167

00:19:04.920 --> 00:19:10.410

Tom B: We operate the plant and if it's something that we did, while we are operating the plant and we we.

168

00:19:10.710 --> 00:19:16.230

Village of Parish: Something malfunction basically what you're saying is anything that anything that doesn't have to do.

169

00:19:17.280 --> 00:19:18.930

Village of Parish: With the plan itself you don't fix it.

170

00:19:19.680 --> 00:19:22.230

Tom B: No, I mean we didn't put that new roof I.

171

00:19:24.300 --> 00:19:26.910

Village of Parish: know I know you didn't put the new roof on somebody else did that.

172

00:19:27.300 --> 00:19:28.110

Tom B: For I was a big.

173

00:19:28.620 --> 00:19:34.080

Village of Parish: That was a big lesson, or what i'm seeing with this little hole you guys don't do anything.

174

00:19:34.080 --> 00:19:37.470

Tom B: With my operators to climb up on this roof, no.

175

00:19:37.770 --> 00:19:47.400

Tom B: No deal i'm sorry look if you guys would would rather have another operator feel free to go and search for another operator, we do more than.

176

00:19:47.400 --> 00:19:48.450

Tom B: willing to give you back, we.

177

00:19:48.450 --> 00:19:50.430

Village of Parish: May we may do that we may do that.

178

00:19:50.490 --> 00:19:51.150

Village of Parish: Okay, good.

179

00:19:51.330 --> 00:19:55.140

Village of Parish: All right now i'm trying to figure out why i'm just trying to figure out.

180

00:19:56.340 --> 00:20:00.720

Village of Parish: Because I looked at one of the I looked at a piece of paper today they had you.

181

00:20:02.250 --> 00:20:02.640

Village of Parish: Who.

182

00:20:07.770 --> 00:20:12.510

Village of Parish: Because it says you guys do meanness and I don't understand what kind of maintenance you do if you don't do.

183

00:20:13.020 --> 00:20:19.830

Tom B: Maintenance on equipment that's operating the plants such as motors, the blower such as that the swing does the arms so.

184

00:20:21.360 --> 00:20:34.080

Tom B: that's directly related to plant operation, the sewer chore that's in the the the grid channel the the the coordinators that pumps that that coordinate that deep learning.

185

00:20:35.010 --> 00:20:42.360

Tom B: That things that are directly related to the operation of the plan if we didn't do those and keep those up to snuff we wouldn't make permit.

186

00:20:44.580 --> 00:20:45.000

Village of Parish: Okay.

187

00:20:54.330 --> 00:20:56.400

Village of Parish: yeah it looks like there's a Python went through there for something.

188

00:20:56.460 --> 00:21:04.710

Tom B: yeah removed or something yeah I looked at that look like somehow the service used to go through there and then they changed the surface and took the pipe out.

189

00:21:06.150 --> 00:21:11.610

Village of Parish: yeah I mean it's really a box and the box, I mean who took the pipe out, you know.

190

00:21:11.910 --> 00:21:18.930

Tom B: Whoever whoever was the electrical contractors that put it in I, I have no idea we We certainly didn't do that that's for sure.

191

00:21:22.200 --> 00:21:25.500

Village of Parish: Well, we want to wish it did he hasn't been done very long I.

192

00:21:26.580 --> 00:21:29.580

Village of Parish: mean there's grass and stuff let's say birds of dried out to the whole.

193

00:21:31.170 --> 00:21:34.500

Village of Parish: Top electrical box, maybe never common and.

194

00:21:35.940 --> 00:21:43.770

Village of Parish: I don't know how long it's been like I don't know that, often, but I just happened to see it and I guess it's probably two maybe three inch round it's almost perfectly around.

195

00:21:45.300 --> 00:21:54.180

Village of Parish: A little rough only do it, but you know patch it together so it's just gonna be done is, you know as.

196

00:21:55.260 --> 00:21:55.680

Village of Parish: A trailer.

197

00:21:57.480 --> 00:21:58.290

Village of Parish: Some take them a whole.

198

00:21:59.820 --> 00:22:10.950

Village of Parish: So much rarely take some black stuff at all alright, so let me get a piece of it not walk there Saturday Okay, whatever I over all of it once again give you the combination.

199

00:22:12.030 --> 00:22:13.590

Village of Parish: To the game ilana.

200

00:22:16.170 --> 00:22:17.580

Village of Parish: Time i'm just trying to.

201

00:22:18.660 --> 00:22:18.960

203  
00:22:27.060 --> 00:22:27.450  
Village of Parish: Maybe.

204  
00:22:29.130 --> 00:22:29.880  
Village of Parish: Someone to do that.

205  
00:22:32.250 --> 00:22:33.030  
Village of Parish: The roof on this right.

206  
00:22:34.590 --> 00:22:35.940  
Village of Parish: corner yeah.

207

Village of Parish: model for getting Allah led conversions available on decorative streetlights we had the all have led conversion now they're.

246  
00:28:04.800 --> 00:28:20.970  
Village of Parish: Making more fancy converting to decorative streetlights to the utility only option available and interested, but I think at this time to him other concerns to be looking at, but that down the road might be, once we get our.

247  
00:28:22.980 --> 00:28:26.670  
Village of Parish: knowledge in order and start growing, it would be a very nice option.

248  
00:28:28.140 --> 00:28:34.560  
Village of Parish: also received a memo from fema camps to pay feel it costs related deaths.

249  
00:28:37.200 --> 00:28:41.670  
Village of Parish: were interested that are more than one that would be pertinent to.

250  
00:28:45.660 --> 00:28:50.130

Village of Parish: Also, the present time, I received we're trying to update the insurance.

251

00:28:51.300 --> 00:29:10.200

Village of Parish: Policy and present time can figure out the value on the library, the new edition will also along with that, we need the plates off the truck so that we don't end up paying insurance on the truck to pay until we get the place to.

252

00:29:11.580 --> 00:29:13.650

Village of Parish: put those plates off the truck.

253

00:29:15.030 --> 00:29:21.090

Village of Parish: turned in and don't have to worry about their insurance they can't do anything until it's been.

254

00:29:22.350 --> 00:29:25.860

Village of Parish: places been turned in so until then we'll be charged accordingly.

255

00:29:27.030 --> 00:29:39.510

Village of Parish: Once we get \$1 sell beats all that you know Sally can take insurance off of a Mossad place and waiting to happen to the place which i've turned down to saying that interest me cancel log and also don't evolution.

256

00:29:41.700 --> 00:29:44.160

Village of Parish: Also communications with grid.

257

00:29:45.600 --> 00:30:00.000

Village of Parish: They wrote to inform us of the upcoming changes the electrical race will be effective April 1 and the plan allows them to invest in here and kind of automatic distribution, for the benefit of all their customers.

258

00:30:01.980 --> 00:30:03.630

Village of Parish: That comes from grid grid grid.

259

00:30:04.830 --> 00:30:05.220

Village of Parish: Right.

260

00:30:08.520 --> 00:30:13.230

Village of Parish: that's all I had on communications and we did have the.

261

00:30:14.520 --> 00:30:19.590

Village of Parish: rescue plan comes to show to the money hasn't been distributed, yet, but.

262

00:30:21.030 --> 00:30:31.260

Village of Parish: Apparently, it will be sorted out by the government unit to the local government that will receive their portions and that can be allocated.

263

00:30:33.480 --> 00:30:34.260

fashion.

264

00:30:36.600 --> 00:30:37.740

Village of Parish: so desire.

265

00:30:40.440 --> 00:30:53.070

Village of Parish: Cover revenue losses cars cars bicycle good necessary investments in water sewer broadband infrastructure folks cannot be used with theatre localities to cover the costs.

266

00:30:53.730 --> 00:31:10.350

Village of Parish: Pension funds of states, right now, uses funds to accept reduction in taxes, so there were few guidelines of the fun and I think I fully get onto as well, so can be familiar with what that offer.

267

00:31:19.260 --> 00:31:22.110

Village of Parish: Continuing sort of plants right.

268

00:31:24.090 --> 00:31:27.450

Village of Parish: And there are reports we have our cannon report here.

269

00:31:39.540 --> 00:31:40.770

Tom B: yep yep.

270

00:31:44.790 --> 00:31:45.000

Village of Parish: well.

271

00:31:47.100 --> 00:32:03.090

Village of Parish: done young gay people over the period of 7000 know violations this month to merge forms stations about highlight a lot false high level.

272

00:32:04.500 --> 00:32:07.290

Village of Parish: Competition corrected the networking.

273

00:32:25.980 --> 00:32:30.690

Village of Parish: On that, I do have a question papers that you send us on seaward.

274

00:32:31.980 --> 00:32:34.170

Village of Parish: need my return that.

275

00:32:36.750 --> 00:32:40.740

Tom B: gets right yep so we can move along with that get those.

276

00:32:42.600 --> 00:32:50.700

Tom B: units, I think the ones remember the grinder pumps week to the next budget season i'm sure you know, in June 1.

277

00:32:52.440 --> 00:32:57.240

Tom B: The police station, the limitations, we should get get on as soon as we can so.

278

00:32:58.530 --> 00:33:00.900

Tom B: The main limitation is what we'd like to do first.

279

00:33:01.200 --> 00:33:03.270

Village of Parish: Yes, three grinder pump quotes.

280

00:33:05.190 --> 00:33:05.430

Tom B: yeah.

281

00:33:06.330 --> 00:33:07.860

Village of Parish: All right, those were the rest them.

282

00:33:10.260 --> 00:33:21.630

Tom B: yeah well we all we did was we took three of the best used or pulled pumps up to see where to see if they could read refurbish them and fix them and the report came back that.

283

00:33:22.380 --> 00:33:32.040

Tom B: they've they've they're unfixable there was parts missing and then just shot, I mean the state or was shot and then the repair it would have been more than buying a new pump so.

284

00:33:32.430 --> 00:33:39.240

Tom B: we'll pick up when it comes time we'll go and get the pumps to save us money right to Rochester pick the three bumps up.

285

00:33:40.110 --> 00:33:40.620

Okay.

286

00:33:41.970 --> 00:33:45.450

Village of Parish: The sweeper repair work is all done so.

287

00:33:46.560 --> 00:33:47.430

Village of Parish: Again, the.

288

00:33:47.910 --> 00:33:49.560

Village of Parish: gym that we don't like him.

289

00:33:50.670 --> 00:33:52.140

Village of Parish: No that's okay.

290

00:33:54.330 --> 00:33:55.020

Village of Parish: um.

291

00:33:59.880 --> 00:34:03.180

Village of Parish: I got the the six by six already down here.

292

00:34:04.950 --> 00:34:05.460

Tom B: Okay.

293

00:34:06.840 --> 00:34:10.860

Village of Parish: So she had a price for materials at 150 bucks.

294

00:34:12.240 --> 00:34:12.540

Village of Parish: But you.

295

00:34:12.750 --> 00:34:17.460

Tom B: Know \$70 off that's what that's what that cost us to \$70.

296

00:34:18.600 --> 00:34:20.070

Village of Parish: With a cartoon 70 bucks.

297

00:34:21.570 --> 00:34:24.300

Tom B: Yes, a 10 foot by six by six treated.

298

00:34:28.050 --> 00:34:30.720

Village of Parish: Okay, when I was 12.

299

00:34:32.910 --> 00:34:33.270

Tom B: Okay.

300

00:34:33.900 --> 00:34:39.570

Village of Parish: I called it on both sides, three times Okay, no it's not pressure treated button.

301

00:34:40.050 --> 00:34:40.380

Right.

302

00:34:42.780 --> 00:34:43.830

Village of Parish: But the one that was in the ground mm.

303

00:34:45.120 --> 00:34:45.540

Village of Parish: hmm.

304

00:34:46.590 --> 00:34:47.130

Village of Parish: No it's not.

305

00:34:48.960 --> 00:34:51.450

Tom B: No okay there wasn't one that was in the.

306

00:34:53.280 --> 00:34:53.970

Village of Parish: stars, we can see.

307

00:34:54.000 --> 00:34:55.320

Tom B: While the replay so much pressure.

308

00:34:55.650 --> 00:34:56.490

Village of Parish: What I.

309

00:34:56.940 --> 00:35:03.720

Tom B: What I was doing is replacing that I was replacing the unit with the pressure treated six by six that's where that \$70 and from.

310

00:35:05.670 --> 00:35:09.900

Village of Parish: What I called it a couple of times about four times with.

311

00:35:12.600 --> 00:35:15.240

Village of Parish: Steve I think we're gonna be just fine.

312

00:35:17.160 --> 00:35:17.580

Tom B: Okay.

313

00:35:20.970 --> 00:35:23.670

Village of Parish: I think you're gonna have to put that in a little bit different spot.

314

00:35:25.980 --> 00:35:26.910

Village of Parish: Because.

315

00:35:27.120 --> 00:35:37.920

Tom B: that's a possible, we will look into it, I don't want it there's electrical there and there's a couple of extra conduits there that feed a chlorine analyze your problem, so we have to be careful.

316

00:35:38.280 --> 00:35:41.880

Village of Parish: Well yeah yeah that's do we get.

317

00:35:43.980 --> 00:35:45.930

Village of Parish: We uncovered want electrical.

318

00:35:47.130 --> 00:35:52.440

Village of Parish: Electrical yeah there's lots are called there's two airlines in the two airlines and it looks like it's concreted right in.

319

00:35:52.440 --> 00:35:54.990

Village of Parish: Right and yeah and the things kind of.

320

00:35:54.990 --> 00:35:58.230

Village of Parish: Right, so we got to figure out where, to put it.

321

00:35:59.370 --> 00:36:00.480

Village of Parish: But you're going to do that right.

322

00:36:02.340 --> 00:36:11.040

Tom B: yeah we'll take care of as part of this part of the proposal now, the reason why it's so expensive, as you may know, is that we have to charge prevailing wage.

323

00:36:11.130 --> 00:36:11.550

I mean.

324

00:36:13.920 --> 00:36:27.240

Tom B: I realized, you know and it's just a it's too bad that and all the municipalities that i've worked with it's it's just it's it's it's not fair to the taxpayers far as i'm concerned, but the the.

325

00:36:28.650 --> 00:36:34.860

Tom B: Labor board insists that we have to do the otherwise we're going to turn around and end up paying it anyhow.

326

00:36:35.760 --> 00:36:36.960

Village of Parish: yeah yeah I know.

327

00:36:39.450 --> 00:36:40.410

Village of Parish: I didn't the question.

328

00:36:45.120 --> 00:36:46.500

Village of Parish: So basically the.

329

00:36:47.520 --> 00:36:54.720

Village of Parish: Labor and materials is going to be exactly \$100 and he said take 75 off of them all right.

330

00:36:56.730 --> 00:37:00.480

Tom B: yep take 7070 didn't I say 70.

331

00:37:02.460 --> 00:37:03.030

336

00:37:43.830 --> 00:37:55.560

Tom B: yeah yeah so it's I guess it's gonna be it's just a form of you know what we can do as a small wastewater operations and the small communities we'll see what we get out of it, hopefully, something good.

337

00:37:57.840 --> 00:37:59.130

338

00:37:59.820 --> 00:38:00.360

360

00:40:37.080 --> 00:40:44.610

Village of Parish: Down i'm not sure exactly he was trying to get it down and.

361

00:40:45.840 --> 00:40:46.200

I.

362

00:40:47.220 --> 00:40:50.670

Village of Parish: don't know when or where he's got you know the permits good for a year.

363

00:40:51.960 --> 00:41:04.260

Village of Parish: he's going to try to take it down yesterday when it gets time where is it here in the corner street no no emotion, it was a team today.

364

00:41:05.760 --> 00:41:06.120

Village of Parish: Yes.

365

00:41:07.980 --> 00:41:08.310

Village of Parish: So.

366

00:41:09.810 --> 00:41:15.840

Village of Parish: How did the avoid the asbestos or is that his problem that's his problem.

367

00:41:17.430 --> 00:41:30.840

Village of Parish: Is that that to make sure it is we're actually up to him to monitor himself tactically when we issue a permit were not required to.

368

00:41:31.890 --> 00:41:37.350

Village of Parish: verify a spouse this I did send them a letter stating that he has to look into it.

369

00:41:39.060 --> 00:41:39.600

and

370

00:41:41.670 --> 00:41:58.770

Village of Parish: He was that was the other thing I don't know where how's this family full of the knowledge yeah and it may just be a building that he may not be able to test because of its deterioration and he may end up.

371

00:42:01.590 --> 00:42:05.250

Village of Parish: Transferring transporting it all away or whatever he chooses.

372

00:42:11.100 --> 00:42:13.110

Village of Parish: less expensively get rid of.

373

00:42:18.210 --> 00:42:18.690

It is.

374

00:42:22.590 --> 00:42:30.870

Village of Parish: So the DC or nobody gets involved in it kind of monitoring the DC does not monitor stasis I believe it is the.

375

00:42:32.160 --> 00:42:34.380

Village of Parish: Labor Labor department, I believe it.

376

00:42:36.330 --> 00:42:37.140

Village of Parish: Believe it or not.

377

00:42:38.250 --> 00:42:48.480

Village of Parish: I can't remember yeah it's it's the Labor department, they used to be ETA, very much in the Labor department, I think probably good no, I think I believe it's.

378

00:42:50.100 --> 00:43:02.670

Village of Parish: been years since i've had a holiday and I can't remember who was in the third monitor or somebody didn't have the monitor when they knew about you know we know about I don't know if you.

379

00:43:03.840 --> 00:43:06.000

Village of Parish: If it's a owner occupied home.

380

00:43:07.350 --> 00:43:15.480

Village of Parish: You can throw it in the regular trash basically as long as he doesn't get caught, no, no, no good when I took the especially or something else.

381

00:43:16.260 --> 00:43:24.930

Village of Parish: Like during it in the back, they said it was perfectly all right yeah you can do as long as you don't get that right, nobody it takes to say.

382

00:43:25.560 --> 00:43:36.930

Village of Parish: Why phil is somebody inspectors come in and see that there it's there then you're fine recording no not according to them, you can bury your backyard backyard is very.

383

00:43:38.160 --> 00:43:44.820

Village of Parish: Its owner owner occupied driver that right, yes, knowing you saw yeah so you have to tell them where it is.

384

00:43:45.870 --> 00:43:50.880

Village of Parish: Right, but when I tell myself that I will be the ground you won't remember, by then, where.

385

00:43:52.590 --> 00:43:56.820

Village of Parish: Does or no he remembers where the money jobs are very back.

386

00:43:59.280 --> 00:43:59.760

Okay.

387

00:44:04.470 --> 00:44:05.880

Village of Parish: No it's.

388

00:44:07.260 --> 00:44:14.550

Village of Parish: The first fence i've come for me in the village and parish there is zoning that fences.

389

00:44:15.660 --> 00:44:26.730

Village of Parish: So I had a complaint that somebody was putting a pencil in the village, I went and investigated it came back right all the laws on the fences.

390

00:44:27.900 --> 00:44:34.800

Village of Parish: issue to permit, so that if anybody ever questioned as to how the fence Scott put up.

391

00:44:35.730 --> 00:44:45.060

Village of Parish: It was no I thought I issued the permit and everything was good, the new law that we pulled in that did you had a you had talked to both land owners right.

392

00:44:45.930 --> 00:44:57.810

Village of Parish: Now I thought that was in the thought that was in the new it's not in the current festival I don't know the language exactly like them, because they did because.

393

00:44:59.760 --> 00:45:11.670

Village of Parish: I know one lady got mad because Maria put it around a fence line right, and so this person it wasn't it wasn't on the property lines, and it was the right height, it was yeah okay.

394

00:45:12.450 --> 00:45:27.060

Village of Parish: And if anybody's interested in it's across the street oh yeah for their dogs yeah it's for fun I, although yeah out in the front yard it's in the side yard is not near the property line so it's more than five feet away and.

395

00:45:30.930 --> 00:45:39.780

Village of Parish: I think it's I thought it was up to the two I think it's 60 on the side like it could be, but i'm not sure what event.

396

00:45:40.650 --> 00:45:54.960

Village of Parish: I think you're writing of six, where it says hi yeah in the fraud it's different I think it's only for the front, but once again I only read it once because it's the first place i've done in two and a half years um and I just didn't shoot them.

397

00:45:56.670 --> 00:46:16.770

Village of Parish: That permit being coast, we don't even on our kind of town schedule, there was nothing for a fence right so there's no fee, so I just issue the meetup offense permit, so that if anybody ever

questioned if it's legal sometimes just renting that Jimmy from his daughters living their.

398

00:46:19.860 --> 00:46:32.850

Village of Parish: defenses temporary to perhaps may not be temporary, maybe for the dogs I there's nothing I couldn't remember in the lie either about what is temporary, what is not temporary.

399

00:46:34.140 --> 00:46:40.290

Village of Parish: least it wasn't a snow fats so his daughter is living there for Bolsheviks don.

400

00:46:41.520 --> 00:46:43.200

Village of Parish: Cherry number again regarding.

401

00:46:44.580 --> 00:46:45.240

Any Miller.

402

00:46:46.620 --> 00:46:47.370

Village of Parish: Maybe that.

403

00:46:48.570 --> 00:46:49.080

Village of Parish: That sure.

404

00:46:50.520 --> 00:46:51.870

Village of Parish: it's been almost a month now.

405

00:46:56.370 --> 00:46:59.670

Village of Parish: Well, I know is that she they were drilling the well in there.

406

00:47:03.840 --> 00:47:17.340

Village of Parish: Where your fans know grass early, the first thing they were done they put up that the minute they have water didn't pass they had a machine you're cleaning out their own.

407

00:47:20.040 --> 00:47:26.400

Village of Parish: Well then, putting it down further we're putting a new on it, I don't know which I think probably the over cleaner now.

408

00:47:28.860 --> 00:47:32.970

Village of Parish: You see, the machines in there no, it was only it's only there two days.

409

00:47:36.030 --> 00:47:43.800

Village of Parish: Two days as well, I think they probably just maybe what down farther because they were getting water for me yeah.

410

00:47:46.140 --> 00:47:47.070

Village of Parish: hard to see those.

411

00:47:48.660 --> 00:47:51.270

Village of Parish: yeah they're sick to borrow up in the air, oh you gotta.

412

00:47:52.860 --> 00:48:01.380

Village of Parish: I wasn't here those two days are working in the afternoons are so good could be like I said it was only about two days they started in the day after the.

413

00:48:04.770 --> 00:48:10.980

Village of Parish: Initial NICs oh somebody decided that they're going to clean or well.

414

00:48:12.300 --> 00:48:24.630

Village of Parish: There are no say put a fence up after that okay there's no fee for fencing anyway, no gun and I can find so it was one of those credits that was issued without a fee and.

415

00:48:26.070 --> 00:48:26.820

it's not like.

416

00:48:28.560 --> 00:48:36.810

Village of Parish: That was one of those temporary thinking that was a that was one of the things that my neighbor brought up because she was mad because you know.

417

00:48:38.130 --> 00:48:43.350

Village of Parish: She should you have to have your philosophies have it on your property, so you could go on the other side Dana.

418

00:48:44.370 --> 00:48:44.760

Village of Parish: corrupt.

419

00:48:45.810 --> 00:48:47.580

Village of Parish: She hasn't purchased side of the fence.

420

00:48:51.510 --> 00:48:58.290

Village of Parish: Right, I think, is a stupid law, why do I, why would I give somebody two feet of I.

421

00:48:59.550 --> 00:49:02.280

Village of Parish: know that I pay taxes on.

422

00:49:03.480 --> 00:49:05.520

Village of Parish: Okay, you figured as.

423

00:49:06.900 --> 00:49:11.610

Village of Parish: two feet wide and 70 foot lie.

424

00:49:12.660 --> 00:49:19.440

Village of Parish: Well, just remember you have to maintain the offense according to the laws they don't maintain them.

425

00:49:20.610 --> 00:49:36.390

Village of Parish: According to the laws yeah and that you know i'm so by the time you go to maintain your own fence and you want to feed it yeah you want to stand on your own property, so you don't have a dispute with the neighbor they don't get you for trespassing.

426

00:49:39.210 --> 00:49:42.120

Village of Parish: you're stuck in that middle bird I know.

427

00:49:43.260 --> 00:49:44.460

she's not maintaining.

428

00:49:46.200 --> 00:49:52.500

Village of Parish: So that that's why they know i'm excited to feed so at least you can move to the fans outstanding on their property.

429

00:49:54.540 --> 00:49:56.310

Village of Parish: Or, yes, you have a neighbor dispute.

430

00:49:58.350 --> 00:50:03.390

Village of Parish: Over Okay, I make emotional did we already accepted yeah.

431

00:50:05.100 --> 00:50:06.390

Village of Parish: lose move on noon.

432

00:50:09.180 --> 00:50:09.570

Village of Parish: Thank you.

433

00:50:11.940 --> 00:50:13.530

Village of Parish: keep talking to give me a big.

434

00:50:15.870 --> 00:50:16.350

hug you know.

435

00:50:19.710 --> 00:50:21.990

Village of Parish: My report out all of you.

436

00:50:24.330 --> 00:50:32.370

Village of Parish: are still operating in an activity level and be working full time but only half out of the watertown off at any given time for those that were kind of our office.

437

00:50:33.450 --> 00:50:38.070

Village of Parish: governors executive order about zoom has been extended another time until May six.

438

00:50:39.900 --> 00:50:52.050

Village of Parish: As you probably heard the state is passed legislation for adult use cannabis, which includes an option for a municipality to have those sales for their town or village, I have a.

439

00:50:53.550 --> 00:51:06.270

Village of Parish: sample law here i'm going to get a copy of the Mayor of Emil plots copy i've got four copies that you want to take a look at it, if you were to look at doing something like that you would have to do it by the end of the year.

440

00:51:07.590 --> 00:51:10.350

Village of Parish: And if you don't have sales.

441

00:51:13.770 --> 00:51:26.490

Village of Parish: i've done sales in the village, the public could force a referendum, so that they can vote to overrule that so whatever you do, you probably want to make sure it's in line with what people.

442

00:51:27.750 --> 00:51:39.330

Village of Parish: want or else you stand the risk of having it overruled anyways so he said, you have between now and the of the year to act on so you've got time to think about it, and ask around and they have a.

443

00:51:39.930 --> 00:51:45.150

Village of Parish: Public meeting or some way of summing up the public out and if it's something you were thinking about possibly doing.

444

00:51:45.900 --> 00:51:54.540

Village of Parish: And if you opt out, you can get back in down the line, if you change your mind, but if you're going to opt out, you need to do it by the end of this year, because that's the end of the half hour period.

445

00:51:57.120 --> 00:52:01.560

Village of Parish: there's more reading that becomes available because a lot of people still have questions about that that aren't.

446

00:52:03.030 --> 00:52:08.310

Village of Parish: There aren't any interest for yet, I will make sure to bring those to you if you get to toggle times i'm sure they'll be.

447

00:52:08.850 --> 00:52:23.730

Village of Parish: Additional articles in the total times in the weeks to come, listen to the one is the story happen unless countries allow bill or somebody already made it will benefit yeah so communities have already started considering summer against it, some are.

448

00:52:24.870 --> 00:52:25.830

Village of Parish: Some don't mind and.

454

00:53:24.480 --> 00:53:35.520

466

00:54:40.950 --> 00:54:42.990

Village of Parish: Okay unfinished business.

467

00:54:46.170 --> 00:54:49.770

Village of Parish: We should have a copy of the public employer health emergency plan.

468

00:54:50.970 --> 00:54:51.690

Village of Parish: To perish.

469

00:54:53.520 --> 00:54:54.840

Village of Parish: And this is what I.

470

00:54:57.030 --> 00:55:12.990

Village of Parish: needed for representation and putting all this business together Jackie work with me and compiling it, and this is the end result, but the plan needs to be approved by the board of trustees.

471

00:55:14.400 --> 00:55:24.210

Village of Parish: And what it is, is in KC another pandemic of some sort we were to occur, that there is a plan of action in place.

472

00:55:25.260 --> 00:55:26.790

Village of Parish: To make a motion we.

473

00:55:28.650 --> 00:55:29.790

Village of Parish: Accept the plan is.

474

00:55:33.510 --> 00:55:34.200

Because I read it.

475

00:55:35.220 --> 00:55:36.360  
understand all of it for.

476

00:55:38.040 --> 00:55:44.430  
Village of Parish: me very time consuming to put together but it's step  
by step, my mind, we.

477

00:55:45.900 --> 00:55:49.170  
Village of Parish: discussed it so here's the motion on the floor is  
yours.

478

00:55:51.720 --> 00:55:55.560  
Village of Parish: All right, Jackie and all in favor Aye I was.

479

00:55:57.150 --> 00:55:59.220  
Village of Parish: ready so i'm going to hold them back and read it.

480

00:56:01.410 --> 00:56:03.000  
Village of Parish: that's my only reason okay.

481

00:56:06.600 --> 00:56:08.280  
Village of Parish: Well, call them again guess.

482

00:56:11.490 --> 00:56:17.760  
Village of Parish: They trust each other, yes that's the wollaton know  
estee lauder.

483

00:56:19.620 --> 00:56:20.010  
Village of Parish: know.

484

00:56:21.330 --> 00:56:22.320  
Village of Parish: emerges, because I have.

485

00:56:25.110 --> 00:56:26.550  
Broken yes.

486

00:56:29.280 --> 00:56:34.290  
Village of Parish: All right, well take your time and read it through and  
yeah I think it's in your folders.

487

00:56:41.310 --> 00:56:44.310

Village of Parish: I think those were in your boxes to read, yes.

488

00:56:48.840 --> 00:56:51.330

Village of Parish: Whatever okay all right.

489

00:56:54.330 --> 00:57:11.520

Village of Parish: chuck status, as we said the plates need to be returned regarding the insurance for insurance purposes, and I think it's advertised on the paper and I don't know, did you get any responses on I got one, let me tell you don't hear me oh.

490

00:57:12.570 --> 00:57:15.660

Village of Parish: yeah I mean I know the foley foliage and but they didn't.

491

00:57:16.770 --> 00:57:21.570

Village of Parish: yeah they told me they wanted to know what dad do what did I do send them that I been.

492

00:57:23.310 --> 00:57:24.180

Sending a bit.

493

00:57:34.230 --> 00:57:35.820

Village of Parish: sneaky thing building.

494

00:57:36.960 --> 00:57:43.020

Village of Parish: If anyone's been in a recent I guess you were entered channeling and we got in there okay.

495

00:57:44.130 --> 00:57:52.080

Village of Parish: Everything that worst part is is grandpa's office on the left and the kitchen on the right foot for the to the floors and the ceilings are very with that.

496

00:57:54.240 --> 00:57:57.390

And he's gonna go back and take measurements and.

497

00:57:59.280 --> 00:58:01.290

Village of Parish: prices and stuff and then give us a good.

498

00:58:02.520 --> 00:58:03.000

Village of Parish: sounds.

499

00:58:04.230 --> 00:58:05.490

Village of Parish: It would be a good job done.

500

00:58:11.400 --> 00:58:25.410

Village of Parish: Facilities inspection took place in November, we still need to be installing a security system, as per their request the safety of the main office and or two dogs in their.

501

00:58:29.460 --> 00:58:30.600

Village of Parish: day to day.

502

00:58:37.800 --> 00:58:44.910

Village of Parish: know a security cameras they're kind of direction pretty cheap right now.

503

00:58:49.980 --> 00:58:56.910

Village of Parish: Probably the installation be the tricky part and then didn't you need a lot of alarm system, he wanted.

504

00:58:59.160 --> 00:59:05.580

pants for the into the police wasn't yeah yeah yeah he's got.

505

00:59:06.840 --> 00:59:07.680

A chance to.

506

00:59:08.790 --> 00:59:25.560

I believe, less vulnerable, as you know, Paul is the panic button we do live in the justices Punch and I think they were talking about getting one for the town clerk if they hadn't already will talk to them in a week or so in other municipalities and then.

507

00:59:27.180 --> 00:59:31.440

Village of Parish: i'm sure that inspector Ob wanted to know where we're at with that so.

508

00:59:34.200 --> 00:59:35.940

Village of Parish: Security cameras, how many.

509

00:59:40.800 --> 00:59:41.250

Village of Parish: cameras.

510

00:59:45.120 --> 00:59:47.040

Village of Parish: Panic button will provide.

511

00:59:48.270 --> 00:59:52.470

Village of Parish: driver opens yeah see where we go from there okay.

512

00:59:55.440 --> 00:59:58.860

Village of Parish: need the cameras on we know what that angle as well.

513

01:00:00.060 --> 01:00:04.560

Village of Parish: Alright, your social media Facebook status Steve good evening.

514

01:00:06.210 --> 01:00:13.260

Steve Ganetis: evening America as we discussed earlier in the week earlier in the week, unfortunately, with all the other stuff I had to do for the village, I did.

515

01:00:13.260 --> 01:00:18.540

Village of Parish: not get any progress on that well I know we kept you busy that's for sure.

516

01:00:19.710 --> 01:00:20.040

Village of Parish: Hello.

517

01:00:20.370 --> 01:00:23.790

Steve Ganetis: I cannot find the time between my schedule and all the other.

518

01:00:24.540 --> 01:00:28.680

Steve Ganetis: fun things I got to do right there was no progress.

519

01:00:29.940 --> 01:00:32.790

Steve Ganetis: And i'll talk more when we get to the executive session about.

520

01:00:33.240 --> 01:00:33.690

Steve Ganetis: me that.

521

01:00:34.410 --> 01:00:35.340

Village of Parish: Right, thank you.

522

01:00:36.630 --> 01:00:46.260

Village of Parish: All right, the water pressure project to talk to have been in touch with Ian and I got a call from Gregory Smith, who was from PCA.

523

01:00:47.160 --> 01:01:02.100

Village of Parish: worked with dank on the water project want to know what we want to do where we're at and what direction we're going to go, and I said at this point we haven't made any decisions and I haven't really spent a lot of time discussing it, but.

524

01:01:03.330 --> 01:01:09.000

Village of Parish: We probably need to come to some idea as to what consensus of what we want to do.

525

01:01:09.540 --> 01:01:16.500

Village of Parish: Whether we want to send a survey out and find out what the Community fields, or are we just going to take it upon ourselves and move in some direction.

526

01:01:17.340 --> 01:01:31.650

Village of Parish: Without their input and I think bad decision and do it without input from those people or town, which are, how far you want to go with it and who we want to work with it we're going to keep it just a village entity project, then.

527

01:01:33.150 --> 01:01:41.880

Village of Parish: We have to decide that and then I think survey is probably the best direction because yeah I think at this point they're just tired of hearing about it all and.

528

01:01:42.270 --> 01:01:53.190

Village of Parish: I don't want it to end up in the wastebasket because if you know what sincere about doing a project or want them to read it, and be informed, I think we are we at least six at least six months.

529

01:01:54.270 --> 01:02:13.110

Village of Parish: That way people might have forgotten well what happened before that's my thing I mean it was around three they're not gonna forget forget anyway, so I think we just I mean his district one done well that's what we it was asking.

530

01:02:14.970 --> 01:02:19.380

Steve Ganetis: Is not confirmed yet what I have done is I have reached out to Bob can dance.

531

01:02:19.950 --> 01:02:30.480

Steve Ganetis: He has informed me that he cannot make that decision and the town does not currently have a position on whether water district one is dead he referred me to a man by the name of jack Russell.

532

01:02:31.200 --> 01:02:40.530

Steve Ganetis: which I almost wanted to call him terrier but that's just me, I immediately contacted them left him a message I have not heard back, I was Barclay damon.

533

01:02:41.220 --> 01:02:50.940

Steve Ganetis: So I will talk to him and he will tell me exactly what the position of water district one is hopefully and then that might resolve at least one question.

534

01:02:52.230 --> 01:02:58.320

Village of Parish: Yes, I don't think we can do anything so we just thought we know what's going on with just one of those are just waste.

535

01:02:59.490 --> 01:02:59.760

Steve Ganetis: Time.

536

01:03:00.990 --> 01:03:08.100

Steve Ganetis: i'm not sure survey would be a bad idea, because that's not going to put us in any bad position legally or open us up to a liability.

537

01:03:09.630 --> 01:03:16.170

Steve Ganetis: Adrian I mean dude if we do the survey and then we find out Oh, we can't do it then maybe we're just going to anger, some people.

538

01:03:16.440 --> 01:03:30.810

Steve Ganetis: But I am I have a contact I am currently looking to see the legal status of water district one to see if I can get something in writing, saying that it's dead or alive, if it is alive, I will then ask if I can.

539

01:03:31.770 --> 01:03:38.430

Steve Ganetis: i'll start pressuring Bob going and to see what's going on with the municipal agreement seeing if it's a if we can get out of it.

540

01:03:38.970 --> 01:03:50.760

Steve Ganetis: Do it nicely, of course, and we'll see what we can do if this is something that the village wants to do, but we are making

progress, we have a new contact which we did not have before and hopefully we'll see what happens.

541

01:03:51.990 --> 01:03:59.580

Village of Parish: I think jack Russell worked with dank on the water project was a consultant Supervisor was working with with.

542

01:04:00.840 --> 01:04:10.050

Steve Ganetis: I believe so, too, I think the contract has jack Russell as the Attorney for water district one is why Bob can and told me to reach out to him.

543

01:04:11.730 --> 01:04:12.240

Village of Parish: So he might.

544

01:04:13.410 --> 01:04:14.760

Steve Ganetis: Be but.

545

01:04:16.230 --> 01:04:19.740

Village of Parish: isn't the villages call, as to whether we're in or out of it or.

546

01:04:21.720 --> 01:04:27.870

Steve Ganetis: I don't know that yet as as her past discussions we had said we're trying to do this nicely.

547

01:04:28.320 --> 01:04:32.400

Steve Ganetis: And figure things out before we decided to make a full on position.

548

01:04:32.730 --> 01:04:41.970

Steve Ganetis: So as of right now i'm just gathering information seeing what's going on, because if we don't have to take a position and things if we take a position on something that's already been decided.

549

01:04:42.570 --> 01:04:48.540

Steve Ganetis: Probably just make us look a little foolish might as well just see if it's dead or not, and if it is dead we're done from soft.

550

01:04:53.640 --> 01:04:55.200

Village of Parish: All right, well, thank you see.

551

01:04:57.450 --> 01:04:58.290

Village of Parish: What is the.

552

01:04:59.700 --> 01:05:03.000

Village of Parish: same questions of Gregor and he he didn't know either so.

553

01:05:04.080 --> 01:05:10.410

Village of Parish: And some of the trustee or councilman seem to have an opinion and the answer and I don't know how.

554

01:05:13.560 --> 01:05:18.000

Village of Parish: They were I was always told to get to the Attorney and sign up, so what I did.

555

01:05:19.440 --> 01:05:19.920

Village of Parish: All right.

556

01:05:21.150 --> 01:05:26.580

Village of Parish: Anything else under old business unfinished business yeah you get a new business so.

557

01:05:28.740 --> 01:05:32.730

Village of Parish: lanes lawn and landscape and we'll pick that up.

558

01:05:34.260 --> 01:05:34.710

Village of Parish: Okay.

559

01:05:36.060 --> 01:05:38.040

Village of Parish: All right, we'll go into executive session.

560

01:05:42.210 --> 01:05:43.590

Village of Parish: Second, second.

561

01:05:45.300 --> 01:05:49.110

Village of Parish: Right going to that session.

562

01:05:52.110 --> 01:05:58.110

Village of Parish: was a second I need to put some people in the waiting room okay and pause the recording.

563

01:05:59.250 --> 01:06:00.240

And i'll leave them.

564

01:06:02.730 --> 01:06:04.800

Over name and company using.

565

01:06:06.480 --> 01:06:08.820

Village of Parish: The name of the company for blogs are using me now.

566

01:06:17.820 --> 01:06:20.460

Village of Parish: Yes, what do you want those.

567

01:06:23.370 --> 01:06:23.790

Village of Parish: Small.

568

01:06:24.060 --> 01:06:25.320

Steve Ganetis: Yes, please, so the only one.

569

01:06:26.670 --> 01:06:27.570

Village of Parish: Right now, that.

570

01:06:31.560 --> 01:06:34.260

Village of Parish: same the guy wanted to call them carrier yeah.

571

01:06:37.980 --> 01:06:38.160

Village of Parish: The only.

572

573

01:06:46.140 --> 01:06:46.590

576

01:07:01.140 --> 01:07:02.040

Village of Parish: supervisor bag.

577

01:07:09.720 --> 01:07:10.470

Village of Parish: Did that go out.

578

01:07:13.980 --> 01:07:18.090

01:11:27.270 --> 01:11:29.130

Village of Parish: Maybe this kangaroo do do it.

627

01:11:31.560 --> 01:11:35.910

Village of Parish: Okay, all right, we got it with that advertise as well, or will be.

628

01:11:37.080 --> 01:11:46.560

Village of Parish: Alright alright, a budget discussion we had our last meeting with them hearing presentation, we need to take a vote.

629

01:11:47.820 --> 01:11:50.490

Village of Parish: i'll make a motion that we shot, the budget.

630

01:11:53.130 --> 01:11:59.790

Village of Parish: Presented presented on march 17 22nd so again.

631

01:12:02.550 --> 01:12:03.030

Village of Parish: Thank you.

632

01:12:04.620 --> 01:12:10.050

Village of Parish: All right, then the bank occupancy This is where the discussion was as to who and what.

633

01:12:11.160 --> 01:12:22.290

Village of Parish: The intent was that we took the Bank, Mr fuller that we could get a bank in here we're trying to get a bank in here, and nobody was interested because there wasn't enough parking.

634

01:12:25.320 --> 01:12:27.480

Village of Parish: Mr fuller had tried he wasn't.

635

01:12:28.590 --> 01:12:29.370

Village of Parish: Successful.

636

01:12:30.420 --> 01:12:40.230

Village of Parish: So it went up for auction he couple times, he got the bank back and handed over to us for \$1.

637

01:12:41.490 --> 01:12:42.240

and

638

01:12:43.440 --> 01:12:51.000

Village of Parish: It could be used for pizza shop gun shop, these were other ideas and gone around and now his other options, but some.

639

01:12:52.950 --> 01:12:53.790  
Village of Parish: Who knows what.

640  
01:12:57.390 --> 01:13:06.060  
Village of Parish: But right now we sit in possession of the bank and our intent was rather than have it sit empty and go to Ratan ruin side.

641  
01:13:06.720 --> 01:13:13.380  
Village of Parish: We would let the historical society occupy until either a sale or permanent whatever happened.

642  
01:13:14.310 --> 01:13:30.090  
Village of Parish: Today, has gone rotten ruin a water leak that no one anticipated or knew was going to happen, we had a growth in the events and no water can get out of the event and through the vents and drain, so it just came through the Bank so.

643  
01:13:32.610 --> 01:13:39.780  
Village of Parish: So this time we're just waiting to see Mr fuller had mentioned that he would buy it back for the dollar.

644  
01:13:41.010 --> 01:13:53.580  
Village of Parish: or not historical society would like some space to put their records in and make it a historical buildings, so that the public can find out a little bit about the history of Parish.

645  
01:13:54.600 --> 01:13:55.530  
Village of Parish: or whatever else.

646  
01:13:59.340 --> 01:14:00.840  
Village of Parish: I got 100 bucks in my pocket.

647  
01:14:02.160 --> 01:14:06.660  
Village of Parish: How the first he ever checked in.

648  
01:14:08.790 --> 01:14:12.720  
Village of Parish: Because he was born, he then I called him okay.

649  
01:14:15.060 --> 01:14:25.560  
Village of Parish: He must be done with that by now, though, or is it OK, and then we need work done on the furnace down here is resolved or inspection, so he comes, you can do those.

650

01:14:27.090 --> 01:14:32.670

Village of Parish: i'm real quick that to the lawn and garden thing yeah one and we put it on our Facebook.

651

01:14:34.200 --> 01:14:36.000

Village of Parish: wall see I would think so.

652

01:14:38.250 --> 01:14:39.390

Village of Parish: Did you have the truck on.

653

01:14:40.500 --> 01:14:47.790

Village of Parish: Every time there's well I know it's discussed because I didn't hear you we're going to go for auctions or something.

654

01:14:49.080 --> 01:14:50.910

Village of Parish: just missed it and okay.

655

01:14:52.530 --> 01:14:55.530

Village of Parish: And if it doesn't matter how, as long as we can get it moving.

656

01:14:56.580 --> 01:15:01.320

Village of Parish: off our roles, I guess um anything else for new business.
