December 8, 2022

As a result of the recent resignation of Tom Louer as a Trustee on the Village of Parish Board, a vacancy has been created. It is the privilege of the Mayor to appoint a person to complete the remaining three months of Mr. Louer's first year term without the village board approval due to this vacancy. As a village resident, Lawrence J. Harvey has expressed an interest to complete the term and fill this position as Trustee on the Village board.

As Mayor, effective on this date December 8<sup>th</sup>, 2022, I am appointing Lawrence J. Harvey to the Village board as Trustee to complete the term until March 21<sup>st</sup>, 2023.

Following election procedures, the seat can then be filled by any candidate who appears on the ballot for the March 21, 2023 election at which time that seat will be for the remaining year of Mr. Louer's two year commitment to the position.

It is with great appreciation that I find that Mr. Harvey is willing to serve the Parish community in this capacity. I am confident that the knowledge and insight that he can share with the existing board will be enhanced when making decisions.

Respectfully,

Mayor Kathryn E. Perkins
