*"We think Fulton is a great place to live...Block Builders is helping to not only improve the look of our city but also the attitude of our city. We think it's a great program and encourage blocks all over the city to get involved," said Sue.*

- Sue and Dave Lorenz, Fulton

*"I love this program and Bill and I have had such wonderful experiences being a part of it for these past two years," said Peggy. "The Pride Grant also helped our neighbors erect the "Welcome to Our Neighborhood" sign. I think FBB is doing so much good in our city.*

- Bill and Peggy Donnelly, Fulton

*"The transformation of our neighborhood since then has been amazing. Through improvements made, many homes/yards/parks that were basically eyesores are now some of the most beautiful in the city."*

- Janet & Sherard Anderson, Oswego

*"Coming from the military we have lived in many places throughout the Country. Oswego has changed our views on what it means to be a neighbor and what it means to be a part of a community."*

- Brett & Tessa Smith, Oswego
