December 29, 2022

To: Village Board – Trustee Chatterton, Trustee Harvey, Trustee Murphy, Trustee Youngman, III

As a result of the recent resignation of David Welytok as a Trustee on the Village of Parish Board, a vacancy has been created. It is the privilege of the Mayor to appoint a person to complete the remaining three months of Mr. Welytok's two year term without the village board approval due to this vacancy. As a village resident, Gordon Youngman, III has expressed an interest to complete the term and fill this position as Trustee on the Village board.

As Mayor, effective on this date December 29th, 2022, I am appointing Gordon Youngman, III to the Village board as a Trustee to complete the term until March 21st, 2023.

Following election procedures, the seat can then be filled by any candidate whose name appears on the ballot or is written in for the March 21, 2023 election. At that time the seat will be vacant to be occupied by anyone for a two year commitment to the position on the board.

It is with great appreciation that I find Mr. Youngman, III willing to serve the Parish community in this capacity. I am confident that the knowledge and insight that he can share with the existing board will be enhance the decision making process.

Respectfully,

Mayor Kathryn E. Perkins
