Village of Parish: Alright cool thing was the one that you delete it forward to all right, yes, this one, yes yeah you should have in your life forward everything yeah okay i'll probably have yeah.

83

00:09:53.940 --> 00:09:54.780

Village of Parish: Okay.

84

00:09:56.730 --> 00:10:00.990

86

00:10:07.530 --> 00:10:08.100

Village of Parish: Okay.

87

00:10:10.260 --> 00:10:15.990

Village of Parish: Oh we'll those were for the planet for the plan is very.

88

00:10:18.120 --> 00:10:19.620

Village of Parish: dangerous for.

89

00:10:25.350 --> 00:10:25.770

Village of Parish: Probably.

90

00:10:26.880 --> 00:10:32.790

Village of Parish: The next couple of things, obviously, is, as we all know, we had the we had an issue with the.

91

00:10:34.260 --> 00:10:44.520

Village of Parish: South side system and it will kind of go to the side and doing all of that we failed every everything you could possibly fail this month.

92

00:10:46.710 --> 00:10:56.220

Village of Parish: For our species permit good dessert the regular say points for yes, it does, much as I hate it yes it's.

93

00:10:58.110 --> 00:11:02.130

Village of Parish: an actual task as soon as well, I mean.

94

00:11:03.330 --> 00:11:15.540

Village of Parish: I know it sounds crazy stupid because it is but it's the way our system works yeah I know i'm in and with the infrastructure build out pants and, hopefully, maybe we'll get some some luck here.

95

00:11:16.650 --> 00:11:20.010

Village of Parish: Hopefully, yes, so yeah so we feel everything.

96

00:11:21.540 --> 00:11:22.710

Village of Parish: Our our.

97

00:11:24.690 --> 00:11:30.630

Village of Parish: monthly average for flow is 60,000 gallons at our peak flow this month was 414,000 gallons.

98

00:11:31.680 --> 00:11:41.190

Village of Parish: um we we set all of the six and I don't remember off top my head, where they were put but two of them, we had to pull back out because they were.

99

00:11:42.000 --> 00:11:50.970

Village of Parish: A little bit too wide the inserts yeah they were just little bit too big that inset all the way down to the CAP wouldn't go down all the way to it has pulled them back out.

100

00:11:52.170 --> 00:11:57.450

Village of Parish: It may be done now, they may have shaped them put them back in and just had to shave a little bit off why the.

101

00:11:59.190 --> 00:12:04.590

Village of Parish: We had a couple of things that we're just a little smaller than the others, but hopefully that'll help us out a little bit.

102

00:12:10.740 --> 00:12:13.830

Village of Parish: And then, on Friday, as we discussed, we will have.

103

00:12:15.180 --> 00:12:19.950

Village of Parish: weather permitting and everything goes well Castle will be here with the crane to pull.

104

00:12:22.080 --> 00:12:22.290

Village of Parish: The.

105

00:12:23.730 --> 00:12:27.780

Village of Parish: listener out there, so when they click send and going to give us a whole new arm.

106

00:12:29.370 --> 00:12:36.420

Village of Parish: And again as a whole, you know what's happening, I was pulling that out, and then they're going to decide whether the metal is good enough to refurbish it.

107

00:12:37.170 --> 00:12:46.560

Village of Parish: Okay, I mean you definitely have a whole brand new bearing in the box oh yeah yeah that that's gone that are that are interested right so Now the question is.

108

00:12:46.950 --> 00:13:03.540

Village of Parish: When they pull it out, is there enough steel to repair what's there and put it back in on the top, or is it just worthless at this point, take it all out, but a whole new fabricated system and so that'll be that'll be a little bit more than what they called me and.

109

00:13:04.620 --> 00:13:09.180

Village of Parish: we'll see where we are now yeah okay we'll have a better idea, you know Monday, Tuesday.

110

00:13:11.580 --> 00:13:22.200

Village of Parish: So, because we get that one back working again, and when you switch it back over know switching back over there with Jay yeah, then we can put our plan together for the other one yeah yeah.

111

00:13:24.240 --> 00:13:30.300

Village of Parish: And you know so all of those tests and all those devices etc i'm going to have been on the phone.

112

00:13:31.500 --> 00:13:43.320

Village of Parish: With Tom thing go tomorrow just going over everything with them, because we we just got all the test results I haven't submitted everything to him, yet so i'll go over that with him tomorrow and he's been very good.

113

00:13:45.930 --> 00:13:58.290

Village of Parish: But, but at this point, you know we kind of actually need a consent order in order to move us to the points that haven't they haven't given us our consent over yet okay that was supposed to happen.

114

00:13:58.950 --> 00:14:09.060

Village of Parish: A couple of months ago yeah but and we haven't gotten it yet and and getting it actually gives us a better application for money so i'll talk about that, tomorrow, good.

115

00:14:13.830 --> 00:14:21.720

Village of Parish: And then we did have to call outs or power outages this month and we had we had a alarm.

116

00:14:24.300 --> 00:14:25.110

Village of Parish: High level.

117

00:14:26.370 --> 00:14:42.570

Village of Parish: But ended up being false alarms and corrected themselves I don't know if that's another situation where the alarm comes on, and then the pump catches up to it, you know well yeah little grinder pumps and then by the time we get out here it's it's already it's already done so.

118

00:14:45.030 --> 00:14:51.120

Village of Parish: What lessons, did you check somebody said, we did not get to around.

119

00:14:52.680 --> 00:14:55.380

Village of Parish: We didn't write anything needed by you know okay.

120

00:14:56.460 --> 00:14:58.650

Village of Parish: We brought that up, but I just.

121

00:14:59.820 --> 00:15:01.320

Village of Parish: Did they brought it up yeah.

122

00:15:04.140 --> 00:15:10.320

Village of Parish: It could have been just saw super or it could want or it could have gotten a high and then put it down again.

123

00:15:11.490 --> 00:15:18.930

Village of Parish: yeah but we didn't find anything that to suggest we have any issues over there okay just one of them.

124

00:15:20.250 --> 00:15:28.110

Village of Parish: keep my chicken dinner off absolutely and I just took the time and he said, we will have something for you by the next board meeting okay good.

125

00:15:29.520 --> 00:15:30.630

Village of Parish: training programs.

126

00:15:40.170 --> 00:15:42.180

Village of Parish: Any will have anything.

127

00:15:45.030 --> 00:15:52.230

Village of Parish: For December so he'll have that for December meeting so i'll make a motion that we accept canada's report.

128

00:15:57.660 --> 00:15:58.110

Village of Parish: Can.

129

00:15:59.220 --> 00:16:05.340

Village of Parish: You email this to us, I did okay so that's email to us, I can forward it to you.

130

00:16:07.440 --> 00:16:12.180

Village of Parish: Have you seen that one I was looking at that yeah I like that one yeah what is it.

131

00:16:14.130 --> 00:16:16.590

Village of Parish: Is wheel of fortune or.

132

00:16:20.130 --> 00:16:21.600

Village of Parish: wipes cloud wipes.

133

00:16:23.430 --> 00:16:24.840

Village of Parish: What can I do.

134

00:16:26.130 --> 00:16:27.780

Village of Parish: So yeah.

135

00:16:29.100 --> 00:16:34.530

Village of Parish: We can take that and just send the but that one's from the city of our Bourbon I talked to them.

136

00:16:36.270 --> 00:16:37.470

Village of Parish: and put your logo on it and.

137

00:16:39.840 --> 00:16:41.760
Village of Parish: I know a lot of a lot of.

138
00:16:43.530 --> 00:16:54.870
Village of Parish: trouble oh everybody is because they they just see the world quietly agreeable so they throw down and taking time yeah but that's not.

139
00:16:56.400 --> 00:16:57.960
Village of Parish: it's not and I heard.

140
00:16:59.250 --> 00:17:02.430
Village of Parish: Johnson and johnson's are changing their baby wipes you have to.

141
00:17:03.990 --> 00:17:13.200
Village of Parish: do anything and changing is evil and that that's all they're doing with that that was a class action suit to make them do it oh yeah yeah.

142
00:17:15.150 --> 00:17:15.450
Village of Parish: That was.

143
00:17:16.800 --> 00:17:21.900
Village of Parish: Not the only company don't know it was Johnson and Johnson was another Kimberly Clark.

144

160

00:19:49.410 --> 00:19:57.300

Village of Parish: On Tuesday April 19 of the turning stone event Center in Verona, this represents a change from the past we've had the conferences that.

161

00:19:58.020 --> 00:20:08.760

Village of Parish: Jeff some Community college and he's very good setting for us, we have reserved can alternative because they weren't getting established for us to be able to do.

00:20:09.630 --> 00:20:15.750

Village of Parish: In the timeframe that we needed to have to be able to start doing things like scheduling speakers so.

163

00:20:16.170 --> 00:20:30.390

Village of Parish: Turning stone was an option that we explored and ultimately we went with it, it does offer several advantages, I think, compared to Tracy see not that i'm sure we would instead of going back to juicy again, that was an option but turning stone.

164

00:20:32.610 --> 00:20:38.970

Village of Parish: it's entirely indoors when you go there to park you go there to park there's valet parking at three valet parking.

165

00:20:39.510 --> 00:20:46.020

Village of Parish: And everything is inside you don't have to go from building to building to get to the different meeting spaces so that's an advantage.

166

00:20:46.500 --> 00:20:56.280

Village of Parish: The other band is you'll note that it's a little bit later than our usual late March date and hopefully the weather, will be a little bit nicer in April 19 at it is at the end of March.

167

00:20:57.270 --> 00:21:09.060

170

00:21:29.280 --> 00:21:37.260

Village of Parish: I want to report to you that there's a new consideration to keep in mind for municipalities that are considering an opt out my years and for adult use cannabis there.

171

00:21:37.680 --> 00:21:48.390

Village of Parish: there's a new office of cannabis management with the website on state website and share the link there there's also a page specific to local governments which you'll find if you go there.

172

00:21:49.050 --> 00:22:03.480

Village of Parish: And the main news is that a municipality that POPs out via local law by the end of the year must also fill out a short form F of that and the link on that it's on the canvas website.

173

00:22:04.890 --> 00:22:15.000

Village of Parish: has come up about cannabis text distribution in the communities that do opt out the opposite of cannabis management has this been made, which explains how the whole thing works.

174

00:22:16.590 --> 00:22:27.060

Village of Parish: And the opposite can also have the effect or local governments and i've got a copy of it for you, and please feel free to make copies of that as.

175

00:22:28.440 --> 00:22:28.620

176

00:22:31.980 --> 00:22:37.050

Village of Parish: Then, last but not least, I was able to be in the right place at the right time today to help them a URBAN.

177

00:22:38.160 --> 00:22:45.000

Village of Parish: settings on their computer, which were impeding their ability to open up a PDF attachment just kind of an important thing.

178

00:22:48.030 --> 00:22:49.530

Village of Parish: So I was a little for that.

179

00:22:51.570 --> 00:22:53.430

Village of Parish: And that's all I had for you, for tonight.

180

00:22:57.060 --> 00:22:57.840

188

00:23:48.810 --> 00:23:51.000

Village of Parish: yeah Mary had one I thought.

189

00:23:52.740 --> 00:23:55.830

190

00:24:00.810 --> 00:24:01.140

193

00:24:13.770 --> 00:24:19.500

Village of Parish: kind of put them on the back burner because they wanted all these things done before they even come into the picture yeah.

194

00:24:22.170 --> 00:24:32.730

Village of Parish: Alright, our audit has been advertised for the year 19 to 2019 and 2020 and as of yet we've had no response from the advertisement.

195

00:24:34.290 --> 00:24:35.400

Village of Parish: So we may have to.

196

00:24:36.660 --> 00:24:45.300

Village of Parish: start looking for some company and say where we go from there, but learning a couple of names are popular company okay.

197

00:24:50.910 --> 00:24:55.680

Village of Parish: Now, maybe something we're going to have to pursue if we aren't getting any response from.

203

00:25:55.650 --> 00:25:59.700

Village of Parish: Did he give you pricing, you said there might be a little bit of them.

204

00:26:01.320 --> 00:26:04.230

Village of Parish: Because of the prices went up since July, you write.

205

00:26:05.670 --> 00:26:11.580

Village of Parish: Something that didn't do nothing major I said what you're talking about over and over and over just a couple okay.

206

00:26:18.420 --> 00:26:21.330

Village of Parish: All right, so I think we should go with this.

207

00:26:22.680 --> 00:26:33.750

Village of Parish: One of the fact of all the craziness that happened hers as of late, I think we need to get I think we should move on it's been on the agenda for quite a while, and I know she really except.

208

00:26:35.430 --> 00:26:38.700

00:26:48.780 --> 00:26:51.810

Village of Parish: I know it was mentioned along the way, but I don't know what they came in with.

211

00:26:53.280 --> 00:26:54.660

Village of Parish: don't care on a channel.

212

00:26:55.770 --> 00:26:57.900

Village of Parish: Just one care don't care.

213

00:27:00.840 --> 00:27:01.920

214

00:27:08.820 --> 00:27:10.110

Village of Parish: He made emotion or.

215

00:27:11.730 --> 00:27:13.410

216

00:27:18.630 --> 00:27:20.460

Village of Parish: Alright sounds good.

217

00:27:21.480 --> 00:27:22.680

Village of Parish: Did underway and.

218

00:27:24.900 --> 00:27:29.190

Village of Parish: they're building a little more secure than what we've got the present time, that would be good.

219

00:27:31.200 --> 00:27:34.620

Village of Parish: And i'm sure we'll be happy to hear that acting on that.

220

00:27:36.390 --> 00:27:40.500

Village of Parish: i'm still itself sinus I think we had said, we have put it off, but.

221

00:27:42.180 --> 00:27:56.610

Village of Parish: Kathy valor dice was going to address can feel part and supply us with a supply list so that she can work on that come Spring Report Okay, so if she do that, then we can get the materials.

222

00:27:57.750 --> 00:28:01.320

Village of Parish: In time, for her to get started come spring and we'll leave that off till.

223

00:28:02.670 --> 00:28:04.590

224

00:28:05.880 --> 00:28:11.130

Village of Parish: that'll be nice to have that done and Tom you about pulled out donate.

225

00:28:13.980 --> 00:28:17.580

Village of Parish: Okay, and she'll boy just ring okay.

226

00:28:18.600 --> 00:28:24.750

Village of Parish: And she's quite willing to do it for us to friends all right good.

227

00:28:28.440 --> 00:28:29.460

Village of Parish: But there was the one.

228

00:28:30.750 --> 00:28:32.610

Village of Parish: But I guess there's more was the other one again.

229

00:28:33.690 --> 00:28:37.290

Village of Parish: The other one down here, it can feel park but.

230

00:28:38.520 --> 00:28:40.950

Village of Parish: Kathy our dice was going to address that one okay.

231

00:28:42.900 --> 00:28:45.540

Village of Parish: So gail just had to do the one in front done by you.

232

00:28:46.920 --> 00:28:53.010

Village of Parish: Know good job done and I think those are the only two cents it needed addressing the village wasn't it yes right.

233

00:28:56.850 --> 00:29:00.480

Village of Parish: up on the screen that bring that up again in the spring them.

234

00:29:01.770 --> 00:29:02.940

Village of Parish: All right, our local law.

235

00:29:04.380 --> 00:29:12.150

Village of Parish: Adoption pursuant to the cannabis law number 131 and with this local law.

236

00:29:14.220 --> 00:29:15.900
Village of Parish: As it stated in the.

237
00:29:17.640 --> 00:29:20.370
Village of Parish: outline that was given or the loss is stated that.

238
00:29:21.480 --> 00:29:29.280
Village of Parish: Our attorney gave us local or pursuant to the cannabis law 131 opting out of the licensing and establishing retail cannabis dispensaries.

239
00:29:29.790 --> 00:29:34.950
Village of Parish: And or on site cannabis consumption establishes within the village of parish.

240
00:29:35.730 --> 00:29:54.930
Village of Parish: Now, with this acceptance of the local law as it's written can be modified change at any future date and in the future, so, even if we were to vote it through, it can be changed and altered, upon request by anybody or anyone that wants to.

241
00:29:57.000 --> 00:30:07.980
Village of Parish: We voted last time last month and came up even so either half by the end of the year we either have to opt in or opt out, and if we opt in.

242
00:30:09.240 --> 00:30:23.760
Village of Parish: The cannabis, and this is what this if we do nothing, we are in, and have establishing these allowing for the dispensary so if we opt out, you need a local law, and this is the local laws have stated right So is there a.

243
00:30:25.020 --> 00:30:27.840
Village of Parish: motion to pursue or.

244
00:30:29.760 --> 00:30:30.420
Village of Parish: To accept.

245
00:30:32.520 --> 00:30:36.540
Village of Parish: option to opt out, we what's your desire.

246
00:30:37.890 --> 00:30:38.580
Village of Parish: We voted.

247

00:30:39.720 --> 00:30:48.480

Village of Parish: No, even though we didn't make a motion to opt out, it was so the law is written down, so now we have always wanted to know.

248

00:30:50.490 --> 00:30:56.370

Village of Parish: We did have emotion to opt out, it was second it so we went with the local law, I guess the local law now we have.

249

00:30:57.750 --> 00:30:58.560

Village of Parish: A local law.

250

00:31:00.150 --> 00:31:01.890

Village of Parish: And so I think we should have.

251

00:31:03.990 --> 00:31:04.470

Village of Parish: We should have.

252

00:31:06.480 --> 00:31:08.640

Village of Parish: All kinds of reasons okay it's Okay, no.

253

00:31:12.090 --> 00:31:13.020

Village of Parish: One in the villages.

254

00:31:14.040 --> 00:31:21.300

Village of Parish: Right that's a mistake Germans who bits of those licenses unless you have to perish.

255

00:31:22.440 --> 00:31:29.460

Village of Parish: But what Okay, the other on the other hand, why do we want to allow this within the village with the issues that we.

256

00:31:30.690 --> 00:31:34.020

Village of Parish: Is it all that profitable, is it worth to make sure sure is.

257

00:31:37.050 --> 00:31:40.470

Village of Parish: a bunch of earnings are usually people that have a little bit of money.

258

00:31:43.380 --> 00:31:45.660

Village of Parish: Is way more expensive than buying them on the screen.

259

00:31:46.770 --> 00:31:53.010

Village of Parish: So you won't have the young people wanting, and I can't affordable there, we have to be 21 anyway.

260

00:31:56.250 --> 00:31:56.580

Village of Parish: alright.

261

00:31:58.020 --> 00:31:58.920

Village of Parish: So, as you can.

262

00:32:01.440 --> 00:32:05.580

Village of Parish: Tell the local law do we learning to adapt the local long.

263

00:32:07.230 --> 00:32:08.520

Village of Parish: Take a roll call vote.

264

00:32:10.140 --> 00:32:10.500

Village of Parish: No.

265

00:32:11.970 --> 00:32:30.660

Village of Parish: Or you don't want the one I want the local law, you want the local co opting out of the local out of it, so we can get so we can bring know we can go okay Now you can bring in OK OK clerk you want to roll call vote.

266

00:32:32.820 --> 00:32:33.060

Village of Parish: Now.

267

00:32:35.520 --> 00:32:48.690

Village of Parish: yeah the alarm funny here states, the local law opting out of licensing is what it says so, so we go to We happen out of that mean we don't get the you don't get the dispensaries opting out of.

268

00:32:49.470 --> 00:32:57.420

Village of Parish: Allowing and its licensing and establishing retail dispensary within village of parish because I know last last time we did that.

269

00:32:58.440 --> 00:33:03.990

Village of Parish: Somehow you know well, as I said before, normally you don't have to act in.

270

00:33:05.460 --> 00:33:14.700

Village of Parish: Your in this case, we are in were opting out usually you have to work to get in for just simplicity sake, to say you know.

271

00:33:16.380 --> 00:33:17.460

Village of Parish: That might be a better.

272

00:33:19.980 --> 00:33:20.880

Village of Parish: asked her the boy.

273

00:33:23.460 --> 00:33:27.060

Village of Parish: yeah confusion, yes, but no.

274

00:33:29.400 --> 00:33:37.020

Village of Parish: So i'm sorry oh yes okay trust the chatterton stained.

275

00:33:40.110 --> 00:33:41.610

Village of Parish: just emerged as.

276

00:33:43.320 --> 00:33:43.980

Village of Parish: Well, it got.

277

00:33:45.690 --> 00:33:54.180

Village of Parish: People or gender is about a visa suspended the restrictions for the prisons, we can vote yes.

278

00:33:58.440 --> 00:33:59.040

Village of Parish: Yes.

279

00:34:01.830 --> 00:34:02.310

David Welytok: Yes.

280

00:34:05.550 --> 00:34:06.330

David Welytok: Yes.

281

Village of Parish: yeah right, so I was able to speak to Mr cadets he is going to draft up all the documentation make everything Nice and.

287

00:34:44.580 --> 00:34:46.380

Village of Parish: For our approval and we're done.

288

00:34:47.550 --> 00:35:01.020

Village of Parish: as per the book last week and a little confusion of my notes didn't say whether they're actually was it or not, but there was kind enough fair enough, so we are good to go we're just we don't have to do a single day we just wait for Bob and.

289

00:35:03.720 --> 00:35:12.600

Village of Parish: Then he's gonna and then we'll take a look at it i'll bring it OK, I see it, and we've had any changes we get to make them in that where we tell him today.

290

00:35:16.440 --> 00:35:18.480

Village of Parish: We have no responsibility whatsoever.

291

00:35:19.620 --> 00:35:22.710

Village of Parish: as of right now, we have no we don't do a single day.

292

00:35:23.790 --> 00:35:25.530

Village of Parish: Okay, all right.

293

00:35:27.090 --> 00:35:33.810

Village of Parish: Alright, we discussed the banners and those are being well should be in sometime this week or next right.

294

00:35:34.830 --> 00:35:37.740

Village of Parish: you've got the assistance to get a mountain well.

295

00:35:39.090 --> 00:35:47.340

Village of Parish: I may, I may have fun today, when the guys are both here, so if I can't get go and boy.

296

00:35:52.380 --> 00:35:54.690

Village of Parish: Alright, continuing anything else from business.

297

00:35:56.190 --> 00:35:58.800

Village of Parish: My head item page that we had from last month, where.

298

00:35:59.850 --> 00:36:01.950

Village of Parish: treasure had to send a letter off to.

299

00:36:04.080 --> 00:36:07.770

Village of Parish: Somebody Community program specialist of the.

300

00:36:09.060 --> 00:36:21.210

Village of Parish: All usda regarding our expenses and how they're going to be sent, and they wanted all of it and we had to justify not sending all of it so Kevin did get that letter sent off and, hopefully, everything will be.

301

00:36:22.320 --> 00:36:26.640

Village of Parish: Well, and accepted and with little enough problems or issues resolving from that.

302

00:36:29.250 --> 00:36:34.350

Village of Parish: Business I just want to make sure it's always a little bit before Neil.

303

00:36:37.200 --> 00:36:45.210

Village of Parish: Does similar they pull it out and then look at everything to the quote was 50 \$780 and then from there, put together the proposal.

304

00:36:47.580 --> 00:36:50.370

Village of Parish: that's our home our bond, do you think it'll have to be different.

305

00:36:51.480 --> 00:36:55.710

Village of Parish: But I really didn't take the time to do it should be done right.

306

00:36:57.000 --> 00:36:58.500

Village of Parish: it's gonna be pretty quick, I think.

307

00:37:01.650 --> 00:37:02.280

Village of Parish: I think it is.

308

00:37:05.850 --> 00:37:06.420

Village of Parish: Actually.

309

00:37:10.740 --> 00:37:13.530

Village of Parish: going to my okay what's the fun of that Neil.

310

00:37:15.510 --> 00:37:19.200

Village of Parish: II II II know i'm watching football game or both fall asleep.

311

00:37:23.910 --> 00:37:27.660

Village of Parish: Thank you okay alright continuing new business.

312

00:37:28.830 --> 00:37:32.580

Village of Parish: nicer we had talked we had Chris Chris.

313

00:37:35.070 --> 00:37:35.640

Village of Parish: Karen.

314

00:37:37.110 --> 00:37:37.590

Village of Parish: carolyn.

315

00:37:39.060 --> 00:37:42.810

Village of Parish: Okay, was this last month and.

316

00:37:45.180 --> 00:37:48.030

Village of Parish: He presented our options for.

317

00:37:49.650 --> 00:37:52.980

Village of Parish: me the program Community programs and getting funding.

318

00:37:54.210 --> 00:38:02.640

Village of Parish: And at that time we had the CEO was going to be able to attend, one of the seminars and that would assist us in the funding well.

319

00:38:03.510 --> 00:38:09.540

Village of Parish: that's going to change so when the new codes officer comes in, he can participate in that training session.

320

00:38:10.470 --> 00:38:17.790

Village of Parish: And as as a result, we can go with benchmarking resolute there's a resolution, I think that was forwarded to you.

321

00:38:18.240 --> 00:38:33.780

Village of Parish: That will assist us in getting funding and then from the funding, we can move forward and get to the CV we're talking about and looking forward to eventually here within the village, so we need a resolution to pursue the benchmarking and.

322

00:38:37.080 --> 00:38:46.830

Village of Parish: look pretty good to me yeah yeah it's not real complicated and many of the other Community municipalities did go with the benchmarking being it was one of the.

323

00:38:47.400 --> 00:39:00.420

Village of Parish: easier, as unless can committed once, however, now that it's what 2021 they've modified it because a lot of the municipalities jumped in but for the phone didn't really follow through so.

324

00:39:00.900 --> 00:39:14.130

Village of Parish: they've got their fingers to it now that, to make it a bit more definite that we follow through which isn't hard but it's just a matter of doing it so Jackie and emotion on sort of second I said all right now i'm favor.

325

00:39:15.420 --> 00:39:31.500

Village of Parish: Right very good it's all it is, is a matter of tracking energy usage within their municipality facilities and that's not real complicated or difficult to understand or to do, and they will assist in anything that.

326

00:39:32.730 --> 00:39:43.320

Village of Parish: needs to be done and I guess, from what I understood that the grid has at all it's just a matter of getting it back from grid and applying it to their program and making it work so sounds fairly simplified.

327

00:39:45.090 --> 00:39:48.390

Village of Parish: Planning board vacancies, there are two vacancies we had.

328

00:39:50.040 --> 00:39:57.210

Village of Parish: addressed this last month, but Kevin had said that he wanted to wait and see after the elections, whether or not he gets reported to the planning board.

329

00:39:57.960 --> 00:40:06.180

Village of Parish: And, as a result of the election results he's willing to be reappointed so we have to make emotion and excitement commotion now we have Kevin.

330

00:40:06.840 --> 00:40:13.830

Village of Parish: be really pointed to the right way, he works as a village representative on the Committee second all right on paper.

331

00:40:14.790 --> 00:40:28.980

Village of Parish: and also with Ben being not on the board having resigned from the board, we have a substitute position and the Miss gemma's a volunteer to take that as a substitute position.

332

00:40:29.640 --> 00:40:38.970

Village of Parish: But we need to make the appointment so is their emotion, the hidden codes officer yeah and it's really only what has been mobile first right.

333

00:40:40.080 --> 00:40:45.480

Village of Parish: It wouldn't be able to do but it's only a subset your position until the end of the year and then emotion okay.

334

00:40:48.090 --> 00:41:04.260

Village of Parish: Jackie made the motion time second and so all in favor no problem very good asleep asleep and I don't know is the election results all finalized now, or are we still waiting tactically done.

335

00:41:07.020 --> 00:41:16.500

Village of Parish: About posting them because we're still going there's a couple challenges, so the official results aren't done yet and they're still doing other towns, I thought okay.

336

00:41:17.490 --> 00:41:28.590

Village of Parish: She was hoping, by the end of the week, that they would be posted on there, you know it's a great song as of right now appears that our coats officers, going to be the new supervisor.

337

00:41:30.270 --> 00:41:31.290

Village of Parish: superintendent.

338

00:41:35.820 --> 00:41:36.210

Village of Parish: Oh yeah.

339

00:41:39.390 --> 00:41:41.970

Village of Parish: you're getting the same amount There you are, yes.

340

00:41:43.980 --> 00:41:45.090

Village of Parish: pleasure more fun.

341

00:41:46.710 --> 00:41:48.930

Village of Parish: To Supervisor, the same exact.

342

00:41:50.910 --> 00:42:09.090

Village of Parish: New superintendent highway and that is for Mr whoring George morning to new board members dakotan and Robin robot okay yeah and then we need to get a new coach officer right yeah yes, I will be approaching the board.

343

00:42:10.290 --> 00:42:17.580

Village of Parish: Maronites to remind them to advertise for someone so somebody by the first.

344

00:42:18.630 --> 00:42:20.340

Village of Parish: That we get a little ahead of the game.

345

00:42:22.680 --> 00:42:23.400

Village of Parish: called Chris.

346

00:42:27.660 --> 00:42:29.520

Village of Parish: Oh, see that experience.

347

00:42:30.600 --> 00:42:31.500

Village of Parish: Man knows every.

348

00:42:32.820 --> 00:42:34.890

Village of Parish: time I can apply, then, if the damage is it.

349

00:42:36.480 --> 00:42:36.990

Village of Parish: called.

350

00:42:38.820 --> 00:42:48.030

Village of Parish: That i've got currently to other local CEOs that may want the position, so the more that why the better, that the the board can choose which one they.

351

00:42:49.800 --> 00:42:54.390

Village of Parish: deal with it from there, see me like you get an awful lot more what these people.

352

00:42:56.790 --> 00:42:57.930

Village of Parish: Firm nor deny that.

353

00:43:00.420 --> 00:43:01.740

Village of Parish: You want us to confirm it.

354

00:43:03.960 --> 00:43:06.330

Village of Parish: We don't want to downplay it was right.

355

00:43:07.710 --> 00:43:09.810

Village of Parish: There is always.

356

00:43:10.920 --> 00:43:11.160

Village of Parish: one.

357

00:43:13.980 --> 00:43:14.460

Village of Parish: Yes.

358

00:43:15.510 --> 00:43:16.890

Village of Parish: Much more diligent, then.

359

00:43:17.940 --> 00:43:32.700

Village of Parish: We have seen in the past, I think he tells me what he did he calls us up after meetings with the other one just like yeah I went out, and I did this, but that was it didn't you know, I think that was a lot right.

360

00:43:34.590 --> 00:43:35.970

Village of Parish: All right, um.

361

00:43:38.430 --> 00:43:52.500

Village of Parish: We have the property and bangle roads and then some someone listen today and said that we need new or have posting know hunting posters out there on that property.

362

00:43:53.130 --> 00:44:10.920

Village of Parish: And I just don't know what's there, but apparently ones that are there are damaged or in need a replacement so we'll need to get new signs out there and purchase new ones and get them set up on our he was willing to set them out there if we get the science.

363

00:44:12.450 --> 00:44:25.740

Village of Parish: what's his name bill watterson hutchison say we had to get them on TV willing to get off, he was going to put them up, but I don't know if he said he was going to get him or did he tell you I talked to him, he said, well, he said.

364

00:44:27.270 --> 00:44:36.630

Village of Parish: Oh right, I think, maybe if we spoke to him yeah he does have a lot and privileges and he says he's got you know okay you're off there in the last few years, so yeah.

365

00:44:37.470 --> 00:44:46.140

Village of Parish: yeah he was anxious to get him that, secure and posted so while he's willing to do that, then we can just leave it with them that sounds good.

366

00:44:47.340 --> 00:44:54.180

Village of Parish: um also how are we going with the cleaner, do we need to still advertise or have we advertised someone's.

367

00:44:55.740 --> 00:44:58.890

Village of Parish: Leaving another job mid December mid December.

368

00:45:00.000 --> 00:45:00.540

Village of Parish: Right.

369

00:45:02.100 --> 00:45:05.760

Village of Parish: that she would you know be glad to take it once they're.

370

00:45:07.080 --> 00:45:13.920

Village of Parish: Not will have to advertising and we'll just have to see on a pretty good way because people like talk to them.

371

00:45:15.060 --> 00:45:21.690

Village of Parish: And i'm going to do it for right now, it says there's only 1700 left in the budget for six months for a player.

372

00:45:23.370 --> 00:45:27.810

Village of Parish: yeah we can do we take some general.

373

00:45:30.510 --> 00:45:33.090

Village of Parish: It What did he say what did you rate was he putting that and.

374

00:45:34.860 --> 00:45:36.630

Village of Parish: He said that's all it was luck, we can look.

375

00:45:39.090 --> 00:45:40.830

Village of Parish: At something that's a smartwatch at all.

376

00:45:41.850 --> 00:45:49.140

Village of Parish: I actually think to be the best pricing yeah do not working 40 hours a week right right.

377

00:45:50.490 --> 00:45:51.660

Village of Parish: Right they're not full time.

378

00:45:52.950 --> 00:45:54.630

Village of Parish: It does a little bit more in the summertime.

379

00:45:56.160 --> 00:45:58.380

Village of Parish: \$10 and 40 cents an hour.

380

00:46:01.980 --> 00:46:08.100

Village of Parish: I have one one other thing all right Okay, which I did, these are the bears and.

381

382

00:46:15.750 --> 00:46:17.520

Village of Parish: This it was he told me that yeah yeah.

383

00:46:20.640 --> 00:46:38.610

00:46:44.190 --> 00:46:45.750

Village of Parish: priceless or something.

386

00:46:48.360 --> 00:46:51.240

Village of Parish: But but \$100 apiece okay.

387

00:46:52.290 --> 00:46:53.280
