant and nobody knew about it.

337

00:41:30.540 --> 00:41:30.780

338

00:41:32.100 --> 00:41:38.550

Jackie Murphy: The guy who the guy that was supposed to follow a certain procedure he's kept the first one and went right to.

339

00:41:39.330 --> 00:41:52.440

Jackie Murphy: Get the first two and one right to the terminal he went to be called easy So here we have school but it's contained yeah but then

the only reason that the sewer people found us when they open the door,
the next morning and thunder knocked over by fuel oil fields.

340

00:41:55.020 --> 00:41:59.550

Jackie Murphy: Because if you did you begin the day went by procedure, it
was called they're.

341

00:42:00.630 --> 00:42:08.970

Jackie Murphy: called easy then call somebody up at the at the first one
we've been called 911 feels it's heading downstream to go plan.

342

00:42:10.380 --> 00:42:14.550

Jackie Murphy: b or C and then we can shut it off because there's a
shutoff valve injure somebody.

343

00:42:15.990 --> 00:42:16.470

350

00:43:23.370 --> 00:43:27.060

386

00:47:37.620 --> 00:47:38.790

Jackie Murphy: example right.

387

00:47:41.850 --> 00:47:45.000

Jackie Murphy: column the category heading is on page five with the accurate.

388

00:47:46.560 --> 00:47:46.950

Jackie Murphy: number.

389

00:47:48.180 --> 00:47:50.100

Jackie Murphy: code lines on page six right yeah.

390

00:47:51.180 --> 00:47:52.770

Jackie Murphy: You just click it on yeah.

392

00:48:01.620 --> 00:48:02.760

395

00:48:42.600 --> 00:48:58.170

Jackie Murphy: Workers COMP went down yes that's were part of the county self insurance plan and they sent me paper for budgeting purposes say hey here's your portion for fiscal year and then downtown and villas shortly after our fiscal year or somewhere there about.

396

00:49:00.180 --> 00:49:12.270

Jackie Murphy: or wherever yeah yeah case we spent 666 this year we budgeted 750 they've lowered it to 560 so that's based on right.

397

00:49:14.220 --> 00:49:28.920

Jackie Murphy: combination of numbers of claims which we haven't had any and are something else i'd have to look at the actual letter they broke it out and work with 565 years you know we're part of the county.

398

00:49:30.090 --> 00:49:31.050

Jackie Murphy: Fair county plan.

399

00:49:36.570 --> 00:49:38.640

Jackie Murphy: Well, maybe regarding the county took me.

400

00:49:39.750 --> 00:49:40.680

Jackie Murphy: A nice big words thing.

401

00:49:42.570 --> 00:49:43.800

Jackie Murphy: I can do work for the county.

402

00:49:46.200 --> 00:49:49.380

Jackie Murphy: Health workers COMP insurance stupid money to.

403

00:49:53.790 --> 00:49:55.500

Jackie Murphy: buy insurance company.

404

00:49:56.880 --> 00:50:02.820

Jackie Murphy: He saw his themselves going the things about yeah you're saying turn on every.

405

00:50:05.070 --> 00:50:15.870

Jackie Murphy: Is you can get well yeah you please raise your hand they happy.

407

00:50:23.670 --> 00:50:24.510

Jackie Murphy: They turned out there.

408

00:50:25.980 --> 00:50:28.560

Jackie Murphy: Like I know the one guy got his phone ma.

409

00:50:30.330 --> 00:50:32.040

Jackie Murphy: Over London.

410

00:50:33.360 --> 00:50:33.750

Jackie Murphy: London.

411

00:50:35.700 --> 00:50:37.980

Jackie Murphy: yeah there are two arms.

412

00:50:40.020 --> 00:50:45.630

Jackie Murphy: yeah but it put it this didn't say this but though somebody tried to sue him.

413

00:50:48.690 --> 00:50:56.190

Jackie Murphy: i'm sorry you got to sign up there, and it says horseplay Is that acceptable on this arena.

414

00:50:59.400 --> 00:51:00.300

Jackie Murphy: or rohit.

415

00:51:01.680 --> 00:51:09.660

Jackie Murphy: He says, and we can prove improve the camera was a good boy boy boy, and they got her Malone.

416

00:51:11.880 --> 00:51:17.220

417

00:51:18.420 --> 00:51:21.180

Jackie Murphy: honor each other right there there right you're wrong.

418

00:51:23.850 --> 00:51:25.200

Jackie Murphy: Is that the way to do it yeah.

419

00:51:27.450 --> 00:51:32.700

Jackie Murphy: So basically you're probably appropriations you're looking to spend 173,009 44 and.

420

00:51:34.020 --> 00:51:34.860

Jackie Murphy: a half percent.

421

00:51:36.600 --> 00:51:38.400

Jackie Murphy: You know, working with a mathematics.

422

00:51:40.200 --> 00:51:42.420

Jackie Murphy: which then brings you over to your revenue page have.

423

00:51:44.460 --> 00:51:52.740

Jackie Murphy: Nothing we have direct control over his property tax and then we are at the 190 1% which basically is 1.31 growth factor yeah yeah.

424

00:51:54.270 --> 00:51:54.870

Jackie Murphy: So.

425

00:51:57.000 --> 00:51:58.890

Jackie Murphy: we're gonna raise this a little bit of initiative.

426

00:52:00.630 --> 00:52:01.380

Jackie Murphy: That is the race.

427

00:52:03.810 --> 00:52:04.170

Jackie Murphy: Right.

428

00:52:05.190 --> 00:52:06.120

Jackie Murphy: Right so yeah.

429

00:52:08.220 --> 00:52:10.950

Jackie Murphy: Unless you guys want to Wednesday both the override, no, no.

430

00:52:13.410 --> 00:52:15.000

Jackie Murphy: No, I think that's fine.

431

00:52:16.350 --> 00:52:17.160

Jackie Murphy: All right, out of town.

432

00:52:18.690 --> 00:52:27.570

Jackie Murphy: it's awesome I also knew about a state, I mean I know it's great keep yelling that we don't yeah this board doesn't get enough one.

433

00:52:28.920 --> 00:52:30.720

Jackie Murphy: Was David because.

434

00:52:33.180 --> 00:52:44.880

Jackie Murphy: Actually, I have two phones that are going to finish the test kit for me, then I have to do the Constitution facts from it and you

guys are way not even close to your constitutionally safe
constitutionally taxing your life.

435

00:52:46.080 --> 00:52:52.890

Jackie Murphy: Maybe maybe using maybe we're half not even you're lucky
if you're 35% capability.

436

00:52:56.790 --> 00:53:00.690

Jackie Murphy: But the rest of revenue is the rest of your revenues just
is basically guesstimate.

437

00:53:01.950 --> 00:53:06.480

Jackie Murphy: You can see prophecy non property tax distribution by
county that's the sales tax.

438

00:53:07.590 --> 00:53:08.250

Jackie Murphy: sales tax.

439

00:53:09.810 --> 00:53:11.220

Jackie Murphy: code that we can still get.

440

00:53:13.410 --> 00:53:16.020

Jackie Murphy: A shake up you know people are still buying a lot of stuff
really.

441

00:53:17.460 --> 00:53:23.340

Jackie Murphy: Well yeah because people are moving out of the city what's
coming to the country right now it's time to sell my house.

442

00:53:24.780 --> 00:53:30.240

Jackie Murphy: will actually only one fruit in Tennessee see you guys
later no actually.

443

00:53:35.190 --> 00:53:35.760

Jackie Murphy: Take action.

444

00:53:36.990 --> 00:53:38.550

Jackie Murphy: On all sure.

445

00:53:41.340 --> 00:53:49.140

Jackie Murphy: No actually every time somebody sells property that's a
different source of revenue from the county and then we'll get to in a
minute, but yeah but.

446

00:53:58.080 --> 00:53:58.890

Jackie Murphy: we're extremely.

447

00:54:00.030 --> 00:54:01.050

Jackie Murphy: Interested earnings.

448

00:54:02.430 --> 00:54:10.200

Jackie Murphy: Actually, may bear on our guest made it 300 we made 335 on our interest in earnings anything wonderful one good.

449

00:54:11.370 --> 00:54:16.650

Jackie Murphy: you've made \$4 and 10 cents off that 60 lips on that 60 day CD.

450

00:54:20.430 --> 00:54:22.320

Jackie Murphy: should invest in bitcoin and.

451

00:54:23.940 --> 00:54:34.440

Jackie Murphy: let's see your your fund for Community infrastructure upgrades in May 19 \$64 and just on that one we bless you, excuse me to 260.

452

00:54:36.270 --> 00:54:47.850

Jackie Murphy: Your auto reserve account \$7 and cents into so far town they paid half of their rent so far I know she's reclusive finally she wants peace officers i've ever heard all about that.

453

00:54:48.870 --> 00:54:51.000

Jackie Murphy: was what she wants us to know.

454

00:54:52.260 --> 00:54:54.660

Jackie Murphy: yeah emotional start with that one yeah.

455

00:54:56.280 --> 00:55:03.000

Jackie Murphy: We thought, where I stand for joining so, but we were getting half the time they usually pay in January and June in one, so we don't get another payment for them until June.

456

00:55:06.750 --> 00:55:08.550

Jackie Murphy: And so yeah.

457

00:55:10.890 --> 00:55:15.090

Jackie Murphy: I didn't feel that line in groups are ones that 20,005.

458

00:55:16.620 --> 00:55:20.610

Jackie Murphy: I just know, since elementary oops oops sorry about that guys yeah.

459

00:55:25.620 --> 00:55:32.130

Jackie Murphy: Now princeton yesterday's copies here anyway so 20,000 I think we're looking down this thing have.

460

00:55:33.450 --> 00:55:39.360

Jackie Murphy: You done anything we were actually, then that would have been a negative number in revenue South and making numbers.

461

00:55:40.560 --> 00:55:41.670

Jackie Murphy: But yeah but.

462

00:55:42.810 --> 00:55:46.500

Jackie Murphy: i'm assuming it's 20,005 you're keeping the rent 25,005.

463

00:55:47.970 --> 00:55:48.330

Jackie Murphy: Okay.

464

00:55:56.130 --> 00:55:59.520

Jackie Murphy: let's see great to see you okay.

465

00:56:01.020 --> 00:56:03.030

Jackie Murphy: Oh noes you immediate.

466

00:56:07.290 --> 00:56:07.740

Jackie Murphy: stupid you.

467

00:56:08.820 --> 00:56:19.950

Jackie Murphy: Know it's already accounted for, remember, I had to create the new line 820 420 that's where the town's rent is that Oh, I like working with right building my mistake of down 100% worth.

468

00:56:21.630 --> 00:56:25.980

Jackie Murphy: 2424.

469

00:56:27.600 --> 00:56:29.880

Jackie Murphy: parish yeah that used to be the town of parishes right.

470

00:56:31.410 --> 00:56:31.770

Jackie Murphy: Now.

471

00:56:33.360 --> 00:56:33.630

Jackie Murphy: yeah.

472

00:56:34.770 --> 00:56:42.540

Jackie Murphy: 1111 real property don't trigger your other page and then it's supposed to be right.

473

00:56:44.370 --> 00:56:47.430

Jackie Murphy: Now you had been and I found so.

474

00:56:48.960 --> 00:57:00.900

Jackie Murphy: Because of that, because actually the comptroller's has a Co worker, which is rental property other governments and asked me how I found it found on the main report to the chief harish doesn't mean anything, as of now.

475

00:57:01.980 --> 00:57:02.700

Jackie Murphy: Right, I know.

476

00:57:03.960 --> 00:57:05.820

Jackie Murphy: After a few fiscal year that line can.

477

00:57:07.500 --> 00:57:08.730

Jackie Murphy: Change to something else.

478

00:57:11.670 --> 00:57:12.060

Jackie Murphy: So.

479

00:57:15.090 --> 00:57:16.110

Jackie Murphy: yeah it can be deleted.

480

00:57:17.160 --> 00:57:17.850

Jackie Murphy: After a few years.

481

00:57:21.840 --> 00:57:22.170

Jackie Murphy: yeah.

482

00:57:24.840 --> 00:57:29.130

Jackie Murphy: Usually, but you want to yeah this would be great so we'd have to let it.

483

00:57:30.180 --> 00:57:31.290

Jackie Murphy: disappear after a while.

484

00:57:33.660 --> 00:57:42.060

Jackie Murphy: Just liking, I can probably directly take off all the debt service on here bonds or at least the code line for the bottom there zeroed out anyway so.

485

00:57:44.340 --> 00:57:46.560

Jackie Murphy: So can see licenses and permits.

486

00:57:50.850 --> 00:58:13.470

Jackie Murphy: Now that that 2759 that's a new one, that the comptroller's office wants to use the aim payments when I report it so that's why that's there isn't it instead of wherever it was prior to that Oh, instead of 3000 or 1100 yeah.

487

00:58:14.700 --> 00:58:16.200

Jackie Murphy: But it actually got moved up to.

488

00:58:17.670 --> 00:58:18.210

Jackie Murphy: 27.

489

00:58:26.730 --> 00:58:37.710

Jackie Murphy: yeah we do is probably hasn't committed you know where the licenses and permits know that all goes that's to pay for the town so Italian gets the money he didn't give it to us after I.

490

00:58:38.850 --> 00:58:48.960

Jackie Murphy: get over this town really like that idea, no, I think we had an idea yeah I think yeah well with taking my revenue know is the town's money.

491

00:58:50.190 --> 00:58:52.980

Jackie Murphy: Well, next year than eating.

492

00:58:55.170 --> 00:59:13.020

Jackie Murphy: See yeah mortgage tax that's where that's where we get to my friend counter anytime somebody sells property we get a chunk of rent

or mortgage yeah so we can see we're only about we estimated 2000 1500 so again that's a guess, but not as good as last year.

493

00:59:14.040 --> 00:59:14.760

Jackie Murphy: Or the year before.

494

00:59:16.650 --> 00:59:18.240

Jackie Murphy: I think it will be up this year, I mean.

495

00:59:20.100 --> 00:59:24.960

Jackie Murphy: zone equip anyway, so I also saw or if it's definitely solid learned that.

496

00:59:30.450 --> 00:59:30.810

Jackie Murphy: By.

497

00:59:33.120 --> 00:59:35.340

Jackie Murphy: Market down yeah.

498

00:59:37.110 --> 00:59:51.450

Jackie Murphy: And then there's your state other bets whatever else is left over, that the statements classified, because sometimes they would give it as the aim slash other payments name on code in two different two different line items so it's for others to live in line I was looking at that.

499

00:59:53.760 --> 00:59:58.140

Jackie Murphy: And there's your chips money, which is the same as your chips expenditure call.

500

01:00:00.240 --> 01:00:00.750

Jackie Murphy: allentown.

501

01:00:09.720 --> 01:00:10.830

Jackie Murphy: yeah yeah.

502

01:00:13.980 --> 01:00:14.730

Jackie Murphy: So and.

503

01:00:15.870 --> 01:00:17.100

Jackie Murphy: The same for the sewer.

504

01:00:19.500 --> 01:00:22.650

Jackie Murphy: To the general it's been another analysis.

505

01:00:25.740 --> 01:00:33.270

Jackie Murphy: Actually, your we're taking less from our appropriated bounced and last year only done 1.91% so we're still thinking about 20,000.

506

01:00:34.590 --> 01:00:35.160

Jackie Murphy: So.

507

01:00:36.690 --> 01:00:53.760

Jackie Murphy: As you can see your we're attempting to raise revenues toilet 153 933 and we're taking \$20,011 to bounce it off to spend to come up to our budget of 173944, which is only again 5.54% increase.

508

01:01:07.860 --> 01:01:09.030

Jackie Murphy: Actually doesn't embrace them.

509

01:01:11.790 --> 01:01:12.900

Jackie Murphy: Well, it goes down.

510

01:01:15.060 --> 01:01:22.560

Jackie Murphy: I wouldn't rather than math math the math backwards relationship because down yeah but we're going to keep it the same way.

511

01:01:24.000 --> 01:01:32.490

Jackie Murphy: But what we're learning taxes at 90 whatever, but the way the map the wait wait and they have this yeah okay.

512

01:01:33.840 --> 01:01:41.130

Jackie Murphy: Now you're not going to war, the factory oh i'm going to be the same issues I did that maybe it's.

513

01:01:43.500 --> 01:02:02.610

Jackie Murphy: The way the mouth comes out it's like we are raising taxes of 91 625 the total taxable value in the village went up from last year, which is going to go down oh so this year is total tactical within the villages 20 22,000,003 84 465.

514

01:02:03.690 --> 01:02:09.690

Jackie Murphy: that's you know divide 91 695 divided by 22 three 4.65 times 1,004.1.

515

01:02:12.180 --> 01:02:14.670

Jackie Murphy: Last, the current fiscal year we were at 4.11.

516

01:02:16.380 --> 01:02:17.040

Jackie Murphy: down if any.

517

01:02:20.190 --> 01:02:20.730

Jackie Murphy: Maybe.

518

01:02:22.020 --> 01:02:22.620

Jackie Murphy: They can get their.

519

01:02:24.690 --> 01:02:25.080

Jackie Murphy: news.

520

01:02:28.620 --> 01:02:33.420

Jackie Murphy: owner Dan county in New York City can make money i'm.

521

01:02:35.340 --> 01:02:35.910

Jackie Murphy: Sorry, what.

522

01:02:37.140 --> 01:02:45.600

Jackie Murphy: I said I don't understand them, are the only county New York state that can make money on their garbage because you can't ship it outside.

523

01:02:47.190 --> 01:02:50.940

Jackie Murphy: No, no, no i'm talking about ever done that.

524

01:02:53.970 --> 01:02:55.170

Matthew Johnson: Okay Jackie.

525

01:02:55.770 --> 01:02:56.700
