

WEBVTT

1

00:00:38.930 --> 00:00:40.890

Village of Parish: Said it should be a quick meeting.

2

00:00:40.950 --> 00:00:42.720

Village of Parish: Agenda looks like you're booking.

3

00:00:43.220 --> 00:00:49.999

Village of Parish: so I gotta see my son Cement and I can come back.

4

00:00:50.590 --> 00:01:06.129

Village of Parish: I think we I mean, she was saying. She was. She was looking at 6 30, so I don't know. We'll get on quite that early, but I feel like. So by 7 0, we don't get any. You never know we could always get. It could be that one meeting where we actually get some citizens coming in, you know, with their grievances and whatnot.

5

00:01:07.820 --> 00:01:11.910

Village of Parish: But I think people have better stuff to do

6

00:01:13.090 --> 00:01:16.509

Village of Parish: beautiful summer, so I don't know if there's an issue.

7

00:01:18.291 --> 00:01:25.089

Village of Parish: Don't tell him, Paul, or something

8

00:01:25.220 --> 00:01:26.160

Village of Parish: Gray.

9

00:01:27.630 --> 00:01:34.999

Village of Parish: I mean, that's if we stay quiet. And it's okay. I know that one back there. I didn't even try to turn out, because I know that's the clanky one

10

00:01:55.940 --> 00:02:01.600

Village of Parish: already. 3, 4 signatures. Oh, Scott was here already. He was waiting for pizza, I guess.

11

00:02:02.080 --> 00:02:04.540

Village of Parish: Stop them when they made it in press belts.

12

00:02:06.790 --> 00:02:09.990  
Village of Parish: Hey, Jerry, is that the general? Yeah, yeah, cool.

13  
00:02:10.759 --> 00:02:14.359  
Village of Parish: Yeah, no, no worries.

14  
00:02:25.730 --> 00:02:26.460  
Village of Parish: We're just

15  
00:02:28.810 --> 00:02:38.459  
Village of Parish: no right. And I'm the one. And then the end of that.  
Is that what the is that SEO thing there? I forgot. What the

16  
00:02:38.550 --> 00:02:41.530  
Village of Parish: oh, is that the \$3,500? One that was.

17  
00:02:41.998 --> 00:02:47.991  
Village of Parish: Oh, the Cta, okay, yeah. You'll get to a municipal  
solutions, one still sewer

18  
00:02:48.550 --> 00:02:53.649  
Village of Parish: something or other. The sewer SEO. I see it again.  
There's a number of 5 9.

19  
00:02:54.090 --> 00:03:03.299  
Village of Parish: Oh, yeah, yeah, yep, that's the mayor said at the end  
of the day that they started this doing the survey.

20  
00:03:03.560 --> 00:03:06.049  
Village of Parish: It's good progress has been made.

21  
00:03:06.250 --> 00:03:08.258  
Village of Parish: William. How are you

22  
00:03:09.500 --> 00:03:11.779  
Village of Parish: any exciting

23  
00:03:11.820 --> 00:03:26.130  
Village of Parish: events this past couple of months? I want to hear the  
fun stuff.

24  
00:03:27.750 --> 00:03:31.720

Village of Parish: No credit. It's never fun. No.

25

00:03:32.110 --> 00:03:34.300

Village of Parish: Gotcha, gotcha. Yeah, that makes sense.

26

00:03:35.010 --> 00:03:39.536

Village of Parish: Some of that we see on TV that looks entertaining. Isn't people actually involved

27

00:03:41.260 --> 00:03:42.080

Village of Parish: execution?

28

00:03:43.560 --> 00:03:45.620

Village of Parish: Good? You could make a huge

29

00:03:45.890 --> 00:03:52.549

Village of Parish: yeah, I believe that some of these people they're pretty pretty far out. Yeah, we've got you got this guy going around

30

00:03:52.800 --> 00:03:55.139

Village of Parish: checking on dogs. You know.

31

00:03:55.950 --> 00:03:59.487

Village of Parish: they got some like Don Gordon, or like a

32

00:04:00.050 --> 00:04:02.220

Village of Parish: I was just okay. Okay.

33

00:04:02.470 --> 00:04:03.170

Village of Parish: laptop.

34

00:04:04.617 --> 00:04:12.440

Village of Parish: So like official thing, though, or yeah.

35

00:04:12.510 --> 00:04:13.550

Village of Parish: very well.

36

00:04:14.153 --> 00:04:21.479

Village of Parish: the other dog has to do with her left your dog's license to town.

37

00:04:22.075 --> 00:04:31.279

Village of Parish: Oh, yeah, we have that. We've been good, that she does very well do the deliberation

38

00:04:32.715 --> 00:04:43.639

Village of Parish: every other year, or something you gotta register.

39

00:04:46.580 --> 00:04:54.323

Village of Parish: Well, good luck with all that. Yeah.

40

00:04:55.570 --> 00:04:57.680

Village of Parish: I can come back.

41

00:04:57.800 --> 00:05:02.526

Village of Parish: Thank you.

42

00:05:05.030 --> 00:05:24.070

Village of Parish: I would have brought some leftover cookies from Mary and my sister in the pastry shop. She made cookies for a baby shower, and there was. There was a few left, and I could use that as an excuse, so I could get one. I think that's Kelly's cake, but I'm not sure

43

00:05:24.410 --> 00:05:25.350

Village of Parish: they come in.

44

00:05:25.700 --> 00:05:26.500

Village of Parish: He did.

45

00:05:27.220 --> 00:05:31.157

Village of Parish: Oh, when you get a minute. I have a clarification question for you.

46

00:05:34.820 --> 00:05:36.060

Village of Parish: Street lights

47

00:05:36.160 --> 00:05:48.099

Village of Parish: seems lower. Seems like it's only 800 or higher. 7, 75. I saw 7, 75. It was like in New Jersey, and they have.

48

00:05:48.240 --> 00:06:15.960

Village of Parish: I know it was either you or Neil that had mentioned that because I thought the 800 something because I joined her in the

winter time. Days were shorter than it was 800 something. And I was like, Yeah, I was in shock. Are you kidding me every month.

49

00:06:16.380 --> 00:06:22.259

Village of Parish: But, hey, good thing that you know. The days have been nice and long. We got a lot of sun.

50

00:06:22.390 --> 00:06:43.520

Village of Parish: but we've got a good balance, though rain, too, so my tomatoes are great. I don't have a few plants, but my tomato. I have 2 tomato plants, and they're just massive. They're I mean, they live like trees right now. Yeah, hey? Our kangaroo, like they charge 35 bucks. I bet they do your yard for like 20 bucks.

51

00:06:43.580 --> 00:07:01.279

Village of Parish: Just let them do it. I did put all that money into your lawnmower. You might just want to give up my hangar to our parks. They're in here somewhere.

52

00:07:01.894 --> 00:07:28.135

Village of Parish: I mean no, no like. So each. Oh, no, they're in the suit. They're in the sewer sewer and general. Okay, the one I saw was, Yeah, it's per, you know, mo, but you don't have to like codes. And you know, whatever whatever do, once a month, yeah.

53

00:07:34.241 --> 00:07:37.200

Village of Parish: little head tires like this.

54

00:07:40.690 --> 00:07:42.380

Village of Parish: how much are Google here?

55

00:07:44.620 --> 00:07:50.650

Village of Parish: Maybe probably should just look up the number first.st

56

00:07:50.780 --> 00:07:52.450

Village of Parish: Okay, here we go.

57

00:07:53.650 --> 00:07:54.380

Village of Parish: Wonderful.

58

00:07:57.143 --> 00:08:13.138

Village of Parish: No phone number. They're they're in Paris, though. 30 72 west on the other side of

59

00:08:14.130 --> 00:08:18.139

Village of Parish: he lives on our side of the road. Yeah.

60

00:08:18.200 --> 00:08:37.460

Village of Parish: yeah, just a little bit. He could probably drive the bar right from his house over to get your yard. I would just do that at this point. I mean it sucks dumping a bunch. I got lucky last year. I only had to get the starter and that, and then it was running because I was thinking the same thing. I'm like, you know, I'm not going to just keep

61

00:08:37.500 --> 00:08:45.913

Village of Parish: pour money into this mower. I don't wanna waste all my time, really. Anyway. So baseball. I'm part of the battery and and the

62

00:08:46.989 --> 00:08:56.741

Village of Parish: initially. No, not the issue we started. It starts. It just makes it the lovely

63

00:08:58.010 --> 00:09:06.422

Village of Parish: something car issue. Beautiful issue shouldn't be if I use the. I guess

64

00:09:07.670 --> 00:09:11.750

Village of Parish: \$40 to fill my little can, and it gets me like a few moves.

65

00:09:13.200 --> 00:09:16.969

Village of Parish: But other, you know, crazy stuff with the ethanol, and

66

00:09:17.060 --> 00:09:26.289

Village of Parish: has more more of a chance breaking down on the door while we're on good, because it was all spluttering and stuff before. I mean, it's like almost 20 years old. I'm just watching that. So

67

00:09:26.780 --> 00:09:36.129

Village of Parish: still running and taking care of me. Well, yes, gotta keep up on the maintenance. Sure. Yeah, you can lock it. I've got my keypower.

68

00:09:37.100 --> 00:09:39.490

Village of Parish: I have to go get to the level

69

00:09:39.860 --> 00:09:42.449

Village of Parish: trying to save this engagement. So

70

00:09:42.520 --> 00:09:45.080

Village of Parish: also, just bring all this stuff

71

00:09:46.070 --> 00:09:47.349

Village of Parish: questions I want.

72

00:09:47.400 --> 00:09:48.889

Village of Parish: They could walk open.

73

00:09:49.150 --> 00:09:51.780

Village of Parish: We could always, I mean, I'm sure they can provide.

74

00:09:52.550 --> 00:09:55.499

Village of Parish: They could always just email. Or if it's something that

75

00:09:56.080 --> 00:09:56.830

Village of Parish: you know

76

00:09:57.200 --> 00:09:58.870

Village of Parish: from you. Hold on.

77

00:09:59.510 --> 00:10:10.079

Village of Parish: I think Jack and I use the email. Jerry, you haven't used it.

78

00:10:11.080 --> 00:10:11.910

Village of Parish: Get up.

79

00:10:12.290 --> 00:10:14.429

Village of Parish: including him.

80

00:10:15.177 --> 00:10:22.330

Village of Parish: Yeah. Oh, that's why you could set so through the gmail app, you could set up the village.

81

00:10:23.506 --> 00:10:33.900

Village of Parish: That's what I do. Yeah, it doesn't always so like Gmail will notify you right away. Sometimes you know the servers lower at notifications. But yeah, it works. Great

82

00:10:35.630 --> 00:10:38.730

Village of Parish: 3, 1 c. 2 am.

83

00:10:41.770 --> 00:10:43.360

Village of Parish: Jerry's birthday.

84

00:10:45.700 --> 00:10:47.240

Village of Parish: Why, short and heaven.

85

00:10:50.180 --> 00:10:51.170

Village of Parish: big man.

86

00:10:51.330 --> 00:10:52.010

Village of Parish: just

87

00:10:52.240 --> 00:10:56.000

Village of Parish: yeah.

88

00:11:00.310 --> 00:11:10.439

Village of Parish: Integrate all of our last years. Could you find these? Sure? Thank you. Well, the metal detector find over it

89

00:11:11.970 --> 00:11:15.140

Village of Parish: that a map, or do you want copy of this

90

00:11:15.620 --> 00:11:21.760

Village of Parish: this one? Hey, brother, you'll see 2 way you dropped off last month

91

00:11:21.870 --> 00:11:24.110

Village of Parish: on that really

92

00:11:25.020 --> 00:11:25.760

Village of Parish: pretty

93

00:11:25.960 --> 00:11:40.989

Village of Parish: one person probably know exactly

94

00:11:41.190 --> 00:11:44.070

Village of Parish: like a site from their parameter.

95

00:11:45.490 --> 00:11:47.439

Village of Parish: Okay, my goodness.

96

00:11:47.740 --> 00:11:49.890

Village of Parish: mentioned the angles.

97

00:12:05.770 --> 00:12:15.169

Village of Parish: But I think that's 400 was for the additional. So there's 2. We owe the original work. And then we paid

98

00:12:15.876 --> 00:12:21.813

Village of Parish: 20% of the labor we paid for all the equipment and 20% of the labor, and then

99

00:12:22.240 --> 00:12:40.799

Village of Parish: and then the recent one that we got was for the additional. All right, because I know Jim has been talking to him, and then he sent us. He sent us one. Yeah, they had already the town already paid the remainder of their original estimate. And then, yeah, that's what I was talking about.

100

00:12:41.220 --> 00:12:45.929

Village of Parish: Yeah, that's the addition has one for 1,200 for the same thing with me

101

00:12:46.280 --> 00:12:47.629

Village of Parish: they meet with tomorrow night.

102

00:12:49.440 --> 00:12:56.689

Village of Parish: Yeah, I think he's coming in tomorrow. He's the support. C. 2 ae. They came, I think, the day

103

00:12:57.130 --> 00:13:00.609

Village of Parish: day or 2 after the board meeting is that when it came

104

00:13:01.740 --> 00:13:09.019

Village of Parish: about? So maybe yeah, maybe maybe some of the questions answer. But yeah.

105

00:13:13.080 --> 00:13:14.799

Village of Parish: And then the gentleman that

106

00:13:15.360 --> 00:13:19.049

Village of Parish: is doing the water project. He called me up and talked at great length.

107

00:13:19.140 --> 00:13:19.720

Village of Parish: Thanks.

108

00:13:20.830 --> 00:13:25.299

Village of Parish: and I don't think I heard from the sewer person. But I have

109

00:13:25.940 --> 00:13:27.380

Village of Parish: stuff here.

110

00:13:27.480 --> 00:13:29.110

Village of Parish: Alrighty, Morgan.

111

00:13:29.600 --> 00:13:30.370

Village of Parish: Thank you.

112

00:13:34.120 --> 00:13:35.490

Village of Parish: Yeah, I think.

113

00:13:37.750 --> 00:13:39.190

Village of Parish: Hey, we're seeing the man

114

00:13:39.710 --> 00:13:42.776

Village of Parish: Mosquito, their widow, aren't they?

115

00:13:44.113 --> 00:13:45.775

Village of Parish: I've been lucky.

116

00:13:46.610 --> 00:13:48.299

Village of Parish: I don't. But I mean, I don't go

117

00:13:48.340 --> 00:14:00.580

Village of Parish: further back towards the woods, and we're not. We're not. When they start getting bad. We normally run it so when the sun gets

down too far. But but other than that, like this year I've been. I've been lucky previous years. There, you know, they would swarm

118

00:14:00.590 --> 00:14:02.309

Village of Parish: for some time.

119

00:14:04.540 --> 00:14:10.012

Village of Parish: We have a huge crab apple tree in the fall.

120

00:14:12.840 --> 00:14:13.560

Village of Parish: Get here?

121

00:14:15.410 --> 00:14:16.719

Village of Parish: That's it. That's it.

122

00:14:18.230 --> 00:14:19.210

Village of Parish: Yeah.

123

00:14:19.360 --> 00:14:21.180

Village of Parish: okay.

124

00:14:21.900 --> 00:14:22.920

Village of Parish: interesting.

125

00:14:56.560 --> 00:14:57.790

Village of Parish: Makes it so simple.

126

00:14:57.890 --> 00:14:58.560

Village of Parish: Excellent.

127

00:14:59.343 --> 00:15:00.030

Village of Parish: Excuse me.

128

00:15:00.710 --> 00:15:04.040

Village of Parish: You have sewer in general. Here's Tina.

129

00:15:06.560 --> 00:15:14.446

Village of Parish: Oh, and then there's the statements here, too. Sorry. I don't know if I still have over that wise. I have to do that one also.

130

00:15:14.950 --> 00:15:16.109

Village of Parish: Yes, I'll

131

00:15:18.130 --> 00:15:21.499

Village of Parish: what's it? We sign this 1st page, I guess, and

132

00:15:22.280 --> 00:15:23.620

Village of Parish: see in the dark

133

00:15:26.020 --> 00:15:28.379

Village of Parish: that's coming here for later.

134

00:15:29.240 --> 00:15:32.270

Village of Parish: Okay, alright. He's too big.

135

00:15:32.980 --> 00:15:34.630

Village of Parish: Okay?

136

00:15:36.440 --> 00:15:37.179

Village of Parish: Might have.

137

00:15:39.440 --> 00:15:40.150

Village of Parish: You're cool.

138

00:15:49.860 --> 00:15:54.208

Village of Parish: People that are asking questions are coming.

139

00:15:54.850 --> 00:15:55.949

Village of Parish: It's got

140

00:15:56.540 --> 00:15:58.450

Village of Parish: alright. There's plenty of folks.

141

00:16:08.440 --> 00:16:10.000

Village of Parish: It was a lot of focus

142

00:16:16.480 --> 00:16:17.170

Village of Parish: 3.

143

00:16:19.650 --> 00:16:21.465

Village of Parish: Thank you, sir.

144

00:16:28.460 --> 00:16:36.479

Village of Parish: I gotta find out what's going on with that clock. I know. Alright. So if they need a battery, we have plenty of batteries.

145

00:16:36.800 --> 00:16:47.515

Village of Parish: It's amazing how many batteries I have now that I have no children at home.

146

00:16:48.840 --> 00:16:54.569

Village of Parish: It's 1 of the constables. When they brought a battery with him. Part of the clock. Oh, they're all right. Okay.

147

00:16:54.630 --> 00:16:56.239

Village of Parish: okay, Hi, Steve

148

00:16:56.670 --> 00:16:59.020

Village of Parish: is there, and I'm for ride in Hitler

149

00:17:08.829 --> 00:17:12.894

Village of Parish: right out of here.

150

00:17:15.604 --> 00:17:21.460

Village of Parish: Well, I sent the agenda all the other trustees and I said, we don't have a whole lot going on so it should be

151

00:17:25.880 --> 00:17:26.599

Village of Parish: football.

152

00:17:28.310 --> 00:17:31.870

Village of Parish: I don't want to eat my words, Jack makes mistake.

153

00:17:32.110 --> 00:17:36.949

Village of Parish: I think it's just Scott. Do you get your pizza

154

00:17:40.730 --> 00:17:42.090

Village of Parish: on 3 years

155

00:17:45.730 --> 00:17:46.430

Village of Parish: butter?

156

00:17:48.820 --> 00:17:51.919

Village of Parish: But you already got that

157

00:17:52.900 --> 00:17:54.639

Village of Parish: 8 18

158

00:17:55.400 --> 00:17:58.137

Village of Parish: roughly, they're about.

159

00:18:01.320 --> 00:18:02.670

Village of Parish: We close our

160

00:18:04.800 --> 00:18:06.924

Village of Parish: books for last year yet

161

00:18:07.600 --> 00:18:14.630

Village of Parish: closed. But I'm in the process of online. So everything is closed out.

162

00:18:15.810 --> 00:18:16.750

Village of Parish: I've never

163

00:18:17.460 --> 00:18:23.140

Village of Parish: alright. Does that girl pass your checks. You catch all your checks. Alex.

164

00:18:23.290 --> 00:18:26.230

Village of Parish: Think she's still a short one. Okay, alright.

165

00:18:26.830 --> 00:18:29.680

Village of Parish: But she did get to talk to the other. Okay.

166

00:18:33.790 --> 00:18:34.730

Village of Parish: vespers

167

00:18:35.610 --> 00:18:37.090

Village of Parish: get well for

168

00:18:38.212 --> 00:18:42.129

Village of Parish: tomorrow night, I hope. Alright

169

00:18:43.670 --> 00:18:44.790

Village of Parish: first.st I can't do

170

00:18:45.100 --> 00:18:47.150

Village of Parish: sign in here from there. Oh.

171

00:18:47.360 --> 00:18:48.270

Village of Parish: I can't.

172

00:18:50.120 --> 00:18:51.640

Village of Parish: Are we going on?

173

00:18:51.710 --> 00:18:52.800

Village of Parish: Thanks.

174

00:19:04.370 --> 00:19:05.849

Village of Parish: And I have the times we can.

175

00:19:10.520 --> 00:19:13.409

Village of Parish: I'm gonna call the meeting to order

176

00:19:14.000 --> 00:19:14.970

Village of Parish: circus me.

177

00:19:16.360 --> 00:19:19.350

Village of Parish: Oh, okay, well, hang on for Paul. Sorry, Paul.

178

00:19:20.770 --> 00:19:23.379

Village of Parish: Alrighty. You already wanna say the Plug

179

00:19:27.610 --> 00:19:31.210

Village of Parish: States of America

180

00:19:31.940 --> 00:19:39.920

Village of Parish: into the public for which it stands. One nation

181

00:19:43.450 --> 00:19:44.619

Village of Parish: or hall. Please.

182

00:19:45.220 --> 00:19:47.639

Village of Parish: Nope, here, here.

183

00:19:48.570 --> 00:19:49.830

Village of Parish: here.

184

00:19:52.646 --> 00:19:53.123

Village of Parish: if

185

00:20:02.990 --> 00:20:04.210

Village of Parish: I might be

186

00:20:04.610 --> 00:20:08.110

Village of Parish: alrighty, have you guys get a chance to look at your minutes.

187

00:20:08.260 --> 00:20:11.593

Village of Parish: Let me go to you 2 per minute.

188

00:20:12.110 --> 00:20:15.519

Village of Parish: The only thing I had a question about was the payroll company.

189

00:20:18.720 --> 00:20:21.733

Village of Parish: I I know we had discussed how

190

00:20:22.470 --> 00:20:23.330

Village of Parish: excitement.

191

00:20:23.510 --> 00:20:31.620

Village of Parish: change of plans on because it seemed like we were having a lot of issues with them which still aren't resolved

192

00:20:32.348 --> 00:20:36.121

Village of Parish: like with the payment. Double payment.

193

00:20:37.645 --> 00:20:38.430

Village of Parish: Andrew.

194

00:20:38.500 --> 00:20:46.524

Village of Parish: continue with paychecks.

195

00:20:50.080 --> 00:20:57.600

Village of Parish: and we should be alright pretty late, because

196

00:20:57.740 --> 00:21:05.617

Village of Parish: I did get something from quickbooks. Kevin, what's you have anything with quickbooks

197

00:21:06.310 --> 00:21:08.079

Village of Parish: offering a sale?

198

00:21:08.740 --> 00:21:13.149

Village of Parish: And I'll I'll print that off, and you can look at, and we can see what they have to say

199

00:21:13.970 --> 00:21:14.920

Village of Parish: a Luke.

200

00:21:17.710 --> 00:21:18.335

Village of Parish: what?

201

00:21:19.700 --> 00:21:31.699

Village of Parish: Last you had said, you don't want to make more. Okay? All right. So he's going to run payroll. Okay? All right. I mean it would make sense to have to pay him unless you want to do it for free.

202

00:21:32.000 --> 00:21:47.100

Village of Parish: But then, yeah, we don't push them over the threshold unless you want to. I mean, someone has to do it at the end of the day.

203

00:21:48.120 --> 00:21:49.079

Village of Parish: I know I

204

00:21:49.640 --> 00:21:52.000

Village of Parish: kind of understand good books, but I've got

205

00:21:53.090 --> 00:22:15.910

Village of Parish: yeah. And that sells the online version, too, which is complete trash. That's just the software itself. Then the subscription to run payroll is like 1,500. It's over a thousand dollars a year, I mean, would that, plus the cost of the software every month, you'd end up paying more than you'd pay somebody, just because our payroll is really small. Okay? All right.

206

00:22:16.070 --> 00:22:19.337

Village of Parish: Alright. So that's it. That's alright. So you

207

00:22:23.540 --> 00:22:24.920

Village of Parish: I second that much.

208

00:22:27.012 --> 00:22:31.439

Village of Parish: PC, and the Sc. Or everything, hey?

209

00:22:32.450 --> 00:22:34.120

Village of Parish: Moved our water system.

210

00:22:34.550 --> 00:22:36.590

Village of Parish: Pass that around. I didn't. I didn't want to

211

00:22:36.910 --> 00:22:41.568

Village of Parish: publish. Print all that out for everybody.

212

00:22:43.530 --> 00:22:44.910

Village of Parish: That's good news.

213

00:22:45.650 --> 00:22:47.539

Village of Parish: Wait. Well, that's

214

00:22:48.240 --> 00:22:53.100

Village of Parish: could you? Or could somebody Rosemary or you emailed us? Yeah, I can

215

00:22:54.380 --> 00:22:57.620

Village of Parish: closer look after the fact. So we're all on the same page

216

00:23:00.715 --> 00:23:05.449

Village of Parish: and then, yes, yes, that's right nice. I I see they've got all the stuff on.

217

00:23:05.560 --> 00:23:07.000

Village of Parish: Yeah, getting around

218

00:23:07.350 --> 00:23:20.389

Village of Parish: labeled. Now all the manhole covers. Oh, yeah, yeah, Mayor had mentioned. They've worked on the survey, or whatever. Yeah, that's awesome.

219

00:23:20.700 --> 00:23:28.270

Village of Parish: Have to understand that they were to get their shovels. For the rest, start digging. We also have the letter today from

220

00:23:29.000 --> 00:23:40.600

Village of Parish: Oh, the New York State Department of Environmental of DC. Saying that there approves a plan plan for the plant. So we're all good. Yeah. So.

221

00:23:41.360 --> 00:23:52.310

Village of Parish: and a letter from Dave Turner, the director of the Sweden County officer of strategic initiatives than us for writing such a nice letter to get broadband, and I think that's about it for communications.

222

00:23:52.830 --> 00:23:55.689

Village of Parish: Alright. So I guess we'll go into the sewer plant report.

223

00:23:55.720 --> 00:24:05.680

Village of Parish: Oh, that was just what we think that we should be. The county needs to get monies to do to improve it

224

00:24:06.060 --> 00:24:07.690

Village of Parish: for the whole Internet. You're saying.

225

00:24:08.760 --> 00:24:17.929

Village of Parish: okay, so county wide. Gotcha gotcha! Alright.

226

00:24:18.210 --> 00:24:30.560

Village of Parish: alright! So June we averaged about 40,000 gallons a day. We had 3 7 solid violations, the high salt water

227

00:24:31.740 --> 00:24:33.940

Village of Parish: storms.

228

00:24:41.820 --> 00:24:47.610

Village of Parish: 2 Pm. Space, 2 Pm. Centralized railroad station to south. Rotate my clothes at a high level at Montreal.

229

00:24:48.090 --> 00:24:49.700

Village of Parish: I'll clean out the

230

00:24:51.080 --> 00:24:51.859  
Village of Parish: for sure.

231

00:24:52.440 --> 00:24:53.110  
Village of Parish: Possible.

232

00:24:54.420 --> 00:24:55.160  
Village of Parish: Helpful

233

00:24:55.680 --> 00:24:59.979  
Village of Parish: lifted the band hole at the North River. The reason  
why we haven't

234

00:25:02.300 --> 00:25:02.990  
Village of Parish: thanks for

235

00:25:04.190 --> 00:25:10.789  
Village of Parish: you shall get the see when they're gonna get here.  
That's nice. And even I'm like them here today.

236

00:25:11.480 --> 00:25:13.949  
Village of Parish: and they were busy and

237

00:25:14.971 --> 00:25:22.670  
Village of Parish: along with along with him. And Nrc. Is now all the  
public serving companies and backtracks

238

00:25:24.710 --> 00:25:29.319  
Village of Parish: working on that, and I'm pretty sure that the  
recommendations from seaward

239

00:25:29.780 --> 00:25:31.480  
Village of Parish: pull the brakes out of the box.

240

00:25:32.690 --> 00:25:33.699  
Village of Parish: What this shit?

241

00:25:34.450 --> 00:25:36.020  
Village of Parish: It's the work

242

00:25:36.990 --> 00:25:41.316

Village of Parish: the we help the surveyors for the water. We

243

00:25:42.100 --> 00:25:46.170

Village of Parish: answer to that. I think it was 30 plus good peos that they had

244

00:25:54.560 --> 00:25:57.540

Village of Parish: markings. We actually so much

245

00:25:57.740 --> 00:25:59.479

Village of Parish: sure lines everywhere

246

00:26:02.390 --> 00:26:03.250

Village of Parish: part

247

00:26:06.420 --> 00:26:07.310

Village of Parish: mindset them.

248

00:26:09.800 --> 00:26:11.730

Village of Parish: For one. I'm sorry or so.

249

00:26:13.290 --> 00:26:16.569

Village of Parish: and he is well.

250

00:26:17.770 --> 00:26:18.460

Village of Parish: public.

251

00:26:28.911 --> 00:26:34.570

Village of Parish: Okay? And then yes, yes.

252

00:26:34.630 --> 00:26:37.750

Village of Parish: hopefully, we can get moving. Yes, yes.

253

00:26:40.300 --> 00:26:42.480

Village of Parish: I love crazy man.

254

00:26:43.150 --> 00:26:43.890

Village of Parish: 1st

255

00:26:44.000 --> 00:26:45.150

Village of Parish: forearm

256

00:26:45.520 --> 00:26:47.149

Village of Parish: of that company

257

00:26:47.350 --> 00:26:50.099

Village of Parish: pole barn on North Railroad Street.

258

00:26:50.270 --> 00:26:51.470

Village of Parish: I'll stay in the air.

259

00:26:51.700 --> 00:26:52.760

Village of Parish: It's funny.

260

00:26:53.830 --> 00:26:55.300

Village of Parish: It's the computer.

261

00:27:00.510 --> 00:27:01.290

Village of Parish: it is.

262

00:27:02.620 --> 00:27:06.589

Village of Parish: hey? They have to put in a lateral supply.

263

00:27:07.270 --> 00:27:10.070

Village of Parish: You got anything different or not? What

264

00:27:10.390 --> 00:27:11.080

Village of Parish: ape

265

00:27:18.710 --> 00:27:19.649

Village of Parish: the word trash

266

00:27:21.350 --> 00:27:24.500

Village of Parish: judges, and I mean it's not uncommon

267

00:27:27.240 --> 00:27:27.990

Village of Parish: sure.

268

00:27:29.330 --> 00:27:30.330

Village of Parish: I understand.

269

00:27:30.600 --> 00:27:31.530  
Village of Parish: If it's

270  
00:27:31.820 --> 00:27:32.920  
Village of Parish: her house.

271  
00:27:36.990 --> 00:27:43.322  
Village of Parish: I like what's going on. I like to go to the bottom.

272  
00:27:44.040 --> 00:27:44.730  
Village of Parish: Are

273  
00:27:45.670 --> 00:27:51.379  
Village of Parish: factory hexagon pipe stuff. No, no.

274  
00:27:51.860 --> 00:27:52.610  
Village of Parish: Rhoda.

275  
00:27:54.740 --> 00:27:56.839  
Village of Parish: which yeah, we're not too much

276  
00:27:57.090 --> 00:28:02.270  
Village of Parish: right now they must. They must have a second system.  
Now

277  
00:28:02.770 --> 00:28:03.620  
Village of Parish: get a treat

278  
00:28:04.760 --> 00:28:05.699  
Village of Parish: for a trip.

279  
00:28:06.280 --> 00:28:08.135  
Village of Parish: Oh, yeah, yeah, yeah.

280  
00:28:08.670 --> 00:28:11.590  
Village of Parish: Drink elevation.

281  
00:28:12.330 --> 00:28:14.839  
Village of Parish: orange shoe plastic

282  
00:28:16.330 --> 00:28:17.160

Village of Parish: controversy.

283

00:28:18.370 --> 00:28:20.330

Village of Parish: We have omissions. But

284

00:28:21.050 --> 00:28:21.919

Village of Parish: as a machine

285

00:28:22.930 --> 00:28:23.740

Village of Parish: through the edit

286

00:28:25.330 --> 00:28:26.840

Village of Parish: I saw it. Yeah.

287

00:28:27.750 --> 00:28:29.260

Village of Parish: I saw I didn't.

288

00:28:29.790 --> 00:28:30.560

Village of Parish: No

289

00:28:31.130 --> 00:28:31.880

Village of Parish: super.

290

00:28:32.050 --> 00:28:34.119

Village of Parish: Okay to be here. I'll be doing it.

291

00:28:34.170 --> 00:28:35.949

Village of Parish: I don't think we're

292

00:28:36.060 --> 00:28:37.419

Village of Parish: that's an excellent break.

293

00:28:44.630 --> 00:28:46.330

Village of Parish: How's that himself?

294

00:28:47.070 --> 00:28:51.709

Village of Parish: We can. We can do that and make sure that it gets done right. We'll look at it.

295

00:28:51.830 --> 00:28:53.300

Village of Parish: Make sure. I make sure.

296

00:28:54.280 --> 00:28:56.530

Village of Parish: Hire somebody knows what to do. Yes, yes.

297

00:28:56.630 --> 00:28:57.620

Village of Parish: refugees

298

00:29:00.740 --> 00:29:01.490

Village of Parish: every day.

299

00:29:04.730 --> 00:29:09.630

Village of Parish: But the engineer needs on another sewer related

300

00:29:09.870 --> 00:29:10.409

Village of Parish: thing.

301

00:29:11.070 --> 00:29:12.999

Village of Parish: I work weekends, liquor store.

302

00:29:13.370 --> 00:29:14.520

Village of Parish: Lots of people

303

00:29:17.710 --> 00:29:18.409

Village of Parish: sit down.

304

00:29:20.270 --> 00:29:22.709

Village of Parish: and I ran into the people who brought us off.

305

00:29:23.240 --> 00:29:25.949

Village of Parish: and foolish place is now called the firm.

306

00:29:27.120 --> 00:29:28.380

Village of Parish: Still Parish.

307

00:29:35.548 --> 00:29:39.445

Village of Parish: exactly where I'm going.

308

00:29:40.490 --> 00:29:42.030

Village of Parish: It's no longer

309

00:29:42.040 --> 00:29:46.510

Village of Parish: a private residence. It's commercial operation. So we get to go for every bathroom.

310

00:30:04.908 --> 00:30:17.921

Village of Parish: Are we voting to approve that today?

311

00:30:29.130 --> 00:30:31.615

Village of Parish: And

312

00:30:34.130 --> 00:30:35.689

Village of Parish: we wrote it right

313

00:30:36.590 --> 00:30:42.430

Village of Parish: really doesn't have anything, might not be there. But we may have to.

314

00:30:43.070 --> 00:30:51.079

Village of Parish: We can say, Okay, an Airbnb is like a hotel

315

00:30:52.240 --> 00:30:52.930

Village of Parish: steps

316

00:30:53.050 --> 00:30:54.080

Village of Parish: on site

317

00:30:54.140 --> 00:30:55.749

Village of Parish: and funding different industries.

318

00:30:56.390 --> 00:30:58.860

Village of Parish: So there's like an employee there all day, too.

319

00:30:59.940 --> 00:31:08.749

Village of Parish: And it also says in each apartment and multiple dwellings, 3 or more units. They get charged one unit free.

320

00:31:18.360 --> 00:31:23.340

Village of Parish: Well, I don't know how that you guys wanna take a look at it. See? You can make of it.

321

00:31:23.950 --> 00:31:24.769

Village of Parish: Thank you very much.

322

00:31:25.080 --> 00:31:30.345

Village of Parish: but there is nothing they don't have the airplane.

323

00:31:33.990 --> 00:31:36.269

Village of Parish: 52, 17 transfer document.

324

00:31:39.750 --> 00:31:41.819

Village of Parish: So it specifically says.

325

00:31:42.950 --> 00:31:45.369

Village of Parish: the Lady Farms parish, Llc.

326

00:31:45.850 --> 00:31:47.730

Village of Parish: Hotel motel, or where

327

00:31:47.890 --> 00:31:48.940

Village of Parish: big house

328

00:31:49.110 --> 00:31:50.140

Village of Parish: per bed

329

00:31:51.420 --> 00:31:52.439

Village of Parish: for bad one.

330

00:31:53.546 --> 00:31:54.699

Village of Parish: That's it.

331

00:31:55.600 --> 00:31:57.850

Village of Parish: is it? One bed, one unit?

332

00:31:59.040 --> 00:32:01.450

Village of Parish: I don't know how many customers actually build it for 5.

333

00:32:01.880 --> 00:32:05.614

Village of Parish: You know that for sure. Somebody on the website?

334

00:32:06.040 --> 00:32:10.989

Village of Parish: Okay, how many? Then? 7. I can say.

335

00:32:11.690 --> 00:32:13.299

Village of Parish: bedrooms type.

336

00:32:13.690 --> 00:32:14.630

Village of Parish: probably 5 and a half.

337

00:32:15.270 --> 00:32:16.403

Village of Parish: Yeah. So

338

00:32:40.830 --> 00:32:42.140

Village of Parish: I kick that. So

339

00:32:42.370 --> 00:32:44.150

Village of Parish: let me make sure. I actually quote

340

00:32:44.370 --> 00:32:48.020

Village of Parish: the paragraph. Well, but

341

00:32:48.520 --> 00:32:53.330

Village of Parish: each apartment in a multiple flowing, I mean, it's have 2 en suites with bathrooms.

342

00:32:53.920 --> 00:32:55.410

Village of Parish: It's a separate

343

00:32:55.980 --> 00:32:59.360

Village of Parish: unit to me. They're all at the same house.

344

00:33:00.800 --> 00:33:03.720

Village of Parish: the house up in the section.

345

00:33:04.440 --> 00:33:06.139

Village of Parish: We can't say, I don't know.

346

00:33:07.070 --> 00:33:09.269

Village of Parish: Yeah, but I don't.

347

00:33:14.240 --> 00:33:15.540

Village of Parish: Are you guys? Just

348

00:33:20.360 --> 00:33:21.589

Village of Parish: where could that be?

349

00:33:22.868 --> 00:33:25.311

Village of Parish: You're gonna have the invitation.

350

00:33:27.002 --> 00:33:30.618

Village of Parish: Well, revenue is paying one for each bathroom.

351

00:33:31.520 --> 00:33:32.919

Village of Parish: and we're pretty stitched.

352

00:33:33.240 --> 00:33:34.080

Village of Parish: It's up.

353

00:33:35.270 --> 00:33:36.219

Village of Parish: 4 units.

354

00:33:37.920 --> 00:33:39.600

Village of Parish: What about? Yeah. But for the map?

355

00:33:40.110 --> 00:33:41.000

Village of Parish: That's correct.

356

00:33:44.230 --> 00:33:46.930

Village of Parish: say no less. Or I mean, you know.

357

00:33:47.750 --> 00:33:51.977

Village of Parish: is it often rented on a Wednesday and a Thursday, you know.

358

00:33:52.360 --> 00:33:54.429

Village of Parish: it's not all week long all day.

359

00:33:54.690 --> 00:33:57.008

Village of Parish: Alright. Yeah. I mean, I feel like

360

00:33:57.570 --> 00:33:59.299

Village of Parish: we have to get more details on

361

00:33:59.330 --> 00:34:03.140

Village of Parish: the use of the building. If it's just an occasional, because they are

362

00:34:03.550 --> 00:34:04.880

Village of Parish: Airbnb, you know.

363

00:34:05.790 --> 00:34:06.609

Village of Parish: you know.

364

00:34:06.770 --> 00:34:08.200

Village of Parish: Not always right. I guess.

365

00:34:09.239 --> 00:34:15.894

Village of Parish: Larry, if he's just out of town and he's putting

366

00:34:16.880 --> 00:34:18.120

Village of Parish: he gives me one here

367

00:34:18.540 --> 00:34:21.239

Village of Parish: is near being, but he's already turned.

368

00:34:22.040 --> 00:34:22.870

Village of Parish: It's on ebay.

369

00:34:25.127 --> 00:34:31.642

Village of Parish: Are you to hear in a unit there? How is that different than an answer.

370

00:34:32.409 --> 00:34:35.530

Village of Parish: 16. Yes, 6 bedrooms type.

371

00:34:36.460 --> 00:34:38.150

Village of Parish: So, but

372

00:34:38.730 --> 00:34:40.090

Village of Parish: it's okay.

373

00:34:40.230 --> 00:34:41.929

Village of Parish: Openly posted, not.

374

00:34:43.600 --> 00:34:45.270

Village of Parish: There's those numbers.

375

00:34:50.092 --> 00:34:54.996

Village of Parish: Alright, just posted with unlimited availability

376

00:34:56.400 --> 00:34:57.850

Village of Parish: and not

377

00:34:59.300 --> 00:35:03.570

Village of Parish: yeah. Well, I mean, I think they would put the time, like, you know, when it's about

378

00:35:05.970 --> 00:35:07.879

Village of Parish: the Airbnb feed website.

379

00:35:08.110 --> 00:35:16.589

Village of Parish: So if it doesn't say only on weekends.

380

00:35:18.290 --> 00:35:19.749

Village of Parish: What's the name of the

381

00:35:19.970 --> 00:35:23.140

Village of Parish: the farms at Paris? Farms of parish.

382

00:35:24.470 --> 00:35:27.942

Village of Parish: and you give it a name that seems like it's a more permanent thing.

383

00:35:28.750 --> 00:35:29.440

Village of Parish: Others?

384

00:35:39.590 --> 00:35:44.660

Village of Parish: And there we go.

385

00:35:46.240 --> 00:35:48.350

Village of Parish: If you go strictly

386

00:35:48.720 --> 00:35:53.109

Village of Parish: by one section of it, it could be 5 or 6 units.

387

00:35:53.860 --> 00:35:54.790

Village of Parish: If

388

00:35:55.200 --> 00:35:57.080

Village of Parish: we do something fudgy.

389

00:35:57.140 --> 00:35:58.949

Village of Parish: using the 1st one

390

00:35:59.850 --> 00:36:02.859

Village of Parish: we could, you know. Say, how about 4 or something?

391

00:36:06.860 --> 00:36:07.890

Village of Parish: Got a

392

00:36:09.000 --> 00:36:09.810

Village of Parish: sleep?

393

00:36:11.290 --> 00:36:15.320

Village of Parish: Some part of the Sue Law firm? That's gonna be right. So kind of justification.

394

00:36:16.090 --> 00:36:17.210

Village of Parish: It's odd that

395

00:36:18.970 --> 00:36:22.383

Village of Parish: I mean the hotel provision is in there.

396

00:36:26.510 --> 00:36:28.820

Village of Parish: Well, I'll leave it up to you guys.

397

00:36:29.440 --> 00:36:31.399

Village of Parish: Well, obviously, we want to do more. Repeat

398

00:36:32.480 --> 00:36:35.150

Village of Parish: search. Get more information on

399

00:36:35.210 --> 00:36:42.410

Village of Parish: whether this is if if this is a more permanent thing should we reach out to him for more information for us.

400

00:36:43.680 --> 00:36:45.100

Village of Parish: I mean, I feel like.

401

00:36:45.480 --> 00:36:47.030

Village of Parish: Hey, Hi, guys.

402

00:36:48.860 --> 00:36:50.670

Village of Parish: because you're saying 1 1.

403

00:36:51.560 --> 00:36:56.585

Village of Parish: We're gonna go after him. Then we gotta go after everybody. And and you know.

404

00:36:57.300 --> 00:36:58.800

Village of Parish: and that's why I say, car

405

00:36:59.290 --> 00:37:01.280

Village of Parish: power, buck across the street.

406

00:37:02.460 --> 00:37:04.090

Village of Parish: He already has it.

407

00:37:06.320 --> 00:37:08.970

Village of Parish: He has one there.

408

00:37:09.260 --> 00:37:18.399

Village of Parish: So he would fall under the hotel thing. So he was already being charged for the apartment essentially blocks, or whatever

409

00:37:19.230 --> 00:37:20.020

Village of Parish: forget it.

410

00:37:20.770 --> 00:37:21.560

Village of Parish: Right?

411

00:37:22.410 --> 00:37:23.250

Village of Parish: Something to.

412

00:37:24.860 --> 00:37:33.909

Village of Parish: But so I, yeah, or or this, I have. Maybe somebody could just search thereby the name of it.

413

00:37:34.730 --> 00:37:38.209  
Village of Parish: or whatever, and and just come over the list. And again, more

414  
00:37:40.460 --> 00:37:41.250  
Village of Parish: New York.

415  
00:37:42.090 --> 00:37:43.909  
Village of Parish: VRBO, yep, that's it.

416  
00:37:44.080 --> 00:37:45.449  
Village of Parish: you know I like what you see.

417  
00:37:45.880 --> 00:37:54.640  
Village of Parish: the thing is is the occupancy that's like how often it'd be. But like if somebody opened up a restaurant.

418  
00:37:54.950 --> 00:37:55.790  
Village of Parish: Steve.

419  
00:37:56.110 --> 00:37:57.040  
Village of Parish: It's just

420  
00:37:58.040 --> 00:37:59.120  
Village of Parish: chargers.

421  
00:38:00.915 --> 00:38:04.949  
Village of Parish: Fire marshal combined

422  
00:38:11.820 --> 00:38:12.680  
Village of Parish: is this.

423  
00:38:14.050 --> 00:38:28.249  
Village of Parish: you have to have a license that would take you. What have to happen? It goes through the town, anyway. Maybe you set up an Llc. Or a village got a DBA or something, and then it's

424  
00:38:28.690 --> 00:38:31.630  
Village of Parish: Hello. So join me.

425  
00:38:33.538 --> 00:38:39.731  
Village of Parish: Is that a commercial zone? That's what's weird about.

426

00:38:40.490 --> 00:38:47.020

Village of Parish: That's why they're that's why they make more money than all the hotels do, because they're operating in the gray area.

427

00:38:47.880 --> 00:38:48.550

Village of Parish: Faith.

428

00:38:49.970 --> 00:39:01.999

Village of Parish: the rules are unclear. He's making notes right now. He's got to stop to make this. Well, all right. So yeah, so we should table it. For now gather as much information as you can. Maybe

429

00:39:02.120 --> 00:39:14.101

Village of Parish: put a whole list of all the Airbnb together, and

430

00:39:17.740 --> 00:39:19.139

Village of Parish: 30,000.

431

00:39:19.710 --> 00:39:22.750

Village of Parish: See, this is the gray area I was talking about.

432

00:39:23.250 --> 00:39:29.398

Village of Parish: This is why Airbnb makes support and all that. Eventually they'll get regulated just like every other hotel

433

00:39:33.050 --> 00:39:35.009

Village of Parish: there I work

434

00:39:37.600 --> 00:39:38.840

Village of Parish: the rest of the town.

435

00:39:40.850 --> 00:39:41.660

Village of Parish: Hello

436

00:39:42.630 --> 00:39:43.756

Village of Parish: came back.

437

00:39:44.470 --> 00:39:46.419

Village of Parish: I mean, if my river, that whole board, is like a building

438

00:39:46.630 --> 00:40:06.429

Village of Parish: a four-story hotel, I'm assuming. Yeah, it was probably smart enough to do something, because insurance they wouldn't have water.

439

00:40:06.480 --> 00:40:10.824

Village of Parish: Alright, Jack's building. He's able to help out.

440

00:40:12.620 --> 00:40:13.460

Village of Parish: Well.

441

00:40:14.268 --> 00:40:22.519

Village of Parish: alright, so we will table this, and we'll research this alright. Can I get a motion to

442

00:40:22.730 --> 00:40:24.930

Village of Parish: approve the sewer plant report.

443

00:40:29.910 --> 00:40:31.720

Village of Parish: i i i

444

00:40:33.620 --> 00:40:35.273

Village of Parish: second favor

445

00:40:42.900 --> 00:40:43.770

Village of Parish: you're

446

00:40:44.550 --> 00:40:46.529

Village of Parish: today by Irish

447

00:40:49.670 --> 00:40:50.470

Village of Parish: opening

448

00:40:52.290 --> 00:40:53.929

Village of Parish: inspection date

449

00:40:59.810 --> 00:41:01.020

Village of Parish: combining.

450

00:41:01.766 --> 00:41:02.420

Village of Parish: Excuse me.

451

00:41:10.670 --> 00:41:23.579

Village of Parish: thank you for your insight to this other issue. We got going on. And and yeah, let us know if you get any more information on that for sure

452

00:41:23.920 --> 00:41:24.840

Village of Parish: went to.

453

00:41:26.490 --> 00:41:36.460

Village of Parish: we just need a second favor. Aye, I just wanted to say, thanks all for giving the Historical Society. The

454

00:41:36.830 --> 00:41:39.010

Village of Parish: occupancy require much.

455

00:41:39.120 --> 00:41:41.920

Village of Parish: Well, they could get moved in and get going. They're they're gone

456

00:41:42.860 --> 00:41:44.450

Village of Parish: slow, but it's happening.

457

00:41:44.590 --> 00:41:47.530

Village of Parish: So I'm happy to say that nice.

458

00:41:51.220 --> 00:41:52.030

Village of Parish: Oh.

459

00:41:53.910 --> 00:41:55.290

Village of Parish: thank you, because I

460

00:41:57.050 --> 00:41:59.960

Village of Parish: at the end of the day. And I,

461

00:42:00.030 --> 00:42:03.078

Village of Parish: Tom, conference last weekend.

462

00:42:04.560 --> 00:42:07.240

Village of Parish: Okay? So then I guess we're

463

00:42:09.370 --> 00:42:10.320  
Village of Parish: you up.

464  
00:42:10.960 --> 00:42:11.710  
Village of Parish: Paul

465  
00:42:14.300 --> 00:42:14.990  
Village of Parish: must

466  
00:42:18.840 --> 00:42:24.169  
Village of Parish: recorded in front of you. There's very little shop

467  
00:42:27.670 --> 00:42:30.160  
Village of Parish: manufacturing and Downbrook.

468  
00:42:30.560 --> 00:42:33.859  
Village of Parish: I want to bring production.

469  
00:42:34.370 --> 00:42:35.450  
Village of Parish: and everybody

470  
00:42:35.780 --> 00:42:38.219  
Village of Parish: probably more oriented towards housing

471  
00:42:45.430 --> 00:42:46.560  
Village of Parish: new process

472  
00:42:48.510 --> 00:42:50.099  
Village of Parish: children in the next step

473  
00:42:51.060 --> 00:42:53.908  
Village of Parish: under Council governance meeting

474  
00:42:55.010 --> 00:42:57.110  
Village of Parish: I got retiring the 1st part of 2025,

475  
00:42:57.130 --> 00:42:58.319  
Village of Parish: plug out permission.

476  
00:43:00.380 --> 00:43:01.849  
Village of Parish: no advertising.

477

00:43:03.670 --> 00:43:04.370

Village of Parish: Listen.

478

00:43:07.340 --> 00:43:08.050

Village of Parish: Fisher

479

00:43:09.630 --> 00:43:19.909

Village of Parish: Supervisors to do process.

480

00:43:21.040 --> 00:43:23.380

Village of Parish: And our point permission is also available on

481

00:43:23.900 --> 00:43:25.579

Village of Parish: website. And I should mention

482

00:43:27.210 --> 00:43:28.810

Village of Parish: sharing process.

483

00:43:28.850 --> 00:43:33.039

Village of Parish: Senator, you and Senators are going to have a direct voice.

484

00:43:39.530 --> 00:43:40.300

Village of Parish: Hello

485

00:43:42.840 --> 00:43:43.900

Village of Parish: should be ahead of me.

486

00:43:45.260 --> 00:43:50.550

Village of Parish: Committee of 4 who are going to be from Representative River Council. We need to remember it's a Bill pottery

487

00:43:57.390 --> 00:43:58.430

Village of Parish: nurse.

488

00:43:58.580 --> 00:44:04.428

Village of Parish: We'll be participate with him and let him have any.

489

00:44:05.010 --> 00:44:08.150

Village of Parish: Yeah. So you have a huge report of what we said.

490

00:44:14.710 --> 00:44:24.364

Village of Parish: Alright, thanks, Paul. Congratulations on the decision to retire. That's a big move.

491

00:44:26.020 --> 00:44:29.720

Village of Parish: Alrighty morning motion, except the report.

492

00:44:30.680 --> 00:44:31.380

Village of Parish: Second

493

00:44:31.510 --> 00:44:33.750

Village of Parish: all in favor. Aye.

494

00:44:35.064 --> 00:44:36.486

Village of Parish: I'll be sorry.

495

00:44:37.220 --> 00:44:45.170

Village of Parish: So the library fund we just wanna make sure you're up on that, so we can don't have to worry about that, that's all that.

496

00:44:45.890 --> 00:44:51.470

Village of Parish: It's going to be an alternating year. And then

497

00:44:51.520 --> 00:44:55.330

Village of Parish: yes, what will that do for us making any money? You won't?

498

00:44:56.880 --> 00:44:58.015

Village of Parish: Alright.

499

00:44:59.400 --> 00:45:00.840

Village of Parish: Yeah. If the

500

00:45:01.530 --> 00:45:02.780

Village of Parish: if you get to life

501

00:45:02.980 --> 00:45:03.770

Village of Parish: 3. Heaven

502

00:45:05.520 --> 00:45:08.139

Village of Parish: fine, Lucas! We need to direct me.

503

00:45:10.170 --> 00:45:11.390

Village of Parish: I go out the door.

504

00:45:12.050 --> 00:45:16.959

Village of Parish: If the village still chooses to leave the money they are like, I recommend

505

00:45:18.510 --> 00:45:19.200

Village of Parish: you're

506

00:45:20.140 --> 00:45:21.640

Village of Parish: go on and everything.

507

00:45:22.090 --> 00:45:22.950

Village of Parish: Faith.

508

00:45:23.630 --> 00:45:25.529

Village of Parish: I can think that

509

00:45:26.400 --> 00:45:28.559

Village of Parish: good idea. What do you guys think?

510

00:45:28.840 --> 00:45:31.870

Village of Parish: Last year 306

511

00:45:34.430 --> 00:45:41.879

Village of Parish: but from a finance standpoint every other year might put

512

00:45:42.020 --> 00:45:54.240

Village of Parish: either one of us at a disadvantage. The library, I mean, because interest rates might go down a lot. So if if we if we did display, it'd be more fair, I guess from

513

00:45:55.120 --> 00:45:57.410

Village of Parish: there'd be an even split. So

514

00:46:01.940 --> 00:46:07.450

Village of Parish: same share me, too. Yeah, I do remember something about every other.

515

00:46:07.460 --> 00:46:09.740

Village of Parish: It wasn't. And I'm okay with that to work out

516

00:46:09.780 --> 00:46:12.180

Village of Parish: as long as we understand that.

517

00:46:13.720 --> 00:46:25.220

Village of Parish: they used to. Not as much. Yeah. So now you know what it'll be so like, you know, they might get a good payoff.

518

00:46:26.640 --> 00:46:28.610

Village of Parish: It's too dare.

519

00:46:29.180 --> 00:46:30.160

Village of Parish: And then

520

00:46:33.040 --> 00:46:33.810

Village of Parish: that he.

521

00:46:34.050 --> 00:46:36.879

Village of Parish: here we are.

522

00:46:37.140 --> 00:46:41.400

Village of Parish: pay out. But then they could plummet the year after. And then I mean.

523

00:46:41.830 --> 00:46:44.070

Village of Parish: already in CD, everything's over here.

524

00:46:44.510 --> 00:46:51.679

Village of Parish: Yeah, we're talking about just the entry. Yeah, which we're moving into. Yeah into a CD after like that, that CD can stay.

525

00:46:54.550 --> 00:46:57.320

Village of Parish: write the interest down right?

526

00:46:57.340 --> 00:47:00.935

Village of Parish: In other words, so like when it's our turn, we get our 150 bucks

527

00:47:01.550 --> 00:47:03.019  
Village of Parish: very much loved it.

528  
00:47:03.100 --> 00:47:06.170  
Village of Parish: We can roll it back in. That's fine, right?

529  
00:47:06.220 --> 00:47:08.709  
Village of Parish: Or you can vote over. If you pull me into South Bend

530  
00:47:09.270 --> 00:47:10.170  
Village of Parish: you will

531  
00:47:10.480 --> 00:47:11.220  
Village of Parish: back up

532  
00:47:12.610 --> 00:47:13.730  
Village of Parish: net growth

533  
00:47:13.980 --> 00:47:15.590  
Village of Parish: you originally started.

534  
00:47:17.940 --> 00:47:19.060  
Village of Parish: What's in Scottie

535  
00:47:21.890 --> 00:47:22.580  
Village of Parish: Greg.

536  
00:47:24.410 --> 00:47:25.360  
Village of Parish: doctor

537  
00:47:26.680 --> 00:47:27.360  
Village of Parish: handle

538  
00:47:28.980 --> 00:47:33.549  
Village of Parish: like the CD. Doesn't have still moving it into the higher.

539  
00:47:33.620 --> 00:47:34.740  
Village of Parish: I are just

540  
00:47:34.770 --> 00:47:36.050

Village of Parish: CD, or

541

00:47:37.370 --> 00:47:39.019

Village of Parish: that's what the Board wants.

542

00:47:42.170 --> 00:47:43.210

Village of Parish: You go.

543

00:47:46.970 --> 00:47:53.479

Village of Parish: I mean, as long as there's no restrictions like withdrawn. But to put it in something that makes us more make more interest for both us and the library.

544

00:47:58.290 --> 00:47:59.130

Village of Parish: Hey, ad.

545

00:48:04.360 --> 00:48:09.329

Village of Parish: No, I mean, if it has to stay in just the CD. It's just got to stay there, so we don't really care about the term, whether it's

546

00:48:09.420 --> 00:48:11.559

Village of Parish: short or long term. I mean

547

00:48:12.320 --> 00:48:12.980

Village of Parish: live.

548

00:48:15.470 --> 00:48:16.440

Village of Parish: They're given

549

00:48:20.030 --> 00:48:23.105

Village of Parish: interest rates on shorter term. Cds, right? So

550

00:48:23.530 --> 00:48:24.570

Village of Parish: I'm I'm good.

551

00:48:24.730 --> 00:48:27.190

Village of Parish: Feel like we could get more money for everyone right?

552

00:48:28.110 --> 00:48:29.549

Village of Parish: I'm not sure I don't remember

553

00:48:29.560 --> 00:48:43.439

Village of Parish: for exactly what the rate is now. Well, I wouldn't say expert in finance a little, but I mean accounting. Yes, but this is more finance.

554

00:48:44.280 --> 00:48:46.080

Village of Parish: I'll say my warning, not saying

555

00:48:46.420 --> 00:48:47.510

Village of Parish: a

556

00:48:49.730 --> 00:48:50.640

Village of Parish: Casey

557

00:48:52.360 --> 00:48:57.720

Village of Parish: starting on this date with, I think they gave or projected it. I don't know.

558

00:49:00.950 --> 00:49:01.960

Village of Parish: He, he!

559

00:49:03.200 --> 00:49:03.890

Village of Parish: He

560

00:49:04.380 --> 00:49:08.120

Village of Parish: myself. I don't know if they give you options as far as where which

561

00:49:10.350 --> 00:49:21.511

Village of Parish: the term. But I I feel like we today. Yeah. So I'm sure on moving it to. You know that way. You have the authorization or keep it where it is. If that's the highest rate you know that we can get on it.

562

00:49:22.380 --> 00:49:24.980

Village of Parish: but yeah, that's our, I believe. But

563

00:49:25.040 --> 00:49:27.320

Village of Parish: I haven't read the bill in a long time. I believe they're

564

00:49:27.720 --> 00:49:28.400

Village of Parish: yep.

565

00:49:29.210 --> 00:49:32.440

Village of Parish: they're this entity, the village or the Entity Library

566

00:49:33.820 --> 00:49:35.040

Village of Parish: goes away.

567

00:49:35.230 --> 00:49:37.569

Village of Parish: Then the fund is split between

568

00:49:37.710 --> 00:49:38.519

Village of Parish: the 2.

569

00:49:39.060 --> 00:49:41.909

Village of Parish: I think that's what it sounds. So yeah, makes sense.

570

00:49:43.230 --> 00:49:47.090

Village of Parish: alright. So where are we? So we what we have to vote on now is

571

00:49:47.340 --> 00:49:51.019

Village of Parish: whether we're gonna do the alternating or the split. I'm not. I could go either.

572

00:49:53.180 --> 00:49:53.960

Village of Parish: Where

573

00:49:57.400 --> 00:50:01.269

Village of Parish: I just if if we wanna yeah, i i i mean we can.

574

00:50:01.860 --> 00:50:02.510

Village of Parish: It's

575

00:50:04.180 --> 00:50:11.610

Village of Parish: as long as no one has objection to just do it. The way it was written, even split the fairest way for both entities.

576

00:50:12.000 --> 00:50:13.250

Village of Parish: It's not gonna be there

577

00:50:18.090 --> 00:50:18.910

Village of Parish: welcome.

578

00:50:22.031 --> 00:50:26.368

Village of Parish: We only could be fine. I'll make a motion that we do it as written in will

579

00:50:30.600 --> 00:50:31.530

Village of Parish: all of

580

00:50:32.670 --> 00:50:33.360

Village of Parish: when

581

00:50:35.950 --> 00:50:37.450

Village of Parish: back, however.

582

00:50:40.020 --> 00:50:46.020

Village of Parish: I not yet heard back from a moment, and I could try to jump in. Okay.

583

00:50:46.250 --> 00:50:47.579

Village of Parish: where? Where the

584

00:50:50.670 --> 00:50:51.460

Village of Parish: junior

585

00:50:53.610 --> 00:50:54.700

Village of Parish: we can't.

586

00:50:56.840 --> 00:50:58.384

Village of Parish: All the technical.

587

00:51:02.780 --> 00:51:05.030

Village of Parish: That's a false solution, is it?

588

00:51:06.810 --> 00:51:07.680

Village of Parish: Goodbye.

589

00:51:14.010 --> 00:51:17.919

Village of Parish: yes. Where they raised some additional service. He signed a contract

590

00:51:20.420 --> 00:51:22.610

Village of Parish: into our scope of work

591

00:51:23.500 --> 00:51:24.649

Village of Parish: or G

592

00:51:27.860 --> 00:51:28.610

Village of Parish: want.

593

00:51:32.690 --> 00:51:33.550

Village of Parish: We're very committed.

594

00:51:33.760 --> 00:51:35.229

Village of Parish: Go ahead and agree to it.

595

00:51:35.580 --> 00:51:37.240

Village of Parish: But it's just a

596

00:51:39.490 --> 00:51:40.410

Village of Parish: that's just

597

00:51:40.860 --> 00:51:41.810

Village of Parish: the year.

598

00:51:42.010 --> 00:51:44.580

Village of Parish: So the sewer billing.

599

00:51:48.090 --> 00:51:51.159

Village of Parish: Okay, we we just you guys, wanna look at it

600

00:51:57.670 --> 00:52:01.190

Village of Parish: support if I am.

601

00:52:02.580 --> 00:52:07.990

Village of Parish: I did want to pass this along, too. This is from Dan.  
We talked about all the

602

00:52:08.500 --> 00:52:14.514

Village of Parish: stuff that he was. All the issues became up when he  
was doing that alright.

603

00:52:16.070 --> 00:52:18.280

Village of Parish: Now, how much increase are we talking

604

00:52:18.370 --> 00:52:19.800

Village of Parish: now? What is it

605

00:52:20.690 --> 00:52:24.759

Village of Parish: just the different, how much the sewer software

606

00:52:26.020 --> 00:52:28.900

Village of Parish: for the municipal. The initial one was a

607

00:52:28.960 --> 00:52:39.329

Village of Parish: an hour early rate of a hundred \$60 with a minimum fee of 1,800, and then I stated that it won't. What do they say? Right from that other contract? There it's on the second page.

608

00:52:39.670 --> 00:52:40.643

Village of Parish: the record.

609

00:52:42.600 --> 00:52:45.829

Village of Parish: Oh, they're asking for 1338 up to right there.

610

00:52:50.240 --> 00:52:51.540

Village of Parish: There's a second.

611

00:52:51.630 --> 00:52:55.059

Village of Parish: Let's I'm sorry. Just be sending you 2 things at once.

612

00:52:55.640 --> 00:52:56.390

Village of Parish: Yes.

613

00:52:56.770 --> 00:52:59.189

Village of Parish: minimum fee of \$4,900,

614

00:53:00.570 --> 00:53:02.699

Village of Parish: 1651, 9.

615

00:53:04.400 --> 00:53:08.050

Village of Parish: I don't know whether. Yeah.

616

00:53:09.020 --> 00:53:11.933

Village of Parish: What were we gonna pay him originally?

617

00:53:14.672 --> 00:53:18.047

Village of Parish: Was there originally? They said, they?

618

00:53:19.050 --> 00:53:23.470

Village of Parish: You build at an hourly rate of 160 with a minimum fee of 1,800

619

00:53:36.200 --> 00:53:37.100

Village of Parish: extra.

620

00:53:38.510 --> 00:53:39.693

Village of Parish: You got an extension.

621

00:53:40.660 --> 00:53:41.520

Village of Parish: Brendan.

622

00:53:43.816 --> 00:53:47.293

Village of Parish: a bunch of issues with the compatibility.

623

00:53:47.850 --> 00:53:50.590

Village of Parish: On answer Trustee Jack's question.

624

00:53:51.030 --> 00:53:52.180

Village of Parish: which it is

625

00:53:52.630 --> 00:53:53.810

Village of Parish: when he.

626

00:53:54.960 --> 00:53:56.380

Village of Parish: 21,000

627

00:53:57.120 --> 00:53:59.959

Village of Parish: or financial consultant is Mary Shadow Punch

628

00:54:00.370 --> 00:54:01.100

Village of Parish: commit.

629

00:54:01.670 --> 00:54:05.780

Village of Parish: as of June June 33. I spent 3 years.

630

00:54:06.090 --> 00:54:07.170

Village of Parish: Yeah, for change.

631

00:54:08.500 --> 00:54:10.990

Village of Parish: I'm still thinking really quick.

632

00:54:12.220 --> 00:54:13.260

Village of Parish: It was what

633

00:54:13.980 --> 00:54:16.170

Village of Parish: it's 21,000.

634

00:54:17.000 --> 00:54:19.410

Village of Parish: Let's say that

635

00:54:21.860 --> 00:54:22.640

Village of Parish: I wish

636

00:54:23.590 --> 00:54:25.780

Village of Parish: 51,900.

637

00:54:28.530 --> 00:54:29.630

Village of Parish: We were by

638

00:54:29.880 --> 00:54:33.149

Village of Parish: together back in what we did

639

00:54:33.970 --> 00:54:35.909

Village of Parish: in the suit, because we knew what we knew.

640

00:54:37.800 --> 00:54:44.739

Village of Parish: We didn't have a really hard number. We only for 60 an hour. And I don't remember. So what we're saying is, basically, now.

641

00:54:44.900 --> 00:54:48.979

Village of Parish: if we put it in this, we agree that they can go up 30,000.

642

00:54:49.810 --> 00:54:51.340  
Village of Parish: But is this it

643  
00:54:57.350 --> 00:55:02.818  
Village of Parish: 2 years? Okay, so take a 51.

644  
00:55:03.760 --> 00:55:08.135  
Village of Parish: But it's not to exceed that. So

645  
00:55:09.320 --> 00:55:14.216  
Village of Parish: it's like Christmas morning I was driving back.

646  
00:55:16.527 --> 00:55:19.160  
Village of Parish: It's literally good.

647  
00:55:19.760 --> 00:55:44.800  
Village of Parish: I don't think we could do these projects. Is that right, Ken? We couldn't do any of our projects without Mary Chapel's lower.

648  
00:55:44.800 --> 00:56:01.370  
Village of Parish: Yeah, I think so. I think so, because they're very much on top of stuff Zoom Meetings with Kevin and I in this group when she just comes up

649  
00:56:02.190 --> 00:56:04.880  
Village of Parish: for increase. I guess we never have the money for

650  
00:56:05.050 --> 00:56:05.840  
Village of Parish: now

651  
00:56:07.340 --> 00:56:09.110  
Village of Parish: our chick spouse.

652  
00:56:09.730 --> 00:56:11.680  
Village of Parish: No, because

653  
00:56:22.180 --> 00:56:23.690  
Village of Parish: we'll get it somewhere.

654  
00:56:24.170 --> 00:56:31.820

Village of Parish: At the end of the day we got to spend this money to make a whole lot more, because they're you know, they're working on

655

00:56:32.520 --> 00:56:35.510

Village of Parish: getting us all the funding. So I mean

656

00:56:36.550 --> 00:56:38.890

Village of Parish: raising the rate a little bit. But

657

00:56:41.230 --> 00:56:50.529

Village of Parish: the title of my whole life that way in the Federal Government did your original contract include

658

00:56:52.080 --> 00:56:53.429

Village of Parish: 2? IP.

659

00:56:54.960 --> 00:56:57.150

Village of Parish: I don't think it did.

660

00:56:57.280 --> 00:56:58.090

Village of Parish: Yep.

661

00:56:59.070 --> 00:57:05.029

Village of Parish: yeah, that's why I think some of the artwork. It's an additional service

662

00:57:05.820 --> 00:57:08.349

Village of Parish: secure. Id, yeah. So okay.

663

00:57:08.800 --> 00:57:09.490

Village of Parish: so that

664

00:57:12.580 --> 00:57:14.960

Village of Parish: that's it. Okay, so that's a good fee.

665

00:57:16.450 --> 00:57:20.460

Village of Parish: Yeah. And and there are already that comes around. If we haven't any progress

666

00:57:20.880 --> 00:57:21.780

Village of Parish: and we get

667

00:57:22.520 --> 00:57:23.280

Village of Parish: it's

668

00:57:23.390 --> 00:57:44.010

Village of Parish: elsewhere. But I'm sure we won't have any trouble. They're going to get us tons of money, and we're going to be super excited, and it's going to save our village save our community. They trust them as well, and I trust them, and I am hopeful. So I make a motion.

669

00:57:44.854 --> 00:57:46.789

Village of Parish: We make them all.

670

00:57:47.200 --> 00:57:53.084

Village of Parish: and then we accept the updated contract. I'll second that.

671

00:57:53.680 --> 00:57:54.740

Village of Parish: relaxed.

672

00:57:55.640 --> 00:57:58.349

Village of Parish: Alrighty. Now we're

673

00:57:58.690 --> 00:57:59.450

Village of Parish: we're there.

674

00:58:07.710 --> 00:58:12.778

Village of Parish: copier for 7 years. And so yeah, that's an easy decision.

675

00:58:16.230 --> 00:58:21.269

Village of Parish: too. I mentioned it to you. You don't want to own it. You never want to own one of these.

676

00:58:23.830 --> 00:58:28.729

Village of Parish: you you don't want to really own it, because once you do, and then you gotta pay out of pocket to fix it.

677

00:58:28.870 --> 00:58:38.620

Village of Parish: You always want to lease it. And yeah, so normally, it's it just makes sense to, you know, renew a lease with the new equipment. And in this, in this case, it's cheaper. So

678

00:58:41.220 --> 00:58:52.109

Village of Parish: yeah, well, a little bit cheaper. Is that an increase? Yeah, exactly. So we don't have to like outsource that. And well, it's just nice.

679

00:58:57.910 --> 00:59:12.650

Village of Parish: You get less included. Yeah, I know it's funny, black and white, but it's a much of a smaller 200. Yeah, they said, they're giving us the lowest possible price because we are a government.

680

00:59:12.970 --> 00:59:38.360

Village of Parish: Well, we appreciate that. We haven't had any issue. I've never heard about issues with the thing being, you know, they come right down and fix it if there's anything. No, they're great. They are very great, I say, rather than waste our time shopping around for a new lease. We could probably just sign off on this, since we're all very busy and whatnot do we need to vote on the contract?

681

00:59:38.520 --> 01:00:07.500

Village of Parish: Nope, we're just leasing it all right. I just want to make sure. Yep, I want to talk about a couple of things real quick, and then we can get the heck out of here all right. So I went to the Nikon Conference last week, and it was very informative, and I'm not going to do anything with the New York quarter.

682

01:00:08.870 --> 01:00:15.040

Village of Parish: because I think it's fruitless right now with us not having water after we have water coming in. Then I think

683

01:00:15.310 --> 01:00:18.140

Village of Parish: we can say, Well, we're gonna do this and all that

684

01:00:19.480 --> 01:00:20.150

Village of Parish: nice

685

01:00:21.050 --> 01:00:21.770

Village of Parish: pluck

686

01:00:21.950 --> 01:00:23.859

Village of Parish: I'm working on that

687

01:00:24.470 --> 01:00:25.630

Village of Parish: pro housing

688

01:00:26.490 --> 01:00:27.550

Village of Parish: getting

689

01:00:27.600 --> 01:00:32.230

Village of Parish: community are available. We're we're open to people moving to our village.

690

01:00:32.510 --> 01:00:35.849

Village of Parish: the more the merrier. And that's that. And I'm also.

691

01:00:36.770 --> 01:00:41.559

Village of Parish: And we have that house down the street that I am going to push for her to

692

01:00:43.830 --> 01:00:47.450

Village of Parish: get demolish it. She's got it for sale. Sign on it

693

01:00:47.900 --> 01:00:49.060

Village of Parish: the white one up here.

694

01:00:52.950 --> 01:00:53.990

Village of Parish: It's like Mike.

695

01:00:58.350 --> 01:00:59.300

Village of Parish: isn't it.

696

01:00:59.780 --> 01:01:14.509

Village of Parish: that needs to go getting complaints on it? I said, what are you going to do? And then she says, I'm going to put it up for sale and try to just give it away. You know it's just what happened is that the fire department?

697

01:01:17.130 --> 01:01:21.920

Village of Parish: If I'm telling this right, please quite village, and all the trustees saying that was.

698

01:01:25.070 --> 01:01:26.270

Village of Parish: I got her

699

01:01:28.210 --> 01:01:29.150

Village of Parish: from Kenzie.

700

01:01:34.700 --> 01:02:01.990

Village of Parish: So I'm going to try what I can do to get that done. I realize it's a loss of a sewer, but I'm hoping maybe if we get it demolished, somebody will vote on it. Yeah, yeah. So it doesn't hurt to start the proceedings

701

01:02:03.830 --> 01:02:05.010

Village of Parish: process

702

01:02:06.370 --> 01:02:07.529

Village of Parish: as we're done. The

703

01:02:07.980 --> 01:02:09.630

Village of Parish: lesson, or whatever we have to.

704

01:02:10.450 --> 01:02:21.800

Village of Parish: These people are getting older, and I don't want them to pass, and then we'll have to deal with reports that way. But I want to start working on that. And then also with old Facebook again.

705

01:02:22.530 --> 01:02:23.630

Village of Parish: start double.

706

01:02:25.790 --> 01:02:35.419

Village of Parish: Only this month, this past week about what's going on with water, and Kevin has suggested mailings. I don't want to mail anything to anybody. That wasn't that, Shania? I said, Well, did you get a

707

01:02:36.140 --> 01:02:37.680

Village of Parish: income survey?

708

01:02:38.110 --> 01:02:40.600

Village of Parish: Well, we might have but my hope.

709

01:02:43.149 --> 01:02:43.559

Village of Parish: Fly!

710

01:02:44.970 --> 01:02:50.830

Village of Parish: No. So I'm thinking you can make people realize. And then also right here in this water project thing.

711

01:02:50.960 --> 01:02:56.280

Village of Parish: we got a 41 responses back. That's where our mailings get us, you know.

712

01:02:56.520 --> 01:03:08.896

Village of Parish: And if people want to know something. I think board meetings have been Wednesday night for years. If they want some want to know something they can call me. I'm here all the time

713

01:03:09.350 --> 01:03:10.479

Village of Parish: on it alright.

714

01:03:14.360 --> 01:03:15.430

Village of Parish: Morning. God.

715

01:03:15.690 --> 01:03:19.470

Village of Parish: that particular talk on the talking top website! I just have no

716

01:03:19.850 --> 01:03:31.240

Village of Parish: check it out. See? What was there on this? It popped up that she was pressing. I said, Well, and I just did a general, simple response suggest you call village office Monday, Wednesday.

717

01:03:32.300 --> 01:03:34.939

Village of Parish: Thursday 9 to 2.

718

01:03:37.170 --> 01:03:56.990

Village of Parish: Town, not even village point.

719

01:03:57.290 --> 01:04:03.926

Village of Parish: Jack, you guys need to come to the board meetings.

720

01:04:05.060 --> 01:04:06.280

Village of Parish: Okay, we look

721

01:04:10.259 --> 01:04:26.350

Village of Parish: provide them the information. A lot of people probably work off the misinformation. I know that's a common thing with Internet. You know, comment, streams and and whatnot feeds and stuff is that people are working up a lot of people interjecting just misinformation. And or you know, they only got

722

01:04:26.760 --> 01:04:35.265

Village of Parish: only a little glimpse of what's going on, so we could fill them in on all the details, and then they can understand

723

01:04:35.870 --> 01:04:39.479

Village of Parish: village website. Yeah, hey? Our project?

724

01:04:42.035 --> 01:04:45.109

Village of Parish: Alright. Okay. Alright, I will.

725

01:04:45.220 --> 01:04:48.169

Village of Parish: Yep, I'll get right on that. That was my only suggestion. Okay, alright.

726

01:04:53.820 --> 01:04:55.140

Village of Parish: I just can't.

727

01:04:55.210 --> 01:04:56.910

Village of Parish: I just figure, yeah.

728

01:04:59.710 --> 01:05:12.590

Village of Parish: that's on my grocery newer system and stuff. Until he retires, or until he, you know, passes the torch. But we could always provide updates to that on a more regular basis. The website that way. It's there for everybody.

729

01:05:19.300 --> 01:05:22.852

Village of Parish: Alright, that's just an logistic. I don't

730

01:05:24.400 --> 01:05:27.600

Village of Parish: not not brought up to me. Yeah, actually was brought up to me.

731

01:05:28.390 --> 01:05:31.270

Village of Parish: A person listed. There's a perception of

732

01:05:31.420 --> 01:05:34.839

Village of Parish: non transparency. Yes, you're telling us everything right.

733

01:05:35.120 --> 01:05:38.860

Village of Parish: You understand that it's going on. Zoom, yes.

734

01:05:39.050 --> 01:05:39.780

Village of Parish: but

735

01:05:40.060 --> 01:05:40.810

Village of Parish: like Kenny.

736

01:05:43.575 --> 01:05:51.404

Village of Parish: they want us to go to the door one by one to the door.

The dog enumerator got

737

01:05:52.410 --> 01:05:53.100

Village of Parish: her.

738

01:05:53.370 --> 01:05:54.380

Village of Parish: heard him.

739

01:05:54.750 --> 01:05:57.270

Village of Parish: the Hitler

740

01:06:01.230 --> 01:06:02.260

Village of Parish: athletic.

741

01:06:02.650 --> 01:06:03.640

Village of Parish: He didn't.

742

01:06:05.330 --> 01:06:06.210

Village of Parish: Thanks everyone

743

01:06:08.310 --> 01:06:35.189

Village of Parish: that's ridiculous. Well, I hope he doesn't have to hire private security just to get this done, or whatever it is. Oh, my goodness, anyway, all right. So the dates to remember is August 21, st that's our next meeting, and then, of course old one day is on August 3, rd all right

744

01:06:38.800 --> 01:06:39.880

Village of Parish: hey smiles

745

01:06:47.180 --> 01:06:48.310

Village of Parish: alright

746

01:06:48.850 --> 01:06:49.730  
Village of Parish: i'll second.

747  
01:06:52.790 --> 01:06:54.860  
Village of Parish: my favor aye

748  
01:06:59.380 --> 01:07:10.799  
Village of Parish: make a motion we accept sewer fund vouchers 22 to 34  
in the amount of \$17 and 40 make a motion. We accept Tina Fund vouchers 9  
to 15 in the amount of \$2,271 and 16 cents.

749  
01:07:12.660 --> 01:07:13.520  
Village of Parish: I'll send it.

750  
01:07:20.110 --> 01:07:22.443  
Village of Parish: Here's the wrong taber.

751  
01:07:23.710 --> 01:07:27.699  
Village of Parish: See you next month I was married last month, father,  
by.
